

B Berg | Notice of Location of Land and Water

I the undersigned have this day located One Hundred & Sixty (160) Acres of land for agricultural and grazing purposes, commencing about one mile westerly of the old station known as Woodruff & Emmons old station on the Palisade road and running five miles westerly, (bound by the North on A. E. Davis's Wood Ranch and on the south by Hendersons Ranch) up towards the east side of the Robinson Mountains together with all the springs & water on and above running through the above named land being upwards of two Hundred (200) inches more or less for agricultural & ranching purposes, also the wood on each side of the mountains running towards described land for fencing and sundry uses.

Pleasant Valley Eureka Co. Nev
