

A P Hegeman }

Water Locations.

I, the undersigned have this day located and taken a water right commencing as follows, from the line of Dr Walker's Springs at the mouth of a fork or gulch of Goodwin's Canyon running in a westerly direction towards Balls Bluff or Foley's ridge and one fourth of a mile wide to the head and divide of said Gulch. These Springs shall be known by the name of the hollow Springs and for mining and building purposes and latter according to the laws of Emmet Mining District Emmet County Nevada.
