Water Right Notice

Notice is hereby given that the undersigned has this day taken up and does claim all the water running waste and flowing from the ranch situated about three miles east from the Willms Race Course and known as the Monroe ranch. This water is intended to be used for Agricultural and other purposes and I claim the privilege to lead it out by ditches or in other manner above or below this notice as may be desirable. Done and dated at Eureka this 16th day of October A.D. 1876
