 County of Ceurcra }

This certifies that we have this day located a certain piece parcel or tract of land situated in Ceurcra County Nevada and more particularly described as follows to wit:
 Situate about Twenty Eight (28) miles West from the Town of Ceurcra in said State, on the north side of Antelope Valley, on Mountain Range and bounded on the north by the Valley, on the south and East by Robinsons Ranch and on the West by bare hills. Said ranch is entirely fenced. We claim the same for the wood only that is on the said wood ranch and for the purpose of working the same to make our living and not as a matter of profit or speculation. We know of no other parties claiming or owning the same
