

File No. 90.48.

Romano. New

Feb. 20. 1912.

This is to certify that we the undersigned agree to run 60 head stock cattle for (4) years from Feb. 20. 1912 to Feb. 20. 1916 for $\frac{1}{2}$ (one half) of increase. We guarantee to agree to replace or make good said original number of 60 head of cattle. The increase to be branched to outright hip. The increase to be divided at the end of the four (4) yrs Equal.

We agree to run our (4) head milk stock for $\frac{1}{2}$ of increase, same as above stock.

We agree to give Tony Romano 30 tons (thirty) hay for the year 1912 and 15 tons the remaining three years and any surplus that is left over in spring of year.

The hay is to be choice meadow hay at \$4 per ton including pasture for 50 (fifty) head stock. Hay to be measured Sec. 1st of each year by 512 cuft per ton. Nathan Bailey

Witnessed at the request of Marietta Bailey
