

This mortgage is given as additional security in connection with two certain Farm Loan Mortgages or Deeds of Trust of record in said County and State on all or a portion of the land hereinabove described, made or assumed by the mortgagors herein, which said mortgages or deeds of trust are now subject to foreclosure because of certain defaults in connection therewith. This mortgage does specifically secure the payment of the following sums, which the mortgagor agrees to pay to the mortgagees at their office in Oakland, California, as follows, to-wit:

Loan 17673:

\$ 323.35	payable	November 1, 1938)	with interest at 6% per annum from dates pay-
529.06	"	May 1, 1939	able to dates paid.
530.00	"	November 1, 1939)	
530.00	"	May 1, 1940	
330.00	"	November 1, 1940)	

Loan A-26497:

\$ 84.00 (Int.)	"	November 1, 1938)	with interest at 5% per annum from dates
84.00 (Int.)	"	May 1, 1939	payable to dates paid on principal portions
84.00 (Int.)	"	November 1, 1939)	of installments only of \$210 each.
294.00	"	May 1, 1940	
239.80	"	November 1, 1940)	

This mortgage shall also secure the payment of any and all sums not herein specifically shown which the mortgagees have advanced or may advance to or expend in behalf of the mortgagor, all of which sums the mortgagor agrees to repay to the mortgagees with interest at 6% per annum from the date advanced or expended as above provided

Should the mortgagors neglect or fail to properly cultivate or harvest any crops hereby mortgaged or should the property hereby mortgaged be or become insufficient security for the payment of the indebtedness hereby secured, the mortgagees being the sole judge of such insufficiency, then the mortgagees may at their option demand immediate repayment of the indebtedness hereby secured and upon the failure of the mortgagor to repay such items upon demand, the mortgagees may proceed to enforce the Farm Loan mortgages or deeds of trust aforesaid. The mortgagees may sue to recover the indebtedness hereby secured without foreclosing this crop and chattel mortgage and the mortgagors hereby waive the provisions of Section 726 of the California Code of Civil Procedure; Title 104, Chapter 55, Section 1, Revised Statutes of Utah, 1933; Section 9048, Nevada Compiled Laws, 1929.

In the event that all sums due or to become due under the terms of this mortgage be not paid in full with interest on the date as hereinbefore provided, then any interest or right of the mortgagors in and to all future crops which may be grown on the above described premises by the mortgagors shall be considered as mortgaged to the mortgagees as long as any of the indebtedness hereinbefore described remains unpaid, and such future crops are hereby mortgaged to the mortgagees in the same manner and with like force and effect as though such crops were specifically described in this instrument.

If the mortgagors shall well and truly pay or cause to be paid all of the indebtedness hereby secured, then these presents shall be void and of no effect, but if default shall be made in the payment of any sum which may be or become due under this mortgage or in the fulfillment of any covenant herein, or if any attempt shall be made by the mortgagors to remove, dispose of or injure said property, or any part thereof, or if said mortgagors do not take proper care of said personal property or the crops hereinbefore described, or if they fail, neglect or refuse to properly harvest, thresh and care for the crops mortgaged by this instrument in the proper manner or in the proper season, or if they shall fail, neglect or refuse to place the same in a warehouse at a railroad station after the same are threshed and harvested, or if they do not deliver to the mortgagees the warehouse receipts for such crops as soon as the same are delivered to such warehouse, then, thereupon and thereafter, the said mortgagees shall have the right and power to take immediate possession personally or by agent, of all of said crops and personal property wherever found, without legal process, and in any of the events above specified, the mortgagees shall have the right both before and after the date herein provided for the payment of said defaults to sell at public or private sale, without notice to the mortgagors, said crops or personal property or such part thereof as shall be sufficient to pay all the amount hereby secured, together with reasonable attorney's fees and all costs and expenses for the searching, taking, keeping and/or selling of said crops and/or personal property.

As long as the conditions of this mortgage are fulfilled the mortgagors are to remain in peaceable possession of said crops and personal property, and in consideration thereof they agree to keep the same in good condition during the time that they remain in possession thereof. The mortgagors further covenant that they have good and lawful authority to sell, convey, and mortgage the crops and personal property described herein and that they will forever warrant and defend the title thereto, and that the same are free and clear of all encumbrances of every kind and nature.
