All sums secured by any of the terms of this mortgage are hereby declared to be a lien upon the property above described and the whole thereof, and this mortgage is intended to secure, and the mortgagor does hereby mortgage the above described property and the whole thereof to the said mortgagee for the purpose of securing:

FOURTH: The payment in lawful money of the United States of any and all moneys other and in addition to those expressly mentioned herein, that is now, or may hereafter, become or be due or payable from said mortgagor, to the said mortgagee from any cause whatsoever.

FIFTH: This mortgage shall be security for any and all renewals of the mortgage debt or of the promissory note or notes evidencing the same, which may be executed and delivered by the mortgagor to the mortgagee, and any and all additional or future advances or loans which may be made by the mortgagee to the mortgagor.

~~The mortgagor covenants and agrees that all livestock subject at any time to the lien of this mortgage shall at all times during the existence hereof be kept and ranged in the Count..... of....., State of.....~~

and the Count..... of....., State of....., and not elsewhere, except upon express written permission given by the mortgagee, and the mortgagor expressly covenants and agrees that he will not allow such livestock, or any part thereof, to be taken from his possession whether by operation of law or otherwise, or to be removed from the counties hereinabove specified, except upon such express written permission of the mortgagee.

The mortgagor further covenants and agrees that he will at all times during the existence of this mortgage, mark and brand with care and diligence, all livestock at any time subject to the lien hereof with the regular registered brand and ear marks of the said mortgagor, namely:.....

The said mortgagor further covenants and agrees to keep all of said livestock in good condition and to care for, inspect and protect the same and to provide and maintain sufficient blooded, graded breeding stock to properly serve any female livestock at any time subject to the lien hereof, and in general to exercise such care in the rearing, branding, ranging and feeding of all livestock at any time subject to the lien hereof as is consistent and in accord with good business and with the customary manner of handling that kind of livestock which is subject to the lien hereof, to the end that the best results may be obtained from said business. Should said livestock, or any part thereof, in the opinion of the mortgagee, at any time require care, attention or protection other than that provided by the mortgagor, then the mortgagee may enter or cause entry to be made upon any property where said livestock or any part thereof may be found, and assume control, custody and possession of the same, and at the expense of the mortgagor, care for, protect and attend to the same in such manner as it may deem necessary.

The mortgagor hereby covenants, promises and agrees to pay and discharge, as soon as due, all taxes, licenses, assessments, liens or other encumbrances now subsisting or hereafter to be laid or imposed upon any property which may at any time be subject to the lien hereof, including taxes, if any are levied or assessed upon this mortgage, or upon the debt secured hereby, and hereby waives the right to treat the payment of such taxes or assessments as a payment on the debt hereby secured, or as being to any extent a discharge thereof. In case said taxes, licenses, assessments, liens or encumbrances so agreed to be paid, be not so paid, then the mortgagee, being hereby made the sole judge of the legality thereof, may, without notice to the mortgagor, pay such taxes, licenses, assessments, liens or encumbrances, or cause the same to be removed by suit or otherwise, all at the cost of the mortgagor.

It is further understood and agreed that the said mortgagee, its agents or attorneys, shall have the right at all reasonable times to inspect and examine any property which may at any time be subject to the lien hereof for the purpose of ascertaining whether or not the security hereby given is being lessened, diminished, depleted or impaired, and if such inspection or examination shall disclose in the judgment of the said mortgagee, that the security hereby given is being lessened, or impaired, such condition shall be deemed a breach of the covenants of this mortgage on the part of said mortgagor.

If during the subsistence of this mortgage there be commenced or pending any suit or action affecting any property which may at any time be subject to the lien hereof, or the title thereto, or the possession thereof, the said mortgagee may appear in said suit, or action and retain counsel therein and defend the same, or otherwise take such action therein as it may be advised and may settle or compromise the same, or it may, at its option, pay and discharge any indebtedness now or hereafter existing against any property which may at any time be subject to the lien hereof, and in that behalf and for any of said purposes, may pay and expend at the expense and on account of the mortgagor such sums of money as it shall deem necessary.

These presents are upon the express condition that if all sums of money secured hereby to be paid, shall be paid, at the times and places and in the manner herein mentioned, then, and in that case,

these presents and the estate hereby mentioned shall cease, determine and be void, and the said mortgagor does hereby covenant, promise and agree to pay the said mortgagee, in lawful money of the United States, all sums secured hereby to be paid, as aforesaid, at the times and in the manner herein and in said promissory note specified, and if default shall be made in the payment of the principal or interest, or any part thereof, respectively, as provided in the promissory note hereinabove set forth, at the time in said note specified for the payment thereof, or if any breach be made in any obligation or promise of the mortgagor herein contained or hereby secured, then, and in any such case, the whole of said principal sum which shall then remain unpaid shall forthwith become payable although the time expressed in said note for the payment thereof shall not have arrived, and in the event of any such default of either principal or interest, or if any breach be made in any obligation or promise of the mortgagor herein contained or hereby secured, the mortgagee may at its option:

First: It may, without foreclosure and without any legal proceedings, and without any previous demand therefor, with the aid and assistance of any person or persons, enter upon the premises and the ranges above described, or such place or places as any of the property subject to the lien hereof is, or may be found, and take, lead, drive and carry away the said property or any part thereof and, with or without notice to the mortgagor, either at public or private sale, sell and dispose of the same, or so much thereof as may be necessary to pay the amount then due, for the best price it can obtain, and out of the money arising therefrom it shall retain and pay the sum then due and the interest thereon, as aforesaid, and all charges and expenses incurred in the gathering and sale of said property, or any part thereof, and any other charges and expenses incurred by the mortgagee hereunder, including a reasonable attorney's fee, and all other amounts secured by any of the terms of this mortgage, and any overplus shall be paid over to the mortgagor. Payment of such overplus to the mortgagor shall constitute full payment thereof.

The said mortgagor does hereby expressly authorize and empower the said mortgagee to sell said property and to execute such bills of sale or other conveyances necessary to convey to the purchaser, or purchasers thereof an absolute title thereto, to the same extent and in the same manner as the mortgagor himself might personally do, and the title so made by the said sale the said mortgagor does hereby agree to defend against all persons. It shall not be necessary for the purchaser or purchasers at any sale or sales purporting to be made under the powers hereby granted (provided the said sale or sales appear upon the face of the proceedings to be made in conformity with said powers) to inquire into or in any way be or become responsible for the actual existence of the contingency or contingencies upon which such sale or sales shall by the said mortgagee be asserted to be made, and the title of the purchaser or purchasers to the property so sold shall be good, sufficient, valid and unimpeachable, and to the aforesaid end, the mortgagor does hereby agree that the decision of the mortgagee as to the actual existence of any contingency or contingencies upon which said sale or sales, as aforesaid, is, or are predicated, shall be conclusive and binding upon said mortgagor.

Second: At the option of the mortgagee, suit may be immediately brought and a decree be had to sell the said property or any part thereof in the manner prescribed by law, and out of the money arising from such sale shall be paid the principal and interest upon said promissory note, together with the costs and charges of making such sale, including attorney's fees and all other amounts secured by any of the terms of this mortgage, and any overplus shall be paid over to the mortgagor. Payment of such overplus to the mortgagor shall constitute full payment thereof.

It is hereby further understood that in the event suit shall be instituted for the foreclosure of this mortgage, the said mortgagee may, at its option and without notice, apply for the appointment of a receiver for the purpose of taking possession of the property covered hereby, pending foreclosure, and with the approval of the court wherein such suit is instituted, such receiver as may be designated by the mortgagee shall be appointed. All costs in connection with the appointment of such receiver or in connection with the discharge of the duties of such receiver shall be taxed as costs in such suit.

It is further expressly covenanted and agreed that at any sale of any property at any time subject to the lien hereof under any of the terms hereof, said property may at the option of the mortgagee be sold in one lot or parcel or in such other lots or parcels as may be designated by the said mortgagee.

It is also expressly covenanted that the mortgagee may become the purchaser of said property, or any part thereof, at any sale made under any of the terms of this mortgage.

The mortgagor does hereby covenant and agree that he will, upon demand for possession of said property or any part thereof under any of the provisions hereof, deliver and surrender possession thereof to the mortgagee and that he will hold the mortgagee free and harmless from any damage of any nature whatsoever which may be sustained by the said mortgagor by reason of the mortgagee taking possession of the mortgaged property under any of the terms or conditions of this mortgage.

The mortgagor further expressly covenants and agrees for himself and his heirs, executors, administrators, successors and assigns, to repay to the mortgagee, its successors and assigns, upon demand, any and all sums which may be advanced by the mortgagee under any of the terms of this mortgage, together with interest thereon at the rate of eight (8%) per cent. per annum, from date of payment until repaid to mortgagee.

All of the covenants, terms, conditions, promises and obligations of the mortgagor herein set forth are hereby agreed to be the joint and several covenants, terms, conditions, promises and obligations of each of the parties hereto.

Every covenant, stipulation and agreement herein contained shall bind and inure to the benefit of the said mortgagor and mortgagee and their respective heirs, executors, administrators, successors and assigns.

IN WITNESS WHEREOF, the mortgagor has executed these presents the day and year first above written.
