the sales of any of the property hereinabove described after the recordation of said notice. Provided further, that in the sale of said personal property, the said trustee may, without foreclosure, and without legal proceedings therefor, and with the aid or assistance of any person or persons, enter upon the premises and ranges of the grantor, or ~~such place or~~ places as any of the property subject to the lien of this trust deed may be found, and take, lead, drive, or carry away the livestock hereinabove described or any part thereof, and with or without notice to the said grantor at either public or private sale, sell and dispose of the same or so much thereof as may be necessary to pay the amount and sums secured by the deed of trust for the best price obtainable. That out of the moneys arising therefrom the said trustee shall retain and pay the sum or sums then due or payable under the lien of the mortgage, and interest thereon, and all charges and expenses incurred in gathering, forwarding, caring for, and selling the property or any part thereof, and any other expenses and charges incurred by the beneficiaries, or either of them, or by this trustee, and all other sums secured by any of the terms of this deed of trust, and any over-plus shall be paid to the grantor. The trustee is expressly authorized and empowered upon any such sale to make and execute such bills of sale or other conveyances necessary to convey to the purchaser or purchasers thereof an absolute title in the livestock so sold. It shall not be necessary for the purchaser or purchasers at any such sale or sales purported to be made under the powers granted hereunder, to inquire into or in any way be or become responsible for the actual existence of the contingency or contingencies upon which such sale or sales shall be made by the trustee, and the title to the purchaser or purchasers of the livestock so sold shall be good and sufficient;

and the grantor agrees that the decision of the trustee as to the actual existence of the contingency or contingencies upon which such sale or sales as aforesaid is or may be predicated shall be conclusive and binding upon the said grantor.

Said grantor further covenants and agrees that should said livestock or any part thereof at any time in the opinion of the beneficiaries, or either of them or the trustee, require care, attention, or protection other than that provided by the grantor, then the said beneficiaries, or either of them, or the said trustee may enter or cause entry to be made upon any property where the livestock hereinabove described, or any part thereof, may be found, and assume control, custody and possession of the same, and at the expense of the said grantor care for, protect, and attend to the same in such manner as they may deem necessary.

Said grantor further expressly covenants and agrees that in any sale of any of the property, either real or personal, herein described, at any time subject to the lien of this deed of trust under the terms of the deed of trust or any of the covenants adopted by reference, said property may, at the option of the said beneficiaries, be sold in one lot or parcel or in such other lots or parcels as may be designated by the beneficiaries or either of them; and it is further covenanted and agreed that the beneficiaries may become the purchasers of said property or any part thereof at any sale under any of the terms of the deed of trust.

Said grantor further covenants and agrees that the beneficiaries, or either of them, or the trustee, shall have the right at all times to inspect and examine any personal property which may at any time be subject to the lien of this deed of trust for the purpose of ascertaining whether or not the security given is being lessened, diminished, depleted, or impaired. And

if such inspection or examination shall disclose in the judgment of the beneficiaries, or either of them, or the trustee, the security given or the property hereinabove described, either real or personal, as being lessened or impaired, such condition shall be deemed a breach of the covenants of this deed of trust on the part of the said grantor.

Said grantor further covenants and agrees, in consideration of the premises, that upon the violation of any covenant, condition, or agreement by said grantor to be done or performed which is set forth herein, the said beneficiaries may, at their election, proceed to foreclose this deed of trust in the same manner as they are authorized to proceed upon the violation of any covenant contained in the statutes of the State of Nevada and which have been made a part hereof by reference.

All covenants and agreements contained herein or by reference made a part hereof shall be binding upon the successors and assigns of the said Grantor, and that this indenture shall not be modified in any respect by the amendment or repeal of any law which has been by reference made a part hereof.

IN WITNESS WHEREOF, the said grantor has hereunto caused its corporate name to be hereunto affixed by its duly authorized officers and its corporate seal to be hereunto impressed the day and year first above written.
