Material Site Application

Use of Material Site Permitted

The Nevada State Department of Highways has filed, through the Public Roads Administration an application, Carson City 023083, under Section 17 of the Federal Highway Act of November 9, 1921 (42 Stat. 216, 23 U.S.C. sec. 18), for the use of SE $\frac{1}{4}$ SW $\frac{1}{4}$ sec. 19, and the NE $\frac{1}{4}$ NW $\frac{1}{4}$ sec. 30, T. 21 N., R. 53 E., M.D.M., Nevada, as a source of materials for Federal Aid Secondary Project No. FAS 602.

The application has been examined and found to conform to the regulations.

By memorandum of March 18, 1940, approved by the Secretary of the Interior on April 1, 1940, it was held that no charge should be imposed for the use of material sites to be used in connection with Federal Aid Highways.

Pursuant to Section 17 of the set of November 9, 1921, supra, and the regulations thereunder (43 CFR secs. 244.42 and 244.44), and the regulations of October 3, 1946 (43 CFR sec. 4.275 (11), 11 F.R. 11816), permission is hereby granted the Nevada State Department of Highways to use as a source of road building materials, the land above described and shown on the map filed in the District Land Office at Carson City, Nevada, on September 24, 1947, subject to all valid existing rights, but reserving rights-of-way for canals and ditches constructed under authority of the United States; and further subject to (1) the terms and conditions of the stipulation executed September 24, 1947, as to leasable minerals in the land, (2) to the express condition that the materials taken from the land shall be restricted in their use to Federal Aid Highways, and (3) to the reservation to the United States of all fissionable source materials, in accordance with the provisions of the act of August 1, 1946 (60 Stat. 755).

One tracing map showing the location of the material site and the original hereof will be retained for the files of this Bureau. The duplicate map and one copy hereof are being transmitted to the District Land Office. The Manager will make appropriate notations on his records of the approval of the material site, retaining the map and the copy hereof for the files of his office. Five copies hereof are being forwarded to the Public Roads Administration, which agency will advise the Nevada State Department of Highways of the action taken.

Thos. C. Havell,
Assistant Director.
