The application has been examined and found to conform to the regulations. The land is in Grazing District No. N-1. The Range Manager reports that the approval of the application will not be detrimental to the grazing district administration. The applicant has filed a stipulation with the application for a reservation of all fissionable source materials pursuant to the Act of August 1, 1946 (60 Stat. 755).

By memorandum of March 18, 1940, approved by the Secretary of the Interior on April 8, 1940, it was held that no charge should be imposed for the use of the right-of-way for Federal Aid Highways.

Special stipulations:

By letter dated June 23, 1953, the State of Nevada, Department of Highways stipulated and agreed to comply with and be bound by the terms and conditions of Title 43, C.F.R. 224.9; (b), (d), (e), and (n), and also agreed to comply with the conditions of the special stipulations relative to halogeton control on highway rights-of-way and on material sites approved December 1, 1952.

Pursuant to Section 17 of the Act of November 9, 1921, supra, the regulation thereunder (244.51 to 244.53 incl.) and to the authority delegated under Director's Order No. 331 of August 31, 1948, the application is approved, subject to all valid existing rights, but reserving rights-of-way for ditches and canals constructed by authority of the United States, and subject to compliance by the permittee and its contractors with Executive Order 9346 of May 27, 1943 (8 F.R. 7183), and the stipulations filed by the applicant and made a part of the application.
