Bonds.—Where an assignment is of an entire lease which is covered by an outstanding lease bond, it must be accompanied by a new bond or in lieu thereof the consent of the surety on the bond of record to remain bound thereunder with the assignee as the substituted principal. If an undivided lease interest is assigned, the assignment must be accompanied by the consent of the surety on the bond of the assignor to inclusion of the assignee as a joint-principal on the bond, or a new bond with assignor and assignee as a joint-principals may be furnished. Any assignment which does not convey the assignor's record title in all of the lands in the lease must also be accompanied by consent of his surety to remain bound under the bond of record for the lease interest retained by said assignor, if the bond, by its terms, does not contain such consent. If a party to the assignment has previously furnished a Nation-wide bond on either form 4-1167 or 4-1168 applicable to the State and the act under which the lease issued, no additional showing is necessary by such party as to the bond requirement.
- 7. Lease Account.—All rentals and royalties due under a lease must be paid when an assignment is filed, or before the assignment is reached for action, otherwise the lease may be canceled.
- 8. Assignment of Separate Zone or Deposit.—An assignment of a separate zone or deposit or of a part of a legal subdivision will not be approved unless the necessity therefore is established by clear and convincing evidence which must accompany the request for approval of the assignment.
