§1.04. Sinking and Improvement Fund for Bonds of the 1988 Series. As a sinking and improvement fund for the benefit of the Bonds of the 1988 Series, the Company covenants that it will, subject to the provisions hereinafter set forth in this Section, on or before March 31 in each year, beginning with the year 1960 and continuing to and including the year 1987, pay to the Trustee a sum equal to the lowest multiple of \$1,000 which exceeds (or is equal to) one and three-quarters per centum ($1\frac{3}{4}\%$) of the greatest aggregate principal amount of the Bonds of the 1988 Series theretofore outstanding at any one time prior to February 15 next preceding such March 31, after deducting from said greatest aggregate principal amount the sum of the following (a) the aggregate principal amount of Bonds of the 1988 Series theretofore purchased or redeemed by the application of the proceeds of property released from the lien of the Indenture, sold, purchased or taken pursuant to the provisions of Article 6 of the Original Indenture, and (b) the aggregate principal amount of Bonds of the 1988 Series made the basis of the withdrawal of such proceeds pursuant to Article 7 of the Original Indenture.

The payments and the dates upon which payments are required for the sinking and improvement fund as above provided are in this §1.04 referred to as "sinking fund payments" and "sinking fund payment dates", respectively.

The Company shall have the right, subject to conditions herein contained, to satisfy any sinking fund payment in whole or in part by

(a) delivering to the Trustee for the sinking and improvement fund on or prior to the sinking fund payment date Bonds of the 1988 Series theretofore issued and then outstanding, together, in case of coupon Bonds, with all coupons appertaining thereto and unmatured at the time of such delivery;

(b) relinquishing, for the period during which any Bonds of the 1988 Series shall remain outstanding, upon compliance with the provisions set forth below in this §1.04, the right to use for any purpose under the Indenture (i) a net amount of additional property established by additional property certificates filed with the Trustee pursuant to §3.04 (B) of the Original Indenture, not theretofore funded, and equal to 10/6ths of a principal amount of Bonds issuable pursuant to said §3.04 and/or (ii) Bonds retired as evidenced to the Trustee pursuant to §3.05 (B) of the Original Indenture, and not theretofore funded, which net amount of additional property referred to in (i) above and the Bonds referred to in (ii) above shall thereupon become funded within the meaning of §1.01 (cc) (6) of the Original Indenture, so long as any Bonds of the 1988 Series remain outstanding, provided that when no Bonds of the 1988 Series shall be outstanding, all such relinquishment shall cease to be in effect and any net amount of additional property and Bonds which so become funded shall cease to be funded and deemed to be not theretofore funded for any other use under the Indenture, notwithstanding any other provision contained in the Indenture;

(c) redeeming Bonds of the 1988 Series, not theretofore funded, within twelve months prior to the current sinking fund payment date at the Special Redemption Price provided for in §1.03 of this Sixth Supplemental Indenture in anticipation of the current sinking fund payment; and

(d) redeeming Bonds of the 1988 Series, not theretofore funded, at any time at the Regular Redemption Price provided for in §1.03 of this Sixth Supplemental Indenture in anticipation of future sinking fund payments.

Bonds of the 1988 Series delivered to the Trustee pursuant to (a) above, Bonds of any series the right to the authentication and delivery

of which is relinquished pursuant to (b) above, and Bonds of the 1988 Series redeemed as provided in (c) and (d) above, shall be treated as a credit on account of any such sinking fund payment at the principal amount of such Bonds to the extent so used.

The Company shall file with the Trustee on or before February 15 next preceding any sinking fund payment date a certificate of the Company setting forth the methods, if any, referred to in Clauses (a), (b), (c) and (d) above, by which the Company proposes to satisfy such sinking fund payment. Unless the Company files such a certificate on or before the time so required, the sinking fund payment shall be made entirely in cash, or, if the certificate so filed shows that such sinking fund payment is not to be satisfied in whole by one or more of the above methods enumerated in (a) to (d), inclusive, the balance of the sinking fund payment shall be made in cash.

All Bonds of the 1988 Series delivered to the Trustee and credited against any sinking fund payment for such series and all such Bonds redeemed by operation of, or the redemption of which has been made the basis of a credit against, and Bonds of any series the right to the authentication of which, and net amount of additional property the use of which, has been relinquished as a basis for a credit against, this sinking and improvement fund and credited against any sinking fund payment, shall be deemed to be thereupon funded, so long as any Bonds of the 1988 Series are outstanding.

Forthwith after the February 15 preceding each sinking fund payment date on which the Company will be required to make to the Trustee a payment in cash for the sinking and improvement fund, the Trustee shall proceed to select for redemption from the Bonds of the 1988 Series, in the manner provided in Article 4 of the Original Indenture, a principal amount of Bonds of the 1988 Series equal to the aggregate principal amount of Bonds redeemable with such cash payment and, in the name of the Company, shall give notice as required by the provisions of §1.03 of this Sixth Supplemental Indenture of the redemption for the sinking and improvement fund on the then next ensuing

April 1 of the Bonds so selected. On or before the sinking fund payment date next preceding such April 1, the Company shall pay to the Trustee the cash payment required by this Section, plus the amount of all premiums, if any, and interest accrued and payable on the Bonds to be redeemed by the application of such cash payment, and the money so paid shall be applied by the Trustee to the redemption of such Bonds. The Company shall also deliver to the Trustee with the filing of any certificate of the Company heretofore provided for in this Section, or not later than the next succeeding sinking fund payment date, any Bonds specified in said Clause (a) of this Section. In the event any credit is being taken pursuant to Clause (b) of this Section, the Trustee shall be furnished with the following:

(1) A statement of the Company by which it relinquishes, for the period during which any Bonds of the 1988 Series shall remain outstanding under the Indenture, the right to use for any purpose under the Indenture (i) a stated net amount of additional property, not theretofore funded, equal to 10/6ths of a stated principal amount of Bonds, and established by an additional property certificate or certificates filed with the Trustee pursuant to §3.04 (B) of the Original Indenture, and/or (ii) a stated principal amount of Bonds retired as evidenced to the Trustee pursuant to §3.05 (B) of the Original Indenture, not theretofore funded. In establishing Bonds and/or a net amount of additional property for use pursuant to this §1.04, the Company need not file any documents required by the provisions of §3.02 of the Original Indenture, except as provided below. If the Company is acting under (i) and/or (ii) above, such statement shall set forth statements which would be required by Subdivision (a) of §3.02 of the Original Indenture, in connection with an application for the authentication and delivery of Bonds pursuant thereto, subject to appropriate changes in language to show that the purpose is the relinquishment of the right to have authenticated a specified principal amount of Bonds in lieu of authentication.

(2) The documents and other things required to be furnished the Trustee by the provisions of §3.04 (B) and/or §3.05 (B) of

the Original Indenture (other than those required by §3.02 of the Original Indenture) if any, not theretofore furnished, and such statement shall be deemed an application as that word is used in the definition of credit certificate in §1.01 (dd) of the Original Indenture, as modified by §2.01 of the Second Supplemental Indenture and in §3.04 (C) (b) of the Original Indenture.

(3) A resolution of the Board of Directors authorizing the relinquishment which is being effected by such statement.

The Company shall pay to the Trustee an amount equal to the interest and premium, if any, on the Bonds of the 1988 Series to be redeemed for this sinking and improvement fund as provided in this §1.04 and upon request of the Trustee from time to time, will also pay to the Trustee an amount equal to the cost of giving notice of redemption of such Bonds of the 1988 Series and any other expense of operation of such fund, the intention being that such fund shall not be charged for interest, premium and such expenses.

§1.05. Restrictions on Payment of Dividends on Common Stock. The Company will not (a) declare or pay any dividend (other than dividends payable in common stock of the Company) on or make any other distribution in respect of any shares of the common stock of the Company; or (b) purchase, redeem, retire or otherwise acquire for a consideration (other than in exchange for or from the proceeds of other shares of capital stock of the Company) any shares of capital stock of the Company of any class, except to the extent required to comply with any sinking or purchase fund which may now exist or hereafter be established for any class of Preferred Stock of the Company, if the aggregate amount so declared, paid, distributed or expended after December 31, 1956 would exceed the aggregate amount of the net income of the Company available for dividends on its common stock accumulated after December 31, 1956, plus the sum of \$700,000.

Net income of the Company, available for dividends on its common stock for the purpose of this Section shall mean the sum of (i) the total operating revenues of the Company, less the total operating expenses taxes (including income, excess profits and other taxes based on or measured by income or undistributed earnings or income), interest charges and other appropriate items, including provision for maintenance, and provision for depreciation in an amount which shall not be less than any provision for depreciation provided for in the Indenture, after provision for all dividends accrued on any outstanding stock of the Company having preference over the common stock as to dividends, determined in accordance with sound accounting practice and (ii) other net income of the Company. In determining such net income of the Company no deduction or adjustment shall be made for or in respect of any charges which under sound accounting practice are not appropriate deductions in determining net income and, without limiting the generality of the foregoing, no deduction or adjustment shall be made for or in respect of (a) premiums, discounts and expenses in connection with the issuance of securities of the Company, and expenses in connection with the redemption or retirement of any securities issued by the Company, including any amount paid in excess of the principal amount or par or stated value of securities redeemed or retired, or, in the event that such redemption or retirement is effected with the proceeds of sale of other securities of the Company, interest or dividends on the securities redeemed or retired from the date on which the funds required for such redemption or retirement are deposited in trust for such purpose to the date of redemption or retirement; (b) profits or losses from sales of property or other capital assets or from the reacquisition of any securities of the Company, or taxes on or in respect of any such profits; (c) any change in the book value of, or any appreciation or diminution in the value of, any assets owned by the Company; (d) charges for the elimination or amortization of utility plant adjustments or utility plant acquisition adjustments or other intangibles except any such charges amortized

on a monthly, quarterly, semi-annual, annual or other regular periodic basis; or (e) any earned surplus adjustment (including tax adjustments) applicable to any period prior to January 1, 1967.

§1.06. Forms of Bonds of the 1988 Series. The coupon Bonds of the 1988 Series, the coupons appertaining thereto, the registered Bonds of said series, and the Trustee's authentication certificate on all Bonds of said series, shall be substantially in the forms following, respectively:

SIERRA PACIFIC POWER COMPANY
 Incorporated under the laws of the State of Maine
 First Mortgage Bond, 4½% Series due 1988
 Due April 1, 1988

SIERRA PACIFIC POWER COMPANY, a Maine corporation (hereinafter sometimes called the "Company" which term shall include any successor corporation as defined in the Indenture hereinafter mentioned), for value received, hereby promises to pay to the bearer or, in case this bond be registered, to the registered owner hereof, One Thousand Dollars on April 1, 1988, and to pay interest thereon from April 1, 1958, at the rate of four and one-half per centum (4½%) per annum, semi-annually on the first day of April and on the first day of October in each year until payment of the principal hereof, payable until maturity only upon surrender of the respective coupons attached hereto as they severally become due.

Both principal of and interest on this bond will be paid in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, at the principal office of The New England Trust Company (hereinafter sometimes called the "Trustee") in the City of Boston, Massachusetts, or its successor in trust, or, at the option of the bearer of the coupons, such interest will be paid at the office or agency of the Company in the Borough of Manhattan, City and State of New York.

This bond is one of the bonds, of a series designated as 4½% Series due 1988 (herein sometimes referred to as the "Bonds of the 1988 Series"), of an authorized issue of bonds of the Company, known as First Mortgage Bonds, not limited as to maximum aggregate principal amount except as otherwise provided in the Indenture hereinafter mentioned, all issued or issuable in one or more series (which several series may be of different denominations, dates and tenor) under and equally secured (except insofar as a sinking fund established in accordance with the provisions of said Indenture may afford additional security for the bonds of any specific series) by an Indenture of Mortgage dated as of December 1, 1940, duly executed and delivered by the Company to The New England Trust Company and Leo W. Huegle (now Fletcher C. Chamberlin by succession), as Trustees, as supplemented and modified by the First Supplemental Indenture, dated as of August 1, 1947, and by the Second Supplemental Indenture, dated as of April 1, 1948, and as supplemented by all other indentures supplemental thereto, including a Sixth Supplemental Indenture dated as of April 1, 1958, executed and delivered by the Company to said Trustees, to which Indenture of Mortgage and all indentures supplemental thereto (herein sometimes collectively called the "Indenture") reference is hereby made for a description of the property mortgaged and pledged as security for said bonds, the rights and remedies and limitations on such rights and remedies of the bearer or registered owner of this bond in regard thereto, the terms and conditions upon which said bonds and the coupons appurtenant thereto are secured thereby, the terms and conditions upon which additional bonds and coupons may be issued thereunder and the rights, immunities and obligations of the Trustees under said Indenture.

Said Indenture, among other things, provides that no bondholder or bondholders may institute any suit, action or proceeding for the collection of this bond, or any coupon appurtenant thereto or claim for interest thereon, or to enforce the lien of said Indenture, if and to the extent that the institution or prosecution thereof or the entry of a judgment or a decree therein would, under applicable law, result in the surrender, impairment, waiver or loss of the lien of said Indenture upon any property subject thereto.

The Bonds of the 1988 Series are subject to redemption prior to maturity as a whole at any time, or in part from time to time, (a) at

the option of the Company upon payment of the applicable percentage of the called principal amount thereof during the respective periods set forth in the tabulation below under the heading "Regular Redemption Price"; and (b) by operation of the sinking and improvement fund provided for in the Sixth Supplemental Indenture and (in the instances provided in the Indenture) by application of cash received by the Trustees, if all or substantially all of the properties used by the Company in the conduct of certain classes of business thereof are sold to or taken through the exercise of the right of eminent domain or the right to purchase by any municipal or governmental body or agency, upon payment of the applicable percentage of the called principal amount thereof during the respective periods set forth in the tabulation below under the heading "Special Redemption Price":

together in any case with interest accrued on said principal amount to the date fixed for redemption; upon prior notice (unless waived as provided in the Indenture) given by publication at least once each week for three (3) successive calendar weeks (the first publication to be not less than thirty (30) days nor more than ninety (90) days prior to the

redemption date), in a newspaper, printed in the English language, customarily published at least five days a week, excluding legal holidays, and of general circulation in the City of Boston, Massachusetts, and in a similar newspaper published and of general circulation in the Borough of Manhattan, City and State of New York, and in a similar newspaper published and of general circulation in each of the other city or cities, if any, where interest on the bonds of this series shall at the time be payable; provided that if all of the bonds of this series at the time outstanding shall be registered bonds without coupons and/or coupon bonds registered as to principal, such notice may be given by mail in lieu of such publication; all as more fully provided in the Indenture.

If this bond is called for redemption and payment duly provided for as specified in the Indenture this bond shall cease to be entitled to the lien of said Indenture from and after the date payment is so provided and shall cease to bear interest from and after the date fixed for redemption.

The bonds of this series are entitled to the benefit of the sinking and improvement fund for bonds of this series provided for in said Sixth Supplemental Indenture.

To the extent permitted and as provided in said Indenture, modifications or alterations of said Indenture, or of any indenture supplemental thereto, and of the bonds issued thereunder and of the rights and obligations of the Company and the rights of the bearers or registered owners of the bonds and coupons, may be made with the consent of the Company and with the written approvals or consents of the bearers or registered owners of not less than seventy-five per centum (75%) in principal amount of the bonds outstanding, and unless all of the bonds then outstanding under said Indenture are affected in the same manner and to the same extent by such modification or alteration, with the written approvals or consents of the bearers or registered owners of not less than seventy-five per centum (75%) in principal amount of the bonds of each series outstanding, provided, however, that no such alteration or modification shall, without the written approval or consent of the bearer or registered owner of any bond affected thereby, (a) impair or affect the right of such bearer or registered owner to receive payment of the principal of and interest on such bond, on or after the respective due dates expressed in such bond, or to institute suit for the enforcement of any such payment on or after

such respective dates, except that the holders of not less than seventy-five per centum (75%) in principal amount of the bonds outstanding may consent on behalf of the bearers or registered owners of all of the bonds to the postponement of any interest payment for a period of not exceeding three (3) years from its due date, or (b) deprive any bearer or registered owner of the bonds of a lien on the mortgaged and pledged property, or (c) reduce the percentage of the principal amount of the bonds upon the consent of which modifications or alterations may be effected as aforesaid.

This bond shall pass by delivery, except that it may be registered as to principal from time to time at the option of the bearer on registration books to be kept for the purpose at the principal office of the Trustee, such registration being noted hereon, and if so registered shall pass only by transfer upon such books by the registered owner or his duly authorized attorney, similarly noted hereon, unless such transfer shall have been made and registered to bearer and noted hereon, in which case it shall again pass by delivery until again registered. Such registration of this bond as to principal shall not affect the negotiability of its coupons, which shall remain payable to bearer, be treated as negotiable and pass by delivery, whether or not this bond is registered.

Coupon bonds of this series, bearing all unmatured coupons, may be exchanged at said office of the Trustee for registered bonds of the same series without coupons for a like aggregate principal amount in authorized denominations, upon payment, if the Company shall so require, of the charges provided for in the Indenture and subject to the terms and conditions therein set forth.

In case an event of default as defined in said Indenture shall occur, the principal of this bond may become or be declared due and payable before maturity in the manner and with the effect provided in said Indenture. The holders, however, of certain specified percentages of the bonds at the time outstanding, including in certain cases specified percentages of bonds of particular series, may in the cases, to the extent and under the conditions provided in said Indenture, waive defaults thereunder and the consequences of such defaults.

In case all or substantially all of the electric properties of the Company are sold to or taken through the exercise of the right of eminent domain or the right to purchase by any municipal or governmental body or agency, the principal of this bond will, upon receipt

27

by the Company of payment or compensation, become due and payable before maturity at the then applicable special redemption price and accrued interest thereon, all as provided in said Indenture.

It is part of the contract herein contained that each bearer or registered owner hereof by the acceptance hereof waives all right of recourse to any personal liability of any incorporator, stockholder, officer or director, past, present or future, of the Company, as such, or of any predecessor or successor corporation, howsoever arising, for the collection of any indebtedness hereunder; and as a part of the consideration for the issue hereof releases from all such liability each such incorporator, stockholder, officer or director, all as provided in said Indenture.

Neither this bond nor any of the coupons for interest hereon shall become or be valid or obligatory for any purpose until the authentication certificate endorsed hereon shall have been signed by the Trustee.

IN WITNESS WHEREOF, SIERRA PACIFIC POWER COMPANY has caused these presents to be executed in its name and behalf by its President or a Vice President and its corporate seal, or a facsimile thereof, to be hereunto affixed and attested by its Secretary or an Assistant Secretary, and has likewise caused the annexed coupons to be authenticated by a facsimile of the signature of its Treasurer, all as of the first day of April, 1958.

together in any case with interest accrued on said principal amount to the date fixed for redemption; upon prior notice (unless waived as provided in the Indenture) given by publication at least once each week for three (3) successive calendar weeks (the first publication to be not less than thirty (30) days nor more than ninety (90) days prior to the redemption date), in a newspaper, printed in the English language, customarily published at least five days a week, excluding legal holidays, and of general circulation in the City of Boston, Massachusetts, and in a similar newspaper published and of general circulation in the Borough of Manhattan, City and State of New York, and in a similar newspaper published and of general circulation in each of the other city or cities, if any, where interest on the bonds of this series shall at the time be payable; provided that if all of the bonds of this series at the time outstanding shall be registered bonds without coupons and/or coupon bonds registered as to principal, such notice may be given by mail in lieu of such publication; all as more fully provided in the Indenture.

If this bond or any portion thereof (One Thousand Dollars or any multiple thereof) is duly designated for redemption, if payment of the principal hereof or of such portion with accrued interest and premium, if any, is provided for, and if notice of such redemption shall have been duly given, provided for or waived, all as specified in the Indenture, this bond or such portion shall cease to be entitled to the lien of the Indenture from and after the date such payment and notice are irrevocably so provided for and shall cease to bear interest from and after the date fixed for redemption.

In the event of the selection for redemption of a portion only of the principal of this bond, payment of the redemption price will be made only (a) upon presentation of this bond for notation hereon of such payment of the portion of the principal of this bond so called for redemption, or (b) upon surrender of this bond in exchange for a bond or bonds, in either registered or coupon form (but only of authorized denominations of the same series), for the unredeemed balance of the principal amount of this bond.

The bonds of this series are entitled to the benefit of the sinking and improvement fund for bonds of this series provided for in said Sixth Supplemental Indenture.

To the extent permitted and as provided in said Indenture, modifications or alterations of said Indenture, or of any indenture supplemental thereto, and of the bonds issued thereunder and of the rights

and obligations of the Company and the rights of the bearers or registered owners of the bonds and coupons, may be made with the consent of the Company and with the written approvals or consents of the bearers or registered owners of not less than seventy-five per centum (75%) in principal amount of the bonds outstanding, and unless all of the bonds then outstanding under said Indenture are affected in the same manner and to the same extent by such modification or alteration, with the written approvals or consents of the bearers or registered owners of not less than seventy-five per centum (75%) in principal amount of the bonds of each series outstanding, provided, however, that no such alteration or modification shall, without the written approval or consent of the bearer or registered owner of any bond affected thereby, (a) impair or affect the right of such bearer or registered owner to receive payment of the principal of and interest on such bond, on or after the respective due dates expressed in such bond, or to institute suit for the enforcement of any such payment on or after such respective dates, except that the holders of not less than seventy-five per centum (75%) in principal amount of the bonds outstanding may consent on behalf of the bearers or registered owners of all of the bonds to the postponement of any interest payment for a period of not exceeding three (3) years from its due date, or (b) deprive any bearer or registered owner of the bonds of a lien on the mortgaged and pledged property, or (c) reduce the percentage of the principal amount of the bonds upon the consent of which modifications or alterations may be effected as aforesaid.

This bond is transferable by the registered owner hereof in person or by his duly authorized attorney, at the principal office of the Trustee, upon surrender of this bond for cancellation and upon payment, if the Company shall so require, of the charges provided for in the Indenture, and thereupon a new registered bond of the same series of like principal amount will be issued to the transferee in exchange therefor.

The registered owner of this bond at his option may surrender the same for cancellation at said office and receive in exchange therefor the same aggregate principal amount of registered bonds of the same series but of other authorized denominations, or coupon bonds of the same series of the denomination of One Thousand Dollars, upon payment, if the Company shall so require, of the charges provided for in the Indenture and subject to the terms and conditions therein set forth.

In case an event of default as defined in said Indenture shall occur, the principal of this bond may become or be declared due and payable before maturity in the manner and with the effect provided in said Indenture. The holders, however, of certain specified percentages of the bonds at the time outstanding, including in certain cases specified percentages of bonds of particular series, may in the cases, to the extent and under the conditions provided in said Indenture, waive defaults thereunder and the consequences of such defaults.

In case all or substantially all of the electric properties of the Company are sold to or taken through the exercise of the right of eminent domain or the right to purchase by any municipal or governmental body or agency, the principal of this bond will, upon receipt by the Company of payment or compensation, become due and payable before maturity at the then applicable special redemption price and accrued interest thereon, all as provided in said Indenture.

It is part of the contract herein contained that each registered owner hereof by the acceptance hereof, waives all right of recourse to any personal liability of any incorporator, stockholder, officer or director, past, present or future, of the Company, as such, or of any predecessor or successor corporation, howsoever arising, for the collection of any indebtedness hereunder; and as a part of the consideration for the issue hereof releases from all such liability each such incorporator, stockholder, officer or director, all as provided in said Indenture.

This bond shall not become or be valid or obligatory for any purpose until the authentication certificate endorsed hereon shall have been signed by the Trustee.

IN WITNESS WHEREOF, SIERRA PACIFIC POWER COMPANY has caused these presents to be executed in its name and behalf by its President or a Vice President and its corporate seal, or a facsimile thereof, to be hereunto affixed and attested by its Secretary or an Assistant Secretary, all as of
