in the unknown Mining District
Eureka Lode County, State of Nevada

the location being described and marked on the ground as follows, to-wit:

Beginning 28 feet N of this location (Discovery) Monument, at the N end center monument, and running thence South 73° E 300 feet to NE corner of monument No. 1; thence South 75° E 1500 feet to SE corner of monument No. 2; thence W 300 feet to S end center monument; thence W 300 feet to SW corner of monument No. 3; thence N 75° E 1500 feet to NW corner of monument No. 4; thence E 300 feet to place of beginning; including all Dips, Spurs, Angles and variations

This claim is located about 10 miles S-W of Eureka from what is known as the J. D. Ranch of the discovery is about 30 feet east from a old shaft A from and Pump Bin

The above described Mining Claim shall be known as the

Silver Top #1

Located this 20th day of May, 1964

NOTE

◆ **DIAGRAM OF CLAIM**—The location (discovery point) and corner monuments should be designated on the accompanying diagram to make the record of claim more perfect.

A mining claim must not exceed 1500 feet in length along the vein or lode, by 600 feet in width, 300 feet on each side of center of vein at surface.

No location of a mining claim can be made until the discovery of the vein or lode within the limits of the ground claimed.

The claim must be distinctly marked on the ground, so its boundaries can be readily traced.

A severe penalty is provided by law for removing or defacing the stakes or monuments of a mining claim.

Claims located on Sunday or holidays are legal.

All valuable mineral deposits in lands of the Government are locatable by citizens of the United States only, and those who have declared their intentions to become such.

This location notice must be filed for Record with the County Recorder of the County in which claim is located.
