

CERTIFICATE OF LOCATION

Revised Laws, Sec. 2424

The Undersigned, hereby certifies that he has located a mining claim in the unknown Mining District, County of Eureka, State of Nevada, on a vein or lode known as the BENCHMARK NO. 6

The general course of said lode or vein, as near as it may be described, is about S 50° E

The name of the locator is Julian E. Simpson, whose address is Box 305, Corte Madera, California

The said claim was located on the 21st day of March, 1965 A. D. 1965, and is described in respect to from corner no. 1 of Benchmark No. 6 the SE corner of Section 23, T22N, R50E, Mt. Diablo Meridian, bears about S 43° E, approximately 12,800 feet. Corner no. 2 of Benchmark No. 6 is identical with corner No. 1 of Benchmark No. 7, corner no. 3 of Benchmark No. 2 and corner No. 4 of Benchmark No. 3.

The locator's claim is 1500 feet in length on said lode, 665 feet running about S 50° E from the center of the discovery monument and 835 feet running about E 50° W from the center of the discovery monument along the course of said vein or lode each way from the point of discovery with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and location of the discovery shaft work is an open cut and excavation along the lode, the size of which exceeds 7 feet by 12 feet by 25 feet, located at the discovery monument, and excavation work done at various points on Benchmark No. 6 and Benchmark No. 3 claims which are contiguous, such work aggregating in excess of \$ 200 cost for the two contiguous claims.

and the location and description of each corner with the markings thereon are as follows:

The northwest no. 1 corner is marked by a 4"x 4" redwood post 4 1/2 feet high and is inscribed B6/1X corner of Benchmark No. 6 mine:
the northeast No. 2 corner is marked by a 4"x 4" redwood post 4 1/2 feet high and is inscribed B6/2X corner of Benchmark No. 6 mine.
The southeast no. 3 corner is marked by a 4"x 4" redwood post 4 1/2 feet high, inscribed B6/3X corner Benchmark 6 mine: the southwest no. 4 corner is marked by a 6" dia. juniper post 4 1/2 feet high, inscribed B6/4X corner Benchmark No. 6 mine. There is a 4"x 4"x 4 1/2' redwood post marked NSC, and topped 8" dia. 1 1/2" pinon marked at each corner of each line. The discovery work has been done and the location work completed since April 16, 1965

Dated MAY 12, A. D. 1965

* If a natural object, fill in blank with its description. If a permanent monument, describe it.
† The statute contemplates a shaft or what practically answers the same purpose; in prospecting a mine state the depth and dimensions. The statute contemplates that digging work shall be done. The word "sunk" is used.
‡ The statute uses the word "location" in connection with "corners." That is to say, the geographical place of the corners, to-wit: at White Gulch or Soda Lake, near its head, etc.
§ Corner of each of the four corners, with the blazings, markings, markers, etc.
¶ Any record of location which does not contain all the requirements of the statute is void.
