Ussram Exploration Company caused to be performed and made on or for the benefit of said claims the annual labor and improvements required by the laws of the United States and the State of Nevada for the assessment year ended at 12:00 o'clock Meridian, September 1, 1965.

There was expended for said labor and improvements and they are of a value in excess of One Thousand Four Hundred Dollars (\$1,400.00); and they were performed and made by the Worthington Construction Company and Sprague and Henwood Inc., under contracts with Ussram Exploration Company and at the expense of said Ussram Exploration Company.

The said labor was performed and improvements made between August 25, 1965, and 12:00 o'clock Meridian, September 1, 1965, and consisted of: first, bulldozing access roads on and over said Sunshain Nos. 1, 2, 3, 4, 5, 6, 9, 10 and 11 claims; second, in drilling Hole S-9-1, situated on said Sunshain No. 9 claim, from surface to a depth of 70 feet; third, in drilling Hole S-10-2, situated on said Sunshain No. 10 claim, from surface to a depth of 70 feet.

The above named and described unpatented mining claims comprise a contiguous group of lode mining claims owned in common by Ussram Exploration Company. The said labor was performed and improvements made for the benefit of each and all of said mining claims comprising said contiguous group as a part of a general plan of development, and they tend to improve and develop each and all of said mining claims. The amount expended for

and the value of said labor and improvements is not less than One Hundred Dollars (\$100.00) for each of the mining claims comprising said contiguous group. The said expenditure was made in good faith for the purpose of developing said contiguous group of mining claims and was intended as annual labor and improvements for each and all of the above named and described unpatented lode mining claims.
