

LOCATION CERTIFICATE

This is to certify that the MORT. NO. 10 lode mining claim was located by M. H. White on the 10th day of November, 1965.

The general course of said vein or lode, as near as it may be described is East and West.

The claim is situated in the Maggie Creek mining district, Eureka County, State of Nevada, and the discovery monument is located approximately North 665 1/2 feet and west 1350 feet from the SE corner Section 34, T. 34 N.; R. 51 E.; M. D. B. & M.

The locator claims 100 feet in a West direction and 1400 feet in a east direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: A rotary drill hole, 555 feet deep, on the Mort. No. 12 claim, and costing more than \$600.00.

Such work was done at one point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of claims are as follows: Mort Nos. 10, 11, 12, 13, 14 and 15.

The corners and side centers of this claim are located and marked as follows:

Beginning at the northwest corner, a 4"x4"x4 1/2' wood post marked N.W. corner Mort No. 10; thence east 750 feet, north side center, a 4"x4"x4 1/2' wood post marked N side center, Mort. No. 10, 1500 feet to the NE corner, a 4"x4"x4 1/2' wood post marked NE corner Mort No. 10; thence south 600 feet to the southeast corner, a 4"x4"x4 1/2' wood post marked SE corner Mort. No. 10; thence west 750 feet, south side center, a 4"x4"x4 1/2' wood post marked S side center, Mort. No. 10, 1500 feet to the SW corner, a 4"x4"x4 1/2' wood post marked SW corner Mort. No. 10; thence North 600 feet to the northwest corner, the place of beginning.

The North side line of this claim is contiguous with the South side line of the Mort. No. 21 claim; the east end line is contiguous with the partial west line of Section 35; the south side line is contiguous with the north side line of the Mort No. 12 claim; the west end line is contiguous with the east end line of the Mort. No. 11 claim.

All location work necessary to complete this location had been performed by December 21, 1965.

Dated this 27th day of January, 1966

LOCATION CERTIFICATE

This is to certify that the MORT. NO. 11 lode mining claim was located by M. H. White on the 10th day of November, 1965.

The general course of said vein or lode, as near as it may be described is East and West.

The claim is situated in the Maggie Creek mining district, Eureka County, State of Nevada, and the discovery monument is located approximately north 665 1/2 feet and west 1550 feet from the SE corner Section 34, T. 34 N.; R. 51 E.; M. D. B. & M.

The locator claims 100 feet in a east direction and 1400 feet in a west direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: A rotary drill hole, 555 feet deep, on the Mort. No. 12 claim, and costing more than \$600.00.

Such work was done at One point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of claims are as follows: Mort. Nos. 10, 11, 12, 13, 14 and 15.

The corners and side centers of this claim are located and marked as follows:

Beginning at the northwest corner, a 4"x4"x4 1/2' wood post marked N.W. corner Mort. No. 11; thence east 750 feet, north side center, a 4"x4"x4 1/2' wood post marked N side center, Mort. No. 11, 1500 feet to the NE corner, a 4"x4"x4 1/2' wood post marked NE corner Mort. No. 11; thence South 600 feet to the Southeast corner, a 4"x4"x4 1/2' wood post marked SE corner Mort. No. 11; thence west 750 feet, south side center, a 4"x4"x4 1/2' wood post marked S side center, Mort. No. 11, 1500 feet to the SW corner, a 4"x4"x4 1/2' wood post marked SW corner Mort. No. 11; thence North 600 feet to the northwest corner, the place of beginning.

The north side line of this claim is contiguous with the south side line of the Mort. No. 22 claim; the east end line is contiguous with the west end line of the Mort. No. 10 claim; the south side line is contiguous with the north side line of the Mort. No. 13 claim; the west end line is contiguous with the east end line of the Mort. No. 14 claim.

All location work necessary to complete this location had been performed by M. H. White December 21, 1965.

Dated this 27th day of January, 1966.

LOCATION CERTIFICATE

This is to certify that the MORT NO. 13 lode mining claim was located by M. H. White on the 10th day of November, 1965.

The general course of said vein or lode, as near as it may be described is east and west.

The claim is situated in the Maggie Creek mining district, Eureka County, State of Nevada, and the discovery monument is located approximately north 85 1/2 feet and west 1550 feet from the SE corner section 34, T. 34 N.; R. 51 E.; M. D. B. & M.

The locator claims 100 feet in a east direction and 1400 feet in a west direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: a rotary drill hole, 555 feet deep, on the Mort No. 12, claim, and costing more than \$600.00.

Such work was done at one point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of claims are as follows: Mort. Nos. 10, 11, 12, 13, 14 and 15.

The corners and side centers of this claim are located and marked as follows:

Beginning at the northwest corner, a 4"x4"x4 1/2' wood post marked N.W. corner Mort. No. 13; thence east 750 feet, north side center, a 4"x4"x4 1/2' wood post marked N side center, Mort. No. 13, 1500 feet to the NE corner, a 4"x4"x4 1/2' wood post marked NE corner Mort. No. 13; thence south 600 feet to the southeast corner, a 4"x4"x4 1/2' wood post marked SE corner Mort. No. 13; thence west 750 feet, south side center, a 4"x4"x4 1/2' wood post marked S side center, Mort. No. 13, 1500 feet to the SW corner, a 4"x4"x4 1/2' wood post marked SW corner Mort. No. 13; thence north 600 feet to the northwest corner, the place of beginning.

The north side line of this claim is contiguous with the south side line of the Mort. No. 11 claim; the east end line is contiguous with the west end line of the Mort. No. 12 claim; the south side line is contiguous with the north side line of the Mort. No. 15 claim; the end line is contiguous with the end line of the claim.

All location work necessary to complete this location had been performed by December 21, 1965.

Dated this 27th day of January, 1966.

LOCATION CERTIFICATE

This is to certify that the MORT NO. 18 lode mining claim was located by M. H. White on the 12th day of January, 1966.

The general course of said vein or lode, as near as it may be described is east and west.

The claim is situated in the Maggie Creek mining district, Eureka County, State of Nevada, and the discovery monument is located approximately south 62 1/2 feet and west 280 feet from the E 1/4 corner Section 34, T. 34 N.; R. 51 E.; M. D. B. & M.

The locator claims 100 feet in a east direction and 1400 feet in a west direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: a rotary drill hole, 265 feet deep as of January 26th, on the Mort No. 21 claim, and costing more than \$500.00.

Such work was done at one point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of claims are as follows: Mort. Nos. 18, 19, 20, 21 and 22.

The corners and side centers of this claim are located and marked as follows:

Beginning at the northwest corner, a 4"x4"x4 1/2' wood post marked N.W. corner Mort. No. 18; thence east 750 feet, north side center, a 4"x4"x4 1/2' wood post marked N. side center, Mort. No. 18, 1500 feet to the NE corner, a 4"x4"x4 1/2' wood post marked NE corner Mort. No. 18; thence south 600 feet to the southeast corner, a 4"x4"x4 1/2' wood post marked SE corner Mort. No. 18; thence west 750 feet, south side center, a 4"x4"x4 1/2' wood post marked S side center, Mort No. 18, 1500 feet to the SW corner, a 4"x4"x4 1/2' wood post marked SW corner Mort. No. 18; thence north 600 feet to the northwest corner, the place of beginning.

The north side line of this claim overlaps the Good Hope No. 7 and Elements claims; the east end line is contiguous with the partial west side line of the Mort. No. 9 claim; and overlaps the Good Hope No. 7 claim; the south side line is contiguous with the north side line of the Mort. No. 19 claim; overlaps the Elements claim; the west end line overlaps the Elements claim.

All location work necessary to complete this location had been performed by

January 26, 1966. Dated this 28th day of January, 1966.

LOCATION CERTIFICATE

This is to certify that the **MORT. NO. 19** lode mining claim was located by **M. H. White** on the **12th** day of **January**, 1966.

The general course of said vein or lode, as near as it may be described is **east and west**.

The claim is situated in the **Maggie Creek** mining district, **Eureka** County, State of Nevada, and the discovery monument is located approximately **south 642 1/2 feet and west 280 feet from the E 1/2 corner Section 34, T. 34 N.; R. 51 E.; M. D. B. & M.**

The locator claims **100** feet in a **east** direction and **1400** feet in a **west** direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: **a rotary drill hole, 265 feet deep as of January 26th, on the Mort No. 21 claim, and costing more than \$500.00.**

Such work was done at **one** point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of claims are as follows: **Mort. Nos. 18, 19, 20, 21 and 22.**

The corners and side centers of this claim are located and marked as follows:

Beginning at the northwest corner, a **4"x4"x4 1/2'** wood post marked **N.W. corner Mort No. 19**; thence **east 750** feet, **north** side center, a **4"x4"x4 1/2'** wood post marked **N. side center, Mort No. 19, 1500** feet to the **NE** corner, a **4"x4"x4 1/2'** wood post marked **NE corner Mort No. 19**; thence **south 600** feet to the **southeast** corner, a **4"x4"x4 1/2'** wood post marked **SE corner Mort No. 19**; thence **west 750** feet, **south** side center, a **4"x4"x4 1/2'** wood post marked **S. side center, Mort No. 19, 1500** feet to the **SW** corner, a **4"x4"x4 1/2'** wood post marked **SW corner Mort No. 19**; thence **north 600** feet to the northwest corner, the place of beginning.

The **north** side line of this claim is contiguous with the **south** side line of the **Mort No. 18** claim and overlaps the Elements claims; the **east** end line is contiguous with the **partial west** line of the **Mort No. 9** claim; the **south** side line is contiguous with the **north** side line of the **Mort No. 20** claim and overlaps the Elements claims; the **west** end line overlaps the Elements claims.

All location work necessary to complete this location had been performed by **January 26, 1966**.

Dated this **28th** day of **January**, 1966.

LOCATION CERTIFICATE

This is to certify that the **MORT NO. 20** lode mining claim was located by **M. H. White** on the **12th** day of **January**, 196. **6**.

The general course of said vein or lode, as near as it may be described is **east and west**.

The claim is situated in the **Maggie Creek** mining district, **Eureka** County, State of Nevada, and the discovery monument is located approximately **south 1222 1/2 feet and west 280 feet from the E 1/4 corner Section 34, T. 34 N.; R. 51 E.; M. D. B. & M.**

The locator claims **100** feet in a **east** direction and **1400** feet in a **west** direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: **a rotary drill hole, 265 feet deep as of January 26th, on the Mort No. 21 claim, and costing more than \$500.00.**

Such work was done at **one** point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of claims are as follows: **Mort. Nos. 18, 19, 20, 21 and 22.**

The corners and side centers of this claim are located and marked as follows:

Beginning at the northwest corner, a **4"x4"x4 1/2'** wood post marked **N.W. corner Mort. No. 20**; thence **east 750** feet, **north** side center, a **4"x4"x4 1/2'** wood post marked **N. side center, Mort. No. 20, 1500** feet to the **NE corner**, a **4"x4"x4 1/2'** wood post marked **NE corner Mort. No. 20**; thence **south 600** feet to the **southeast** corner, a **4"x4"x4 1/2'** wood post marked **SE corner Mort. No. 20**; thence **west 750** feet, **south** side center, a **4"x4"x4 1/2'** wood post marked **S. side center, Mort. No. 20, 1500** feet to the **SW corner**, a **4"x4"x4 1/2'** wood post marked **SW corner Mort. No. 20**; thence **north 600** feet to the northwest corner, the place of beginning.

The **north** side line of this claim is contiguous with the **south** side line of the **Mort. No. 19** claim and overlaps the Elements claims; **600 feet of the West side** the **east** end line is contiguous with the **south** line of the **Mort. No. 9** claim; the **partial south** overlaps the **partial north** side line of the **Mort. No. 21** claim and overlaps the Elements claims; the **west** end line overlaps the Elements claims.

All location work necessary to complete this location had been performed by **January 26, 196. 6**.

Dated this **28th** day of **January**, 196. **6**.

LOCATION CERTIFICATE

This is to certify that the MORT NO. 21 lode mining claim was located by M. H. White on the 11th day of January, 1966.

The general course of said vein or lode, as near as it may be described is east and west.

The claim is situated in the Maggie Creek mining district, Eureka County, State of Nevada, and the discovery monument is located approximately north 1100 1/2 feet and west 100 feet from the SE corner Section 34, T. 34 N., R. 51 E., M. D., B. & M.

The locator claims 100 feet in a east direction and 1400 feet in a west direction from the point of discovery, with 160 feet south and 200 feet north on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: a rotary drill hole, 265 feet deep as of January 26th, on the Mort No. 21 claim, and costing more than \$500.00.

Such work was done at one point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of claims are as follows: Mort Nos. 18, 19, 20, 21 and 22.

The corners and side centers of this claim are located and marked as follows:

Beginning at the northwest corner, a 4"x4"x4 1/2' wood post marked N.W. corner Mort No. 21; thence east 750 feet, north side center, a 4"x4"x4 1/2' wood post marked N. side center, Mort No. 21, 1500 feet to the NE corner, a 4"x4"x4 1/2' wood post marked NE corner Mort No. 21; thence south 360 feet to the southeast corner, a 4"x4"x4 1/2' wood post marked SE corner Mort No. 21; thence west 750 feet, south side center, a 4"x4"x4 1/2' wood post marked S. side center, Mort No. 21, 1500 feet to the SW corner, a 4"x4"x4 1/2' wood post marked SW corner Mort No. 21; thence north 360 feet to the northwest corner, the place of beginning.

The partial north side line of this claim overlaps the partial south side line of the Mort No. 20 claim and overlaps the Elements claims; the east end line is contiguous with the partial west line of Section 35; the south side line is contiguous with the north side line of the Mort No. 10 claim; the partial west end line is contiguous with the east end line of the Mort No. 22 claim and overlaps the Elements claims.

All location work necessary to complete this location had been performed by January 26, 1966.

Dated this 28th day of January, 1966.

LOCATION CERTIFICATE

This is to certify that the MORT. NO. 22 lode mining claim was located by M. H. White on the 11th day of January, 1966.

The general course of said vein or lode, as near as it may be described is east and west.

The claim is situated in the Maggle Creek mining district, Eureka County, State of Nevada, and the discovery monument is located approximately north 1015 1/2 feet and west 1550 feet from the SE corner Section 34, T. 34 N.; R. 51 E.; M. D. B. & M.

The locator claims 100 feet in a east direction and 1400 feet in a west direction from the point of discovery, with 75 feet south and 115 feet north on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: a rotary drill hole, 265 feet deep as of January 26th, on the Mort No. 21 claim, and costing more than \$500.00.

Such work was done at one point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of claims are as follows: Mort. Nos. 18, 19, 20, 21 and 22.

The corners and side centers of this claim are located and marked as follows:

Beginning at the northwest corner, a 4"x4"x4 1/2' wood post marked N.W. corner Mort. No. 22; thence east 750 feet, north side center, a 4"x4"x4 1/2' wood post marked N. side center, Mort. No. 22, 1500 feet to the NE corner, a 4"x4"x4 1/2' wood post marked NE corner Mort. No. 22; thence south 190 feet to the southeast corner, a 4"x4"x4 1/2' wood post marked SE corner Mort. No. 22; thence west 750 feet, south side center, a 4"x4"x4 1/2' wood post marked S. side center, Mort. No. 22, 1500 feet to the SW corner, a 4"x4"x4 1/2' wood post marked SW corner Mort. No. 22; thence north 190 feet to the northwest corner, the place of beginning.

The north side line of this claim overlaps the Elements claim; the east end line is contiguous with the part of the Mort. No. 21 claim and overlaps the Elements claim; the south side line is contiguous with the north side line of the Mort. No. 11 claim; the west end line overlaps the Elements claim.

All location work necessary to complete this location had been performed by January 26, 1966.

Dated this 28th day of January, 1966.

LOCATION CERTIFICATE

This is to certify that the MORT NO. 23 lode mining claim was located by M. H. White on the 17th day of January, 1966.

The general course of said vein or lode, as near as it may be described is east and west.

The claim is situated in the Maggle Creek mining district, Eureka County, State of Nevada, and the discovery monument is located approximately south 1654½ feet and west 1350 feet from the SE corner Section 34, T. 34 N.; R. 51 E.; M. D. B. & M.

The locator claims 100 feet in a west direction and 1400 feet in a east direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: a rotary drill hole, 200 feet deep, on the Mort No. 16 claim, and costing more than \$400.00.

Such work was done at one point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of claims are as follows: Mort Nos. 16, 17, 23 and 24.

The corners and side centers of this claim are located and marked as follows:

Beginning at the northwest corner, a 4"x4"x4½' wood post marked N.W. corner Mort. No. 23; thence east 750 feet, north side center, a 4"x4"x4½' wood post marked N. side center, Mort. No. 23, 1500 feet to the NE corner, a 4"x4"x4½' wood post marked NE corner Mort. No. 23; thence south 600 feet to the southeast corner, a 4"x4"x4½' wood post marked SE corner Mort. No. 23; thence west 750 feet, south side center, a 4"x4"x4½' wood post marked S. side center, Mort. No. 23, 1500 feet to the SW corner, a 4"x4"x4½' wood post marked SW corner Mort. No. 23; thence North 600 feet to the northwest corner, the place of beginning.

The northside line of this claim is contiguous with the southside line of the Mort No. 16 claim; the west end line is contiguous with the east end line of the Mort No. 24 claim; the side line is contiguous with the side line of the claim; the end line is contiguous with the end line of the claim.

All location work necessary to complete this location had been performed by January 20, 1966.

Dated this 28th day of January, 1966.

LOCATION CERTIFICATE

This is to certify that the MORT NO. 24 lode mining claim was located by M. H. White on the 17th day of January, 1966.

The general course of said vein or lode, as near as it may be described is east and west.

The claim is situated in the Maggie Creek mining district, Eureka County, State of Nevada, and the discovery monument is located approximately south 165 1/2 feet and west 1550 feet from the SE corner Section 34, T. 34 N.; R. 51 E.; M. D. B. & M.

The locator claims 100 feet in a east direction and 1400 feet in a west direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: a rotary drill hole, 200 feet deep, on the Mort No. 16 claim, and costing more than \$400.00.

Such work was done at one point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of claims are as follows: Mort Nos. 16, 17, 23 and 24.

The corners and side centers of this claim are located and marked as follows:

Beginning at the northwest corner, a 4"x4"x4 1/2' wood post marked N.W. corner Mort No. 24; thence east 750 feet, north side center, a 4"x4"x4 1/2' wood post marked N side center, Mort No. 24, 1500 feet to the NE corner, a 4"x4"x4 1/2' wood post marked NE corner Mort No. 24; thence south 600 feet to the southeast corner, a 4"x4"x4 1/2' wood post marked SE corner Mort No. 24; thence west 750 feet, south side center, a 4"x4"x4 1/2' wood post marked S side center, Mort No. 24, 1500 feet to the SW corner, a 4"x4"x4 1/2' wood post marked SW corner Mort No. 24; thence north 600 feet to the northwest corner, the place of beginning.

The northside line of this claim is contiguous with the southside line of the Mort No. 17 claim; the east end line is contiguous with the west end line of the Mort No. 23 claim; the side line is contiguous with the side line of the claim; the end line is contiguous with the end line of the claim.

All location work necessary to complete this location had been performed by January 20, 1966.

Dated this 20th day of January, 1966.
