The Locator of these claims does state that work of Location was performed within (90 days) as prescribed in 517.040 and 517.050 of the NEVADA STATE MINING LAWS, and this amendment is to satisfy, rectify, and comply with such statutes in order to cure any legal defects that may have been overlooked in filing of the above certificates and to cure any and all errors, omissions not heretofore complied with, that may or could be construed as allowing these lands open for relocation, and this amendment is filed as giving NOTICE to all concerned or interested in acquiring these lands for their Mineral rights.

This amended Location notice is made in conformity with Nevada Law as pertains to amendments and is made for the purpose of appropriating all ground within the boundaries hereinbefore described, and more definitely describing the Locus and boundaries of said lodes, correcting any irregularities, informalities or errors, and supplying any defects which may have existed in the filing procedures of the State of Nevada, hereby waiving no rights acquired under and by virtue of the filing of the Certificates of Location herein cited and made a part of this amendment.

Date of Amended Notice March 19th 1966.

Agent for and in behalf of all co-owners:

Tom P. Costas
