\* If a natural object, fill in blank with its description. If a permanent monument, describe it.  
† The statute contemplates a shaft or what practically answers the same purpose; in prospecting a mine state the depth and dimensions. The statute contemplates that digging work shall be done. The word "sunk" is used.  
‡ The statute uses the word "location" in connection with "corners." That is to say, the local geographical place of the corners, to-wit: at White Gulch or Soda Lake, near its head, etc.  
§ Corner of each of the four corners, with the blazings, markings, letters, etc.  
¶ Any record of location which does not contain all the requirements of the statute is void.
