

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Jenny No. 1 Lode Mining Claim was located by Lyle B. Campbell, whose post office address appears below, on the 29 day of April, 1966

The general course of said lode or vein is West

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corner No. 1, bears about N85E, approximately 4180 feet from N 1/4 Cor, S27T24N, R48E

The locator claim is 69 feet in a East direction and 1431 feet in a west direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet -

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the No. 1 corner, a monument marked J1/1 Cor., thence in a South direction 600 feet to the No. 4 corner, a monument marked J1/4 Cor., thence 750 feet in a West direction to the South side center, a monument marked J1/55C SC, thence 750 feet in a West direction to the No. 3 corner, a monument marked J1/3 Cor., thence 600 feet in a North direction to the No. 2 corner, a monument marked J1/2 Cor., thence 750 feet in a East direction to the North side center, a monument marked J1/N SC, thence 750 feet East to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long

All location and discovery work necessary to complete this location had been performed by

July 27, 1966

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Jenny No. 2 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 29 day of April, 1966

The general course of said lode or vein is East

The claim is situated in the Roberts Mining District, Curka County, State of Nevada, Corner No. 1 fence about N85E,  
approximately 4180 feet from N 1/4 Cor, S 27, T 24 N, R 48 E

The locator claim 65 feet in a west direction and 1435 feet in a east direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work ~~consisted of at least~~ exceeds \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the No. 1 corner, a monument marked 12/1 Cor., thence in a South direction 600 feet to the No. 4 corner, a monument marked 12/4 Cor., thence 750 feet in a East direction to the South side center, a monument marked 12/5SC ~~SC~~, thence 750 feet in a East direction to the No. 3 corner, a monument marked 12/3 Cor., thence 600 feet in a North direction to the No. 2 corner, a monument marked 12/2 Cor., thence 750 feet in a West direction to the North side center, a monument marked 12/NSC ~~SC~~, thence 750 feet West to the point of beginning.

Each of the above-described monuments is at least 1" in diam. by 4'-6" long

All location and discovery work necessary to complete this location had been performed by

July 27, 1966

## Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Jenny No. 8 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 29 day of April, 19 66

The general course of said lode or vein is East

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corner No. 1 here about N 70 E,  
approximately 4420 feet from N 1/4 Cor, 527, T24 N, R18 E

The locator claims 217 feet in a West direction and 1283 feet in a East direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds consisted of at least \$1000.00

The corners and side centers of the claim are located and marked as follows:

From the SW corner, a monument marked 18/1 Cor., thence in a North direction 600 feet to the NW corner, a monument marked 18/4 Cor., thence 750 feet in a East direction to the north side center, a monument marked 18/N SC, thence 750 feet in a East direction to the NE corner, a monument marked 18/3 Cor., thence 600 feet in a South direction to the SE corner, a monument marked 18/2 Cor., thence 750 feet in a West direction to the north side center, a monument marked 18/5 SC, thence 750 feet West to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4' 6" long.

All location and discovery work necessary to complete this location had been performed by

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Jenny No. 2 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 29 day of April, 19 66.

The general course of said lode or vein is West

The claim is situated in the Roberts Mining District, Esmeralda County, State of Nevada, Corner No. 1 bears about N56E, approximately 4,940 feet from N $\frac{1}{4}$  Cor, 527, T24N, R48E

The locator claim S 208 feet in a East direction and 1292 feet in a West direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work consisted of at least \$ 1,000.00

The corners and side centers of the claim are located and marked as follows:

From the NE corner, a monument marked 19/1 Cor., thence in a South direction 600 feet to the SE corner, a monument marked 19/4 Cor., thence 750 feet in a West direction to the South side center, a monument marked 19/5 SC, thence 750 feet in a West direction to the SW corner, a monument marked 19/3 Cor., thence 600 feet in a North direction to the NW corner, a monument marked 19/2 Cor., thence 750 feet in a East direction to the North side center, a monument marked 19/N SC, thence 750 feet East to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 7'-6" long

All location and discovery work necessary to complete this location had been performed by

July 27, 19 66

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Juning No. 10 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 29 day of April, 1966

The general course of said lode or vein is East

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corner No. 1, bears about N 56 E,  
approximately, 4,940 feet from N 1/2 Cor, S 27 T 29 N, R 98 E

The locator claim S 54 feet in a West direction and 1446 feet in a East direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the NW corner, a monument marked J10/1 Cor., thence in a South direction 600 feet to the SW corner, a monument marked J10/4 Cor., thence 750 feet in a East direction to the South side center, a monument marked J10/5 SC, thence 750 feet in a East direction to the SE corner, a monument marked J10/3 Cor., thence 600 feet in a North direction to the NE corner, a monument marked J10/2 Cor., thence 750 feet in a West direction to the North side center, a monument marked J10/1 SC, thence 750 feet West to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long.

All location and discovery work necessary to complete this location had been performed by

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Bart No. 7 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 3 day of May, 1966

The general course of said lode or vein is West

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corner No. 1 from about S68E,

approximately 6,880 feet from N $\frac{1}{4}$  Cor, S27, T24N, R48E

The locator claim 5 105 feet in a East direction and 1395 feet in a West direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds consisted of at least \$ 800.00

The corners and side centers of the claim are located and marked as follows:

From the SE corner, a monument marked B7/1 Cor., thence in a North direction 600 feet to the NE corner, a monument marked B7/4 Cor., thence 750 feet in a West direction to the north side center, a monument marked B7/1/4 SC, thence 750 feet in a West direction to the NW corner, a monument marked B7/3 Cor., thence 600 feet in a South direction to the SW corner, a monument marked B7/2 Cor., thence 750 feet in a East direction to the south side center, a monument marked B7/5 SC, thence 750 feet East to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long

All location and discovery work necessary to complete this location had been performed by

July 27, 1966

## Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Barr No. 8 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 3 day of May, 19 66

The general course of said lode or vein is East

The claim is situated in the Roberts Mining District, Esmeralda County, State of Nevada, Corner No. 1 bears about S 68 E, approximately 6,880 feet from N 1/4 Cor, S 27, T 24 N, R 48 E,

The locator claims 5 195 feet in a West direction and 1305 feet in a East direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds 800.00

The corners and side centers of the claim are located and marked as follows:

From the SW corner, a monument marked B8/1 Cor., thence in a North direction 600 feet to the NW corner, a monument marked B8/4 Cor., thence 750 feet in a East direction to the North side center, a monument marked B8/N SC, thence 750 feet in a East direction to the NE corner, a monument marked B8/3 Cor., thence 600 feet in a South direction to the SE corner, a monument marked B8/2 Cor., thence 750 feet in a West direction to the South side center, a monument marked B8/5 SC, thence 750 feet West to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shield No. 1 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 2 day of May, 1966

The general course of said lode or vein is N 36 W

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corners No. 1 hereabout N 48 E,  
approximately 5,120 feet from N 1/4 Cor, S 3, T 23 N, R 48 E

The locator claim 5 50 feet in a S 36 E direction and 1450 feet in a N 36 W direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet.

The total cost of such work exceeds ~~consisted of at least~~ \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the South corner, a monument marked S 1/1 Cor., thence in a N 54 E direction 600 feet to the East corner, a monument marked S 1/4 Cor., thence 750 feet in a N 36 W direction to the NE side center, a monument marked S 1/NE SC, thence 750 feet in a N 36 W direction to the North corner, a monument marked S 1/3 Cor., thence 600 feet in a S 54 W direction to the West corner, a monument marked S 1/2 Cor., thence 750 feet in a S 36 E direction to the SW side center, a monument marked S 1/SW SC, thence 750 feet S 36 E to the point of beginning.

Each of the above-described monuments is at least 4" in diam. by 4'-6" long.

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shiell No. 2 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 2 day of May, 1966

The general course of said lode or vein is S36E

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Cornor No. 1 bears about N48E, approximately 5,120 feet from N 1/4 Cor, S3, T23N, R48E

The locator claim 5 50 feet in a N36W direction and 1450 feet in a S36E direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

see attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the West corner, a monument marked S2/1 Cor., thence in a N54E direction 600 feet to the North corner, a monument marked S2/4 Cor., thence 750 feet in a S36E direction to the NE side center, a monument marked S2/NE SC, thence 750 feet in a S36E direction to the East corner, a monument marked S2/3 Cor., thence 600 feet in a S54W direction to the South corner, a monument marked S2/2 Cor., thence 750 feet in a N36W direction to the SW side center, a monument marked S2/SW SC, thence 750 feet N36W to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long.

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shirl No. 5 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 7 day of May, 1966

The general course of said lode or vein is N36W

The claim is situated in the Roberta Mining District, Eureka County, State of Nevada, Corner No. 1 hears about N47E,  
approximately 3,960 feet from N $\frac{1}{4}$  Cor, S3, T23N, R48E

The locator... claim... 18 feet in a S36E direction and 1482 feet in a N36W direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

see attached sheet.

The total cost of such work exceeds 1000.00

The corners and side centers of the claim are located and marked as follows:

From the South corner, a monument marked S5/1 Cor., thence in a N54E direction 600 feet to the East corner, a monument marked S5/4 Cor., thence 750 feet in a N36W direction to the NE side center, a monument marked S5/NE SC, thence 750 feet in a N36W direction to the North corner, a monument marked S5/3 Cor., thence 600 feet in a S54W direction to the West corner, a monument marked S5/2 Cor., thence 750 feet in a S36E direction to the SW side center, a monument marked S5/SW SC, thence 750 feet S36E to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long

All location and discovery work necessary to complete this location had been performed by

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shosh No. 6 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 4 day of May, 1966

The general course of said lode or vein is S 36 E

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corner No. 1 bears about N 47 E approximately 3,960 feet from N 1/4 Cor. 53, T 23 N, R 48 E

The locator claim 5 12 feet in a N 36 W direction and 1488 feet in a S 36 E direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

see attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the West corner, a monument marked 56/1 Cor., thence in a N 54 E direction 600 feet to the North corner, a monument marked 56/4 Cor., thence 750 feet in a S 36 E direction to the NE side center, a monument marked 56/NE SC, thence 750 feet in a S 36 E direction to the East corner, a monument marked 56/3 Cor., thence 600 feet in a S 54 W direction to the South corner, a monument marked 56/2 Cor., thence 750 feet in a N 36 W direction to the SW side center, a monument marked 56/SW SC, thence 750 feet N 36 W to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4' 6" long

All location and discovery work necessary to complete this location had been performed by

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shed No. 7 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 4 day of May, 1966

The general course of said lode or vein is N 36 W

The claim is situated in the Roberts Mining District, Esmeralda County, State of Nevada, Corner No. 1 feet about N 47 E,  
approximately 3,960 feet from N 1/4 Cor, S 3, T 23 N, R 98 E

The locator... claim 3 90 feet in a S 36 E direction and 1410 feet in a N 36 W direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sketch

The total cost of such work exceeds 1000.00

The corners and side centers of the claim are located and marked as follows:

From the East corner, a monument marked S 7/1 Cor., thence in a S 54 W direction 600 feet to the South corner, a monument marked S 7/4 Cor., thence 750 feet in a N 36 W direction to the SW side center, a monument marked S 7/SW SC, thence 750 feet in a N 36 W direction to the West corner, a monument marked S 7/3 Cor., thence 600 feet in a N 54 E direction to the North corner, a monument marked S 7/2 Cor., thence 750 feet in a S 36 E direction to the NE side center, a monument marked S 7/NE SC, thence 750 feet S 36 E to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4' 6" long

All location and discovery work necessary to complete this location had been performed by July 27, 1966

Lyle F. Campbell (Name of Locator), Lance Exploration Engineering (Address)  
Box 2188 (Address)  
Grand Junction, Colorado (Address)

TO BE FILED WITH THE COUNTY RECORDER  
IN A CLEAR AND LEGIBLE FORM.

STATEMENT OF LOCATION WORK DONE  
ON SHIRL NO. 1 THRU SHIRL NO. 10, INCLUSIVE

ALL BEING CONTIGUOUS:

Location work done to advance the exploration of

Shirl No. 1  
Shirl No. 2  
Shirl No. 3  
Shirl No. 4  
Shirl No. 5  
Shirl No. 6  
Shirl No. 7  
Shirl No. 8  
Shirl No. 9  
Shirl No. 10

consists of access road work starting a considerable distance outside the claim group and is also located on Shirl No.'s 9 and 10; and also consists of excavations or test pits for geochemical sampling located at or nearly the following locations:

S10/SWSC, S10/center, S10/3, S10/SESC, S8/SWSC, S8/SEEC, S8/2, S8/center, S6/center, S6/3, S6/SWSC, S6/SEEC, S4/SEEC, S4/2, S4/SWSC, S4/center, S2/SEEC, S2/center, S2/SWSC, S2/NEEC, S2/3, S1/NESC, S1/NWSC, S1/3, S1/2, S3/3, S3/NWSC, S5/NWEC, S5/2, S9/NWEC, S9/2.

All of this work was accomplished by, or under the supervision of, Lyle F. Campbell, Registered Professional Engineer (Colorado and Minnesota).

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shirl No. 8 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 4 day of May, 19 66

The general course of said lode or vein is S36E

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corners No. 1 bears about N47E, approximately 3,960 feet from N $\frac{1}{4}$  Cor, S3, T23N, R48E

The locator claim S 85 feet in a N36W direction and 1415 feet in a S36E direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

see attached sheet

The total cost of such work exceeds 1000.00

The corners and side centers of the claim are located and marked as follows:

From the North corner, a monument marked S8/1 Cor., thence in a S54W direction 600 feet to the West corner, a monument marked S8/4 Cor., thence 750 feet in a S36E direction to the SW side center, a monument marked S8/SW SC, thence 750 feet in a S36E direction to the South corner, a monument marked S8/3 Cor., thence 600 feet in a N54E direction to the East corner, a monument marked S8/2 Cor., thence 750 feet in a N36W direction to the NE side center, a monument marked S8/NE SC, thence 750 feet N36W to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long

All location and discovery work necessary to complete this location had been performed by

July 27, 19 66

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shish No. 9 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 7 day of May, 1966

The general course of said lode or vein is N36W

The claim is situated in the Proterite Mining District, Esneke County, State of Nevada, Corner No. 1 bears about N45E, approximately 2,800 feet from N/Gr, S3, T23N, R48E

The locator claim 5 35 feet in a S36E direction and 1465 feet in a N36W direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the South corner, a monument marked S9/1 Cor., thence in a N54E direction 600 feet to the East corner, a monument marked S9/4 Cor., thence 750 feet in a N36W direction to the NE side center, a monument marked S9/NE SC, thence 750 feet in a N36W direction to the North corner, a monument marked S9/3 Cor., thence 600 feet in a S54W direction to the West corner, a monument marked S9/2 Cor., thence 750 feet in a S36E direction to the SW side center, a monument marked S9/SW SC, thence 750 feet S36E to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long

All location and discovery work necessary to complete this location had been performed by

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shirk No. 10 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 4 day of May, 1966

The general course of said lode or vein is S36E

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Cornor No. 1 claim about N45E approximately 2,800 feet from N46Gr, S3, T23N, R48E

The locator claim 5 35 feet in a N36W direction and 1465 feet in a S36E direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

see attached sheet

The total cost of such work consisted of at least \$ exceeds 1000.00

The corners and side centers of the claim are located and marked as follows:

From the West corner, a monument marked S10/1 Cor., thence in a N54E direction 600 feet to the North corner, a monument marked S10/4 Cor., thence 750 feet in a S36E direction to the NE side center, a monument marked S10/NE SC, thence 750 feet in a S36E direction to the East corner, a monument marked S10/3 Cor., thence 600 feet in a S54W direction to the South corner, a monument marked S10/2 Cor., thence 750 feet in a N36W direction to the SW side center, a monument marked S10/SW SC, thence 750 feet N36W to the point of beginning.

Each of the above-described monuments is at least 1" in diameter by 4'-6" long

All location and discovery work necessary to complete this location had been performed by
