

## Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shiell No. 11 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 5 day of May, 1966.

The general course of said lode or vein is N 36 W

The claim is situated in the Roberts Mining District, Esmeralda County, State of Nevada, Corner No. 1 bears about N 75 E, approximately 2800 feet from N 1/4 Cor, 53, T 23 N, R 48 E

The locator claim 5 40 feet in a S 36 E direction and 1460 feet in a N 36 W direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: .....

see attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the East corner, a monument marked S 11/1 Cor., thence in a S 54 W direction 600 feet to the South corner, a monument marked S 11/4 Cor., thence 750 feet in a N 36 W direction to the SW side center, a monument marked S 11/SW SC, thence 750 feet in a N 36 W direction to the West corner, a monument marked S 11/3 Cor., thence 600 feet in a N 54 E direction to the North corner, a monument marked S 11/2 Cor., thence 750 feet in a S 36 E direction to the NE side center, a monument marked S 11/NE SC, thence 750 feet S 36 E to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long.

All location and discovery work necessary to complete this location had been performed by

July 27, 1966

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shiell No. 12 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 5 day of May, 1966.

The general course of said lode or vein is S36E

The claim is situated in the Roberts Mining District, Esmeralda County, State of Nevada, Corner No. 1 bears about N45E approximately 2800 feet from N 1/4 Cor, S3, T23N, R48E.

The locator claim 5 40 feet in a N36W direction and 1460 feet in a S36E direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the North corner, a monument marked S12/1 Cor., thence in a S54W direction 600 feet to the West corner, a monument marked S12/4 Cor., thence 750 feet in a S36E direction to the SW side center, a monument marked S12/SW SC, thence 750 feet in a S36E direction to the South corner, a monument marked S12/3 Cor., thence 600 feet in a N54E direction to the East corner, a monument marked S12/2 Cor., thence 750 feet in a N36W direction to the NE side center, a monument marked S12/NE SC, thence 750 feet N36W to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long.

All location and discovery work necessary to complete this location had been performed by

July 27, 1966

## Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shish No. 13 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 5 day of May, 1966

The general course of said lode or vein is N 36 W

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corner No. 1 bears about N 37 E,  
approximately 1,650 feet from N 1/4 Cor, S 3, T 23 N, R 48 E

The locator claim 5 30 feet in a S 36 E direction and 1470 feet in a N 36 W direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the South corner, a monument marked S 13/1 Cor., thence in a N 54 E direction 600 feet to the East corner, a monument marked S 13/4 Cor., thence 750 feet in a N 36 W direction to the NE side center, a monument marked S 13/NE SC, thence 750 feet in a N 36 W direction to the North corner, a monument marked S 13/3 Cor., thence 600 feet in a S 54 W direction to the West corner, a monument marked S 13/2 Cor., thence 750 feet in a S 36 E direction to the SW side center, a monument marked S 13/SW SC, thence 750 feet S 36 E to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4-6" long

All location and discovery work necessary to complete this location had been performed by

July 27, 1966

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shirl No. 14 Lode Mining Claim was located by Lyle F. Campbell whose post office address appears below, on the 5 day of May, 1966

The general course of said lode or vein is S36E

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corner No. 1 bears about N37E approximately 1,650 feet from N 1/4 Cor, S3, T23N, R48E

The locator claim 30 feet in a N36W direction and 1470 feet in a S36E direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the West corner, a monument marked S14/1 Cor., thence in a N54E direction 600 feet to the North corner, a monument marked S14/4 Cor., thence 750 feet in a S36E direction to the NE side center, a monument marked S14/NE SC, thence 750 feet in a S36E direction to the East corner, a monument marked S14/3 Cor., thence 600 feet in a S54W direction to the South corner, a monument marked S14/2 Cor., thence 750 feet in a N36W direction to the SW side center, a monument marked S14/SW SC, thence 750 feet N36W to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long

All location and discovery work necessary to complete this location had been performed by

July 27, 1966.

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shiell No. 15 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 5 day of May, 1966

The general course of said lode or vein is S 36 E

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corner No. 1 bears about N 37 E, approximately 1,650 feet from N  $\frac{1}{4}$  Cor, S 3, T 23 N, R 48 E

The locator claim 5 165 feet in a S 36 E direction and 1335 feet in a N 36 W direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

see attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the East corner, a monument marked S 15 / 1 Cor., thence in a S 54 W direction 600 feet to the South corner, a monument marked S 15 / 4 Cor., thence 750 feet in a N 36 W direction to the SW side center, a monument marked S 15 / SW SC, thence 750 feet in a N 36 W direction to the West corner, a monument marked S 15 / 3 Cor., thence 600 feet in a N 54 E direction to the North corner, a monument marked S 15 / 2 Cor., thence 750 feet in a S 36 W direction to the NE side center, a monument marked S 15 / NE SC, thence 750 feet S 36 W to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long.

## Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shil No. 17 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 13 day of May, 1966.

The general course of said lode or vein is N 36 W

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corner No 1 here about S7E,  
approximately 300 feet from NW Cor, S3, T23N, R48E

The locator claim 5 60 feet in a S36E direction and 1440 feet in a N36W direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

see attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the South corner, a monument marked 517/1 Cor., thence in a N54E direction 600 feet to the East corner, a monument marked 517/4 Cor., thence 750 feet in a N36W direction to the NE side center, a monument marked 517/NE SC, thence 750 feet in a N36W direction to the North corner, a monument marked 517/3 Cor., thence 600 feet in a S54W direction to the West corner, a monument marked 517/2 Cor., thence 750 feet in a S36E direction to the SW side center, a monument marked 517/SW SC, thence 750 feet S36E to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long

All location and discovery work necessary to complete this location had been performed by

July 27, 1966

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shirl No. 18 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 13 day of May, 1966.

The general course of said lode or vein is S 36 E

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corner No. 1 here about S 7 E  
approximately 300 feet from N 1/4 Cor, S 3, T 23 N, R 48 E

The locator claim S 90 feet in a N 36 W direction and 1410 feet in a S 36 E direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: .....

See attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the West corner, a monument marked S 18 / 1 Cor., thence in a N 54 E direction 600 feet to the North corner, a monument marked S 18 / 4 Cor., thence 750 feet in a S 36 E direction to the NE side center, a monument marked S 18 / NE SC, thence 750 feet in a S 36 E direction to the East corner, a monument marked S 18 / 3 Cor., thence 600 feet in a S 54 W direction to the South corner, a monument marked S 18 / 2 Cor., thence 750 feet in a N 36 W direction to the SW side center, a monument marked S 18 / SW SC, thence 750 feet N 36 W to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4-6" long

All location and discovery work necessary to complete this location had been performed by

July 27, 1966.

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Spirit No. 19 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 13 day of May, 1966.

The general course of said lode or vein is N 36 W

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corner No. 1 near about S7E, approximately 300 feet from N 1/4 Cor, S3, T23N, R48E

The locator claim 5 35 feet in a S 36 E direction and 1465 feet in a N 36 W direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the East corner, a monument marked S19/1 Cor., thence in a S54W direction 600 feet to the South corner, a monument marked S19/4 Cor., thence 750 feet in a N36W direction to the SW side center, a monument marked S19/SW SC, thence 750 feet in a N36W direction to the West corner, a monument marked S19/3 Cor., thence 600 feet in a N54E direction to the North corner, a monument marked S19/2 Cor., thence 750 feet in a S36E direction to the NE side center, a monument marked S19/NE SC, thence 750 feet S36E to the point of beginning.

Each of the above-described monuments is at least 4" thick by 4'-6" long

All location and discovery work necessary to complete this location had been performed by

July 27, 1966

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shish No. 20 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 13 day of May, 1966.

The general course of said lode or vein is S 36 E

The claim is situated in the Roberta Mining District, Eureka County, State of Nevada, Corner No 1 bears about S 7 E, approximately 300 feet from N 1/4 Cor, S 3, T 23 N, R 48 E.

The locator claim S 65 feet in a N 36 W direction and 1435 feet in a S 36 E direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds 1000.00

The corners and side centers of the claim are located and marked as follows:

From the North corner, a monument marked S 20/1 Cor., thence in a S 54 W direction 600 feet to the West corner, a monument marked S 20/4 Cor., thence 750 feet in a S 36 E direction to the SW side center, a monument marked S 20/SW SC, thence 750 feet in a S 36 E direction to the South corner, a monument marked S 20/3 Cor., thence 600 feet in a N 54 E direction to the East corner, a monument marked S 20/2 Cor., thence 750 feet in a N 36 W direction to the NE side center, a monument marked S 20/NE SC, thence 750 feet N 36 W to the point of beginning.

Each of the above-described monuments is at least 4" thick by 4-6" long.

All location and discovery work necessary to complete this location had been performed by

## Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shiela No. 21 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 13 day of May, 19 66.

The general course of said lode or vein is N 36 W

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corner No. 1 bears about S 41 W approximately 1,360 feet from N 1/4 Cor. S 3, T 23 N, R 48 E

The locator... claim 5 25 feet in a S 36 E direction and 1475 feet in a N 36 W direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the South corner, a monument marked S 21/1 Cor., thence in a N 54 E direction 600 feet to the East corner, a monument marked S 21/4 Cor., thence 750 feet in a N 36 W direction to the NE side center, a monument marked S 21/NE SC, thence 750 feet in a N 36 W direction to the North corner, a monument marked S 21/3 Cor., thence 600 feet in a S 54 W direction to the West corner, a monument marked S 21/2 Cor., thence 750 feet in a S 36 E direction to the SW side center, a monument marked S 21/5 W SC, thence 750 feet S 36 E to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long.

All location and discovery work necessary to complete this location had been performed by

July 27, 19 66

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shish No. 22 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 13 day of May, 19 66

The general course of said lode or vein is 536 E

The claim is situated in the Roberts Mining District, Esmeralda County, State of Nevada, Corner No. 1 here about 541W,  
approximately 1,360 feet from N 1/4 Cor. S3T23N, R48E

The locator claim 5 30 feet in a N36W direction and 1470 feet in a 536 E direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the West corner, a monument marked S22/1 Cor., thence in a N54E direction 600 feet to the North corner, a monument marked S22/4 Cor., thence 750 feet in a 536 E direction to the NE side center, a monument marked S22/NE SC, thence 750 feet in a 536 E direction to the East corner, a monument marked S22/3 Cor., thence 600 feet in a 554W direction to the South corner, a monument marked S22/2 Cor., thence 750 feet in a N36W direction to the SW side center, a monument marked S22/SW SC, thence 750 feet N36W to the point of beginning.

Each of the above-described monuments is at least 4" thick by 4'-6" long

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shirley No. 25 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 13 day of May, 1966.

The general course of said lode or vein is N36W

The claim is situated in the Roberts Mining District, Lusko County, State of Nevada, Corner No. 1 Sears about S48W, approximately 2,520 feet from N 1/4 Cor, S3, T23N, R48E

The locator claim 5 75 feet in a S36E direction and 1425 feet in a N36W direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work <sup>exceeds</sup> consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the South corner, a monument marked S25/1 Cor., thence in a N54E direction 600 feet to the East corner, a monument marked S25/4 Cor., thence 750 feet in a N36W direction to the NE side center, a monument marked S25/NE SC, thence 750 feet in a N36W direction to the North corner, a monument marked S25/3 Cor., thence 600 feet in a S54W direction to the West corner, a monument marked S25/2 Cor., thence 750 feet in a S36E direction to the SW side center, a monument marked S25/SW SC, thence 750 feet S36E to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shirley No 26 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 13 day of May, 1966

The general course of said lode or vein is S 36 E

The claim is situated in the Roberts Mining District, Esmeralda County, State of Nevada, Corner No. 1 bears about S 48 W, approximately 2,520 feet from N 1/4 Cor, S 3, T 23 N, R 48 E.

The locator claim 20 feet in a N 36 W direction and 1480 feet in a S 36 E direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work ~~consisted of at least \$~~ exceeds 1000.00

The corners and side centers of the claim are located and marked as follows:

From the West corner, a monument marked S 26 1/1 Cor., thence in a N 54 E direction 600 feet to the North corner, a monument marked S 26 1/4 Cor., thence 750 feet in a S 36 E direction to the NE side center, a monument marked S 26 / NE SC, thence 750 feet in a S 36 E direction to the East corner, a monument marked S 26 1/3 Cor., thence 600 feet in a S 54 W direction to the South corner, a monument marked S 26 1/2 Cor., thence 750 feet in a N 36 W direction to the SW side center, a monument marked S 26 / SW SC, thence 750 feet N 36 W to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 1' 6" long

All location and discovery work necessary to complete this location had been performed by

July 27, 1966

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shil No. 27 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 13 day of May, 1966

The general course of said lode or vein is N 36 W

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corner No. 1 Lease about 548 W, approximately 2,520 feet from N 1/4 Cor, S 3, T 23 N, R 48 E

The locator claim S 50 feet in a S 36 E direction and 1450 feet in a N 36 W direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the East corner, a monument marked S 27/1 Cor., thence in a S 54 W direction 600 feet to the South corner, a monument marked S 27/4 Cor., thence 750 feet in a N 36 W direction to the SW side center, a monument marked S 27/5W SC, thence 750 feet in a N 36 W direction to the West corner, a monument marked S 27/3 Cor., thence 600 feet in a N 54 E direction to the North corner, a monument marked S 27/2 Cor., thence 750 feet in a S 36 E direction to the NE side center, a monument marked S 27/NE SC, thence 750 feet S 36 E to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4' 6" long

All location and discovery work necessary to complete this location had been performed by

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Shirley No. 30 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 13 day of May, 1966.

The general course of said lode or vein is S 36 E

The claim is situated in the Roberts Mining District, Eureka County, State of Nevada, Corner No. 1 bears about S 49 W, approximately 3,710 feet from N 1/4 Cor, S 3 T 23 N, R 48 E

The locator claim 50 feet in a N 36 W direction and 1450 feet in a S 36 E direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

see attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the West corner, a monument marked S 30/1 Cor., thence in a N 54 E direction 600 feet to the North corner, a monument marked S 30/4 Cor., thence 750 feet in a S 36 E direction to the NE side center, a monument marked S 30/NE SC, thence 750 feet in a S 36 E direction to the East corner, a monument marked S 30/3 Cor., thence 600 feet in a S 54 W direction to the South corner, a monument marked S 30/2 Cor., thence 750 feet in a N 36 W direction to the SW side center, a monument marked S 30/SW SC, thence 750 feet N 36 W to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4' 6" long.

All location and discovery work necessary to complete this location had been performed by July 27, 1966.
