

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Pat No. 1 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 25 day of June, 1966

The general course of said lode or vein is West

The claim is situated in the _____ Mining District, Eureka

County, State of Nevada, Cover No. 1 near about S 69 W,

approximately 9500' from NE Cor, S 21, T 24 N, R 49 E.

The locator claim 5 110 feet in a East

direction and 1390 feet in a West direction

from the point of discovery, with a width of 300 feet on each

side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the SE corner, a monument marked P1/1 Cor., thence in a North direction 600 feet to the NE corner, a monument marked P1/4 Cor., thence 750 feet in a West direction to the North side center, a monument marked P1/N SC, thence 750 feet in a West direction to the NW corner, a monument marked P1/3 Cor., thence 600 feet in a South direction to the SW corner, a monument marked P1/2 Cor., thence 750 feet in a East direction to the South side center, a monument marked P1/S SC, thence 750 feet East to the point of beginning.

Each of the above-described monuments is at least 4" diameter by 4'-6" long

All location and discovery work necessary to complete this location had been performed by

September 19, 1966

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Pat No. 2 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 25 day of June, 1966

The general course of said lode or vein is East

The claim is situated in the _____ Mining District, Cureka County, State of Nevada, Corner No. 1 from about S69W, approximately 9500' from NE Cor, S21, T24N, R49E

The locator claim 5 15 feet in a West direction and 1485 feet in a East direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the SW corner, a monument marked P2/1 Cor., thence in a North direction 600 feet to the NW corner, a monument marked P2/4 Cor., thence 750 feet in a East direction to the North side center, a monument marked P2/N SC, thence 750 feet in a East direction to the NE corner, a monument marked P2/3 Cor., thence 600 feet in a South direction to the SE corner, a monument marked P2/2 Cor., thence 750 feet in a West direction to the South side center, a monument marked P2/5 SC, thence 750 feet West to the point of beginning.

Each of the above-described monuments is at least 4" diameter by 4'-6" long

All location and discovery work necessary to complete this location had been performed by

September 19, 1966

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Pat No. 3 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 25 day of June, 19 66

The general course of said lode or vein is West

The claim is situated in the _____ Mining District, Cunka County, State of Nevada, Corn No. 1 claim about 578 W,
approximately 9200' from NE Cor, 521 T 24 N, R 49 E

The locator claim 5 105 feet in a East direction and 1395 feet in a West direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

see attached sheet

The total cost of such work consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the NE corner, a monument marked P3/1 Cor., thence in a South direction 600 feet to the SE corner, a monument marked P3/4 Cor., thence 750 feet in a West direction to the South side center, a monument marked P3/5 SC, thence 750 feet in a West direction to the SW corner, a monument marked P3/3 Cor., thence 600 feet in a North direction to the NW corner, a monument marked P3/2 Cor., thence 750 feet in a East direction to the North side center, a monument marked P3/N SC, thence 750 feet East to the point of beginning.

Each of the above-described monuments is in diameter 4" by 4'-6" long.

All location and discovery work necessary to complete this location had been performed by

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Pat No. 9 Lode Mining Claim was located by Lytle F. Campbell, whose post office address appears below, on the 25 day of June, 19 66.

The general course of said lode or vein is West

The claim is situated in the _____ Mining District, Eureka County, State of Nevada, Corner No. 1 leave about 85W, approximately 850 feet from NE Cor, S21, T24N, R49E

The locator claim 5 90 feet in a East direction and 1410 feet in a West direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: _____

see attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the SE corner, a monument marked P9/1 Cor., thence in a North direction 600 feet to the NE corner, a monument marked P9/4 Cor., thence 750 feet in a West direction to the North side center, a monument marked P9/N SC, thence 750 feet in a West direction to the NW corner, a monument marked P9/3 Cor., thence 600 feet in a South direction to the SW corner, a monument marked P9/2 Cor., thence 750 feet in a East direction to the South side center, a monument marked P9/5 SC, thence 750 feet East to the point of beginning.

Each of the above-described monuments is at least 4" in diameter by 4'-6" long.

All location and discovery work necessary to complete this location had been performed by September 19, 19 66

Lytle F. Campbell (Name of Locator), Lance Exploration Engineering (Address)
Box 2188 (Address)

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Pat No. 10 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 25 day of June, 1966

The general course of said lode or vein is East

The claim is situated in the _____ Mining District, Eureka County, State of Nevada, Corner No. 1 bears about S85W
approximately 8850 feet from NE Cor., S21, T24N, R49E

The locator..... claim 5 40 feet in a West direction and 1460 feet in a East direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: _____

See attached sheet

The total cost of such work exceeds consisted of at least \$ 1000.00

The corners and side centers of the claim are located and marked as follows:

From the SW corner, a monument marked P10/1 Cor., thence in a North direction 600 feet to the NW corner, a monument marked P10/4 Cor., thence 750 feet in a East direction to the North side center, a monument marked P10/N SC, thence 750 feet in a East direction to the NE corner, a monument marked P10/3 Cor., thence 600 feet in a South direction to the SE corner, a monument marked P10/2 Cor., thence 750 feet in a West direction to the South side center, a monument marked P10/5 SC, thence 750 feet West to the point of beginning.

Each of the above-described monuments is at least 4" diameter by 4'-6" long

All location and discovery work necessary to complete this location had been performed by

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Pat No. 11 Lode Mining Claim was located by Lyle F. Campbell, whose post office address appears below, on the 25 day of July, 1966

The general course of said lode or vein is West

The claim is situated in the _____ Mining District, Esmeralda County, State of Nevada, Canner No. 1 lease about 585W, approximately 9300 feet from NE Cor, S21, T24N, R49E

The locator claim S 120 feet in a East direction and 1380 feet in a West direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

See attached sheet

The total cost of such work exceeds 600.00 consisted of at least \$ 7000.00

The corners and side centers of the claim are located and marked as follows:

From the NE corner, a monument marked P11/1 Cor., thence in a South direction 600 feet to the SE corner, a monument marked P11/4 Cor., thence 750 feet in a West direction to the South side center, a monument marked P11/5 SC, thence 750 feet in a West direction to the SW corner, a monument marked P11/3 Cor., thence 600 feet in a North direction to the NW corner, a monument marked P11/2 Cor., thence 750 feet in a East direction to the North side center, a monument marked P11/N SC, thence 750 feet East to the point of beginning.

Each of the above-described monuments is at least 4" diameter by 4'-6" long.

All location and discovery work necessary to complete this location had been performed by September 19, 1966.
