

AMENDED CERTIFICATE OF LOCATION

This is an amendment to the original Certificate of Location of Annie No. 28 lode claim. This claim was located October 7, 1965 by the undersigned and the original Certificate of Location was recorded in the Eureka County Mining Records, File No. 41438, Book 9, p. 079, on November 8, 1965. General location of the claim is approximately three miles southwest from Roberts Creek Mountain (Elev. 10,133) and situated approximately in the SE $\frac{1}{4}$ of Sec. 21, T. 23 N., R. 50 E. (Unsurveyed).

Because the location monument was improperly located the description of the claim is now amended to read as follows: The location monument is on center line and claim extends 215 ft. northeasterly and 215 ft. southwesterly from the location monument, and 125 ft. on each side of the center line. Discovery work consisted of a bulldozed trench 8 feet wide, 4 feet average depth, and over 10 feet in length, located in the southwestern part of the claim as now amended.
