* If a natural object, fill in blank with its description. If a permanent monument, describe it. † The statute contemplates a shaft or what practically answers the same purpose; in prospecting a mine state the depth and dimensions. The statute contemplates that digging work shall be done. The word "sunk" is used. ‡ The statute uses the word "location" in connection with "corners." That is, the geographical place of the corners, to-wit: at White Gulch or Soda Lake, near its head, etc. § Any record of location which does not contain all the requirements of the statute is void.
