CERTIFICATE OF LOCATION—LODE CLAIMS

Incated by M.N. Rocker, Ur. for Homestake Mining Company which by has Quit Claimed both claims to Lyle F. Campbell. whose address is R.D. Rex 2188, Grand Unaction, Colorado 81501, on the following dates: Beth Claims were located on the County, on the following dates: Beth Claims were located on the County, on the following dates: Beth Claims were located on the County, on the following dates: Beth Claims were located on the County, on the following dates: Beth Claims were located in Unthinown Destrict. The claims are situated in Unthinown Destrict. State of Nevada, and are more specifically located (see accompanying sketch). About 25 miles westerly from the Tonkin Ranch in the SN 4 of Sec. 21 and the N-3 of the NW 4 of Sec. 28; T 24 N, R 49 E. The general course of the lodes or veins is Cast—West. The locator claims 1500 linear feet per claim along the course of mineral bearing ledges, lodes, or veins, extending as shown on the sketch, together with 300 feet on each side of the centers of the ledges for the entire length of the claims. The discovery work consists of Access road cut, drill site excavation, and Arill hale. I ocated in Claim 045 The northwest corners are marked by Pasts 34 feet high, inscribed "N. W. corner of corresponding claim"; the southwest corners are marked by Pasts 34 feet high, inscribed "N. E. corner of corresponding claim"; the northwest corners are marked by Pasts 34 feet high, inscribed "N. E. corner of corresponding claim"; the northwest corners are marked by Pasts 34 feet high, inscribed "N. E. Corner of corresponding claim". There is also a post 34 feet high at the center of each side line. The discovery work costing at least \$200.50 has been done and the location completed since Next. 30, 1966. Dated: December 23, 1966 Local Access of the location completed since Next. 30, 1966.	THIS IS TO CERTIFY, That 2 mining claims named the Q44 and Q4:	Were
the phas Quit Claimed both claims to Lyle F. Campbell whose address is P.D. Rex 2188, Grand Junction, Colorado 81501, on the following dates: Beth Claims were leasted on the leventh day of October, 1966. The claims are situated in Uninown District, Eureka. County, State of Nevada, and are more specifically located (see accompanying sketch) April 22miles westerly from the Tonkin Ranch in the SWA of Sec. 21 and the No. 1 the NWA of Sec. 21 and the No. 1 the NWA of Sec. 21 and the No. 1 the NWA of Sec. 21 and the No. 1 the NWA of Sec. 21 the NWA of Sec. 22 the NWA of Sec. 21 the NWA of Sec. 21 the NWA of Sec. 22 the NWA of Sec. 21 the NWA of Sec. 22 the Sec. 22 the NWA of Sec. 23 the ledges for the entire length of the claims. The discovery work consists of Access read cyt, drill site. Excavation, and Arill hele; 10 cated in Claim Q45 as shown on the sketch, exposing ledge, lode, or veln in place. The northwest corners are marked by Posts 3 teet high, inscribed "N. W. corner of corresponding claim"; the southeast corners are marked by Posts 3 teet high, inscribed "N. E. Corner of corresponding claim". There is also a post 3 the line, the discovery work costing at least \$ 200.20 has been done and the location completed since Never secretary of the southeast costing at least \$ 200.20 has been done and the location completed since Never secretary.	located by M.M. Roeber, Ur. for Homestake Mining Company	which.
on the following dates: Beth Claims Were located on the county, on the following dates: Beth Claims Were located on the celeventh day of October, 1966. The claims are situated in Unknown District, Eureka County, State of Nevada, and are more specifically located (see accompanying sketch) About 2/2 miles Westerly from the Tonkin Ranch in the SWA of Sec. 21 and the No. 3 of the NWA of Sec. 21 and the No. 4 of the NWA of Sec. 21 and the No. 5 of the NWA of Sec. 21 and the No. 5 of the NWA of Sec. 28; T 24 N, R 49 E. The locator claims 1500 linear feet per claim along the course of mineral bearing ledges, lodes, or veins, extending as shown on the sketch, together with 320 feet on each side of the centers of the ledges for the entire length of the claims. The discovery work consists of Access road cut, drill site excavation, and drill hole: 100 ated in Claim Q45 as shown on the sketch, exposing ledge, lode, or vein in place. The northwest corners are marked by Pasta 3/2 feet high, inscribed "S. W. corner of corresponding claim"; the southeast corners are marked by Pasta 3/2 feet high, inscribed "S. W. corner of corresponding claim"; the southeast corners are marked by Pasta 3/2 feet high, inscribed "S. E. corner of corresponding claim"; the northeast corners are marked by Pasta 3/2 feet high, inscribed "N. E. Corner of corresponding claim". There is also a pasta 3/2 feet high at the center of each side line. The discovery work costing at least \$ 200.00 has been done and the location completed since Weve 32, 1266.	by has Quit Claimed both claims to Lyle F. Campbell .	hose address
on the following dates: Beth. Claims were legated on the eleventh day of October, 1966. The claims are situated in Unknown District, Events County, State of Nevada, and are more specifically located (see accompanying sketch) About. 2'2 miles westerly from the Tonkin Banch in the SW 4 of Sec. 21 and the Nos. of the NW 4 of Sec. 21 and the Nos. of the NW 4 of Sec. 28; T 24 N, R 49 E. The general course of the lodes or veins is Cast west. The locator claims ISOO linear feet per claim along the course of mineral bearing ledges, lodes, or veins, extending as shown on the sketch, together with 300 feet on each side of the centers of the ledges for the entire length of the claims. The discovery work consists of access road cut, drill site excavation, and arill hole: located in claim Q45 The northwest corners are marked by posts 3/2 feet high, inscribed "N. W. corner of corresponding claim"; the southwest corners are marked by posts 3/2 feet high, inscribed "S. W. corner of corresponding claim"; the southeast corners are marked by posts 3/2 feet high, inscribed "S. E. corner of corresponding claim"; the northeast corners are marked by posts 3/2 feet high, inscribed "N. E. Corner of corresponding claim". There is also a post 3/2 feet high at the center of each side line. The discovery work costing at least \$ 200.00 has been done and the location completed since Never 20, 1266.	is P.D.
