

THIS IS TO CERTIFY that the Ann No. 1 Lode Mining Claim was located by Roger A. Lillibridge, whose post-office address appears below, on the 30th day of June, 1967.

The general course of said vein or lode, as near as it may be described is north and south.

The claim is situated in the Eureka Mining District, Eureka County, State of Nevada, and lies in Section(6) 27, Township 19 North, Range 53 East, MDM .

The locator claims 100 feet in a Northerly direction and 1400 feet in a Southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: Drilling Rotary Drill Hole No. 706 to a depth of 85 feet on the Ann No. 10 lode mining claim

Such work was done at a point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of contiguous claims are as follows: Ann Nos. 1, 2, 10, 14 and 15

Lode claims

The total cost of such work consisted of at least \$ 500.00.

The corners and side centers of this claim are located and marked as follows:

From the northwest corner, a post marked Ann No. 1 NW Cor., thence in a easterly direction 600 feet to the northeast corner, a post marked Ann No. 1 NE Cor., thence 750 feet in a southerly direction to the east side center, a post marked Ann No. 1 ESC., thence 750 feet in a southerly direction to the south-east corner, a post marked Ann No. 1 SE Cor., thence 600 feet in a westerly direction to the southwest corner, a post marked Ann No. 1 SW Cor., thence 750 feet in a northerly direction to the west side center, a post marked Ann No. 1, WSC., thence 750 feet in a northerly direction to the northwest corner, the point of beginning.

Each of the above-described monuments is a post 4" x 4" diameter, by 4-1/2' long, set 1 foot in the ground.

All location and discovery work necessary to complete this location has been performed by September 1, 1967.

Dated this 1st day of September, 1967.

THIS IS TO CERTIFY that the Ann No. 2 Lode Mining Claim was located by Roger A. Lillibridge, whose post-office address appears below, on the 30th day of June, 1967.

The general course of said vein or lode, as near as it may be described is north and south.

The claim is situated in the Eureka Mining District, Eureka County, State of Nevada, and lies in Section 6 27, Township 19 North, Range 5 East, NDM.

The locator claims 100 feet in a Northerly direction and 1400 feet in a Southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: Drilling Rotary Drill Hole No. 706 to a depth of 85 feet on the
Ann No. 10 mining claim

Such work was done at a point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of contiguous claims are as follows: Ann Nos. 1, 2, 10, 14 and 15

Lode Mining Claims

The total cost of such work consisted of at least \$ 500.00.

The corners and side centers of this claim are located and marked as follows:

From the northwest corner, a post marked Ann No. 2 NW Cor., thence in a easterly direction 600 feet to the northeast corner, a post marked Ann No. 2 NE Cor., thence 750 feet in a southerly direction to the east side center, a post marked Ann No. 2 ESC., thence 750 feet in a southerly direction to the southeast corner, a post marked Ann No. 2 SE Cor., thence 600 feet in a westerly direction to the southwest corner, a post marked Ann No. 2 SW Cor., thence 750 feet in a northerly direction to the west side center, a post marked Ann No. 2 WSC., thence 750 feet in a northerly direction to the northwest corner, the point of beginning.

Each of the above-described monuments is a post 4" x 4" diameter, by 4-1/2' long, set 1 foot in the ground.

All location and discovery work necessary to complete this location has been performed by September 1, 1967.

The general course of said vein or lode, as near as it may be described is north and south.

The claim is situated in the Eureka Mining District, Eureka County, State of Nevada, and lies in Section(s) 27, Township 19 North, Range 53 East, MDM.

The locator claims 1400 feet in a Northerly direction and 100 feet in a Southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: Drilling Rotary Frill Hole No. 705 to a depth of 300 feet on the
Ann No. 13 Lode Mining Claim

Such work was done at a point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of contiguous claims are as follows: Ann Nos. 3, 4, 5, 6, 7, 8, 9,
11, 12 and 13 Lode Mining Claims

The total cost of such work consisted of at least \$ 1,000.00.

The corners and side centers of this claim are located and marked as follows:

From the northwest corner, a post marked Ann No. 12 NW Cor., thence in a easterly direction 600 feet to the northeast corner, a post marked Ann No. 12 NE Cor., thence 750 feet in a southerly direction to the east side center, a post marked Ann No. 12 ESC., thence 750 feet in a southerly direction to the southeast corner, a post marked Ann No. 12 SE Cor., thence 600 feet in a westerly direction to the southwest corner, a post marked Ann No. 12 SW Cor., thence 750 feet in a northerly direction to the west side center, a post marked Ann No. 12, WSC., thence 750 feet in a northerly direction to the northwest corner, the point of beginning.

Each of the above-described monuments is a post 4" x 4" diameter, by 4-1/2' long, set 1 foot in the ground.

All location and discovery work necessary to complete this location has been performed by September 1, 1967.

Dated this 1st day of September, 1967.

THIS IS TO CERTIFY that the Jay No. 1 Lode Mining Claim was located by Roger A. Lillibridge, whose post-office address appears below, on the 27th day of June, 1967.

The general course of said vein or lode, as near as it may be described is north and south.

The claim is situated in the Eureka Mining District, Eureka County, State of Nevada, and lies in Section(s) 22 & 27, Township 19 North, Range 53 East, NDM .

The locator claims 655 feet in a Northerly direction and 845 feet in a Southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: Drilling Rotary Drill Hole No. 708 to a depth of 170 feet on the Jay No. 4 lode mining Claim.

Such work was done at a point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of contiguous claims are as follows: Jay Nos. 1, 2, 3, 4, 8, 9, 10, 11, 15 and 16 lode mining claims.

The total cost of such work consisted of at least \$ 1,000.00.

The corners and side centers of this claim are located and marked as follows:

From the northwest corner, a post marked Jay No. 1 NW Cor., thence in a easterly direction 600 feet to the northeast corner, a post marked Jay No. 1 NE Cor., thence 750 feet in a southerly direction to the east side center, a post marked Jay No. 1 ESC., thence 750 feet in a southerly direction to the southeast corner, a post marked Jay No. 1 SE Cor., thence 600 feet in a westerly direction to the southwest corner, a post marked Jay No. 1 SW Cor., thence 750 feet in a northerly direction to the west side center, a post marked Jay No. 1, WSC., thence 750 feet in a northerly direction to the northwest corner, the point of beginning.

Each of the above-described monuments is a post 4" x 4" diameter, by 4-1/2" long, set 1 foot in the ground.

THIS IS TO CERTIFY that the Jay No. 8 Lode Mining Claim was located by Roger A. Lillibridge, whose post-office address appears below, on the 27th day of June, 1967.

The general course of said vein or lode, as near as it may be described is north and south.

The claim is situated in the Eureka Mining District, Eureka County, State of Nevada, and lies in Section(s) 22, Township 19 North, Range 53 East, MDM.

The locator claims 300 feet in a Northerly direction and 1200 feet in a Southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: Drilling Rotary Drill Hole No. 708 to a depth of 170 feet on the

Jay No. 4 lode mining claim

Such work was done at a point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of contiguous claims are as follows: Jay Nos. 1, 2, 3, 4, 8, 9, 10, 11, 15 and 16 lode mining claims

The total cost of such work consisted of at least \$1,000.00.

The corners and side centers of this claim are located and marked as follows:

From the northwest corner, a post marked Jay No. 8 NW Cor., thence in a easterly direction 600 feet to the northeast corner, a post marked Jay No. 8 NE Cor., thence 750 feet in a southerly direction to the east side center, a post marked Jay No. 8 ESC., thence 750 feet in a southerly direction to the southeast corner, a post marked Jay No. 8 SE Cor., thence 600 feet in a westerly direction to the southwest corner, a post marked Jay No. 8 SW Cor., thence 750 feet in a northerly direction to the west side center, a post marked Jay No. 8 WSC., thence 750 feet in a northerly direction to the northwest corner, the point of beginning.

Each of the above-described monuments is a post 4" x 4" diameter, by 4-1/2' long, set 1 foot in the ground.

All location and discovery work necessary to complete this location has been performed by September 1, 1967.

Dated this 1st day of September, 1967.

THIS IS TO CERTIFY that the Jay No. 9 Lode Mining Claim was located by Roger A. Lillibridge, whose post-office address appears below, on the 27th day of June, 1967.

The general course of said vein or lode, as near as it may be described is north and south.

The claim is situated in the Eureka Mining District, Eureka County, State of Nevada, and lies in Section(s) 21 & 22, Township 19 North, Range 53 East, MDM .

The locator claims 40 feet in a Northerly direction and 1460 feet in a Southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: Drilling Rotary Drill Hole No. 708 to a depth of 170 feet on the Jay

No. 4 lode mining claim

Such work was done at a point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of contiguous claims are as follows: Jay Nos. 1, 2, 3, 4, 8, 9, 10, 11, 15 and 16 lode mining claims

The total cost of such work consisted of at least \$ 1,000.00.

The corners and side centers of this claim are located and marked as follows:

From the northwest corner, a post marked Jay No. 9 NW Cor., thence in a easterly direction 600 feet to the northeast corner, a post marked Jay No. 9 NE Cor., thence 750 feet in a southerly direction to the east side center, a post marked Jay No. 9 ESC., thence 750 feet in a southerly direction to the southeast corner, a post marked Jay No. 9 SE Cor., thence 600 feet in a westerly direction to the southwest corner, a post marked Jay No. 9 SW Cor., thence 750 feet in a northerly direction to the west side center, a post marked Jay No. 9 WSC., thence 750 feet in a northerly direction to the northwest corner, the point of beginning.

Each of the above-described monuments is a post 4" x 4" diameter, by 4-1/2' long, set 1 foot in the ground.

All location and discovery work necessary to complete this location has been performed by September 1, 1967.

THIS IS TO CERTIFY that the Jay No. 19 Lode Mining Claim was located by Roger A. Lillibridge, whose post-office address appears below, on the 27th day of June, 1967.

The general course of said vein or lode, as near as it may be described is north and south.

The claim is situated in the Eureka Mining District, Eureka County, State of Nevada, and lies in Section(6) 21, Township 19 North, Range 53 East, MDM .

The locator claims 100 feet in a Northerly direction and 1400 feet in a Southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: Drill Rotary Drill Hole No. 209 to a depth of 175 feet on the Jay No. 18 Lode Mining Claim.

Such work was done at a point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of contiguous claims are as follows: Jay Nos. 5, 6, 7, 12, 13, 14, 17, 18, 19 and 20 lode mining claims.

The total cost of such work consisted of at least \$ 1,000.00.

The corners and side centers of this claim are located and marked as follows:

From the northwest corner, a post marked Jay No. 19 NW Cor., thence in a easterly direction 600 feet to the northeast corner, a post marked Jay No. 19 NE Cor., thence 750 feet in a southerly direction to the east side center, a post marked Jay No. 19 ESC., thence 750 feet in a southerly direction to the south-east corner, a post marked Jay No. 19 SE Cor., thence 600 feet in a westerly direction to the southwest corner, a post marked Jay No. 19 SW Cor., thence 750 feet in a northerly direction to the west side center, a post marked Jay No. 19 WSC., thence 750 feet in a northerly direction to the northwest corner, the point of beginning.

Each of the above-described monuments is a post 4" x 4" diameter, by 4-1/2' long, set 1 foot in the ground.

All location and discovery work necessary to complete this location has been performed by September 1, 1967.

Dated this 1st day of September, 1967.

THIS IS TO CERTIFY that the Jay No. 21 Fraction Lode Mining Claim was located by Roger A. Lillibridge, whose post-office address appears below, on the 27th day of June, 1967.

The general course of said vein or lode, as near as it may be described is north and south.

The claim is situated in the Eureka Mining District, Eureka County, State of Nevada, and lies in Section(6) 21, Township 19 North, Range 53 East, MDM.

The locator claims 350 feet in a Northerly direction and 1150 feet in a Southerly direction from the point of discovery, with a width of 150 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: Drilling Rotary Drill Hole No. 710 to a depth of 63 feet on the Jay No. 24 lode mining claim.

Such work was done at a point within a group of contiguous claims and results in tending to advance the exploration of such claims as a group. The names of which said group of contiguous claims are as follows: Jay Nos. 21, 22, 23, 24, 25, 26, 27, 28, and 29 lode mining claims.

The total cost of such work consisted of at least \$ 900.00.

The corners and side centers of this claim are located and marked as follows:

From the northwest corner, a post marked Jay No. 21 Fraction NW Cor., thence in a easterly direction 600 feet to the northeast corner, a post marked Jay No. 21 Fraction NE Cor., thence 750 feet in a southerly direction to the east side center, a post marked Jay No. 21 Fraction ESC., thence 750 feet in a southerly direction to the south-east corner, a post marked Jay No. 21 Fraction SE Cor., thence 600 feet in a westerly direction to the southwest corner, a post marked Jay No. 21 Fraction SW Cor., thence 750 feet in a northerly direction to the west side center, a post marked Jay No. 21 Fraction WSC., thence 750 feet in a northerly direction to the northwest corner, the point of beginning.

Each of the above-described monuments is a post 4" x 4" diameter, by 4-1/2' long, set 1 foot in the ground.

All location and discovery work necessary to complete this location has been performed by September 1, 1967.
