

THE UNITED STATES OF AMERICA.

To all to whom these presents shall come, Greeting:

WHEREAS, in pursuance of the provisions of the Revised Statutes of the United States, Chapter 25, Title Twenty-two, there have been deposited in the General Land Office of the United States the Plat and Field Notes of survey of the

claim of D. H. Foley and William Foley upon the

Radger Lode

accompanied by the Certificate of the Register of the Land Office at Eureka, in the State of Nevada, whereby it appears that, in pursuance of the said Revised Statutes of the United States, the said

D. H. Foley and William Foley

did, on the twenty second day of November, A. D. 1880, enter and pay for said mining claim or promise, being Mineral Entry No. 504, in the series of said Office, designated by the Surveyor

General as Lot No. 218, embracing a portion of the unsurveyed public domain

in the Eureka Mining District in the County of Eureka and

State of Nevada, in the District of Lands subject to sale

at Eureka, containing seventeen and twenty five hundred and 25/100 acres of land, more or less

and, according to the returns on file in the General Land Office, bounded, described, and plotted as follows, with magnetic variation at sixteen (16) degrees thirty (30) minutes East, to wit:

Beginning at corner No. 1, a Post marked No. 1 M. S. Survey No. 218 from which Ruby Rodd Monument No. 1 bears South less (60) degrees less (2) minutes East at the distance of twenty eight hundred and two (2802) feet, and the Little Hunt Shaft bears North fifty three (53) degrees forty three (43) minutes West at the distance

of two hundred and eighty five (285) feet. Thence from said corner No 4, South fifty one (51) degrees ten (10) minutes West, six hundred (600) feet to corner No 2, a Post marked "No 2 M. S. Survey No 218". Thence North thirty eight (38) degrees fifty (50) minutes West, fifteen hundred (1500) feet to corner No 3, a Post marked "No 3 M. S. Survey No 218". Thence North fifty one (51) degrees ten (10) minutes East, three hundred and eighty seven and five tenths (387 $\frac{5}{10}$) feet to a point on West boundary of Lot No 192, patented to D. W. Foley with his claim upon the Little Grand Lake from which corner No 4 of said Lot No 192, bears North at the distance of two hundred and thirty three and six tenths (233 $\frac{6}{10}$) feet, six hundred (600) feet to corner No 4, a Post marked "No 4 M. S. Survey No 218". Thence South thirty eight (38) degrees fifty (50) minutes East, thirty and one tenth (30 $\frac{1}{10}$) feet to a point on East boundary of said Lot No 192, from which corner No 6 of said Lot No 192, bears South at the distance of three hundred and eighty nine and seven tenths (389 $\frac{7}{10}$) feet, fifteen hundred (1500) feet to the place of beginning, containing seven hundred and twenty five hundredths (7 $\frac{25}{100}$) acres of land, more or less, and embracing fifteen hundred (1500) linear feet of the said Buffalo Lake, as represented by yellow shading in the following plat.

PLAT
of the Claim of
D. H. Foley & William Foley
upon the
Badger Lode
Eureka MINING DISTRICT, Eureka COUNTY, Nevada
Containing 14.25 Acres,
Scale 300 ft. to an inch.
Var. 16° 50' E.

HOW KNOW YE, that the United States of America, in consideration of the payment, and receipt of the sum of five hundred dollars of the United States, HAVE GIVEN AND GRANTED, and by these presents DO GIVE AND GRANT unto the said

D. H. Foley and William Foley

and to their heirs, successors, assigns, and assigns forever, the said mining claim hereinafter described as Lot No 218, embracing a portion of the public domain

with the exclusive right of possession and enjoyment of all the land included within the exterior lines of said survey, and located, excepted from these presents, and of fifteen hundred (1500) linear feet of the said Badger vein, lode, ledge, or deposit for the length hereinafter described, throughout its entire depth, although it may cross the said survey, and also of all other veins, lodes, ledges, or deposits throughout their entire depth, the top or apex of which lie inside the exterior line of said survey as the surface extended downward vertically, although such veins, lodes, ledges, or deposits in their downward course may at any depth from a perpendicular as to extend outside the vertical side lines of said survey. Provided, That the right of possession hereby granted to such outside parts of said veins, lodes, ledges, or deposits shall be confined to such portions thereof as lie between vertical planes drawn downward through the end lines of said survey at the surface, or confined to their own direction that such vertical planes will intersect such exterior parts of said veins, lodes, ledges, or deposits, excluding said portions from said premises which is embraced by said Lot No 192

And provided further, That nothing in this conveyance shall authorize the grantee, their heirs, or assigns, to enter upon the surface of a mining claim owned or possessed by another To HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities, and appurtenances of whatsoever nature thereunto belonging, unto the said

D. H. Foley and William Foley

and to their heirs, and assigns forever, subject, nevertheless, to the following conditions and stipulations: First, That the grant hereby made is restricted to the land hereinafter described as Lot No 218 fifteen hundred (1500) linear feet of the Badger vein, lode, ledge, or deposit for the length hereinafter described, throughout its entire depth, together with all other veins, lodes, ledges, or deposits, throughout their entire depth as aforesaid, the top or apex of which lie inside the exterior line of said survey. Second, That the premises hereby conveyed, with the extension of the surface, may be traversed by the possessor of any other vein, lode, ledge, or deposit, the top or apex of which lie outside the exterior limits of said survey, should the same in its downward course be found to penetrate, intersect, cross, lay, or extend in the premises hereby granted, for the purpose of extracting and removing the ore from such other vein, lode, ledge, or deposit. Third, That the premises hereby conveyed shall be held subject to any vested and natural way, right, or mining, agricultural, manufacturing, or other purposes, and rights to drains and reservoirs used in connection with such water rights as may be recognized and others, subject by the local laws, customs, and usages of courts. Fourth, That in the absence of necessary legislation by Congress, the legislature of Colorado may provide rules for working the mining claim or claims hereby granted, involving easements, drainage, and other necessary means to its complete development.

IN TESTIMONY WHEREOF I, Charles A. Arthur President of the United States of America, have caused these letters to be made Patent, and the Seal of the General Land Office to be hereunto affixed.

GIVEN under my hand in the City of Washington, the fifteenth day of April, 1897, in the year of our Lord one thousand eight hundred and ninety-seven, and of the Independence of the United States the one hundred and ninth
