

General Land Office No. 6057

MINERAL CERTIFICATE NO. 489

THE UNITED STATES OF AMERICA

To all to whom these presents shall come, Greeting:

WHEREAS, in pursuance of the provisions of the Revised Statutes of the United States, Chapter Six, Title Thirty-two, there have been deposited in the General Land Office of the United States the Plat and Field Notes of survey of the claim of the Northwestern Consolidated Mining Company upon the Jack and Scambrud Lode

accompanied by the Certificate of the Register of the Land Office at Eureka, in the State of Nevada, whereby it appears that, in pursuance of the said Revised Statutes of the United States, the said

Northwestern Consolidated Mining Company

did, on the thirtieth day of July, A. D. 1880, enter and pay for said mining claim or premises, being Mineral Entry No. 489, in the series of said Office, designated by the Surveyor General as Lot No 217, embracing a portion of the unsurveyed public domain

in the Eureka Mining District in the County of Eureka, State of Nevada, in the District of Lands subject to sale as Eureka, containing thirteen and fourteen hundredths $14/100$ acres of land, more or less.

and, according to the returns on file in the General Land Office, bounded, described, and platted as follows, with magnetic variation at sixteen degrees thirty (30) minutes East to wit:

Beginning at Corner No 1, a Post marked No 1. U. S. Survey No 217, the same being corner No 1, of Lot No 216, made for the claim of the Northwestern Consolidated Mining Company upon the Western and Winchester Lode, and corner No 3, of Lot No 148, made for the Altam No 1, Lode, from which Ruby Hill Monument No 1,

bears South forty (40) degrees forty six (46) minutes East at
 the distance of twenty five hundred and fifty (2500)
 feet, and the Jack and Scan land shaft bears North
 fifty three (53) degrees fifteen (15) minutes West at the
 distance of nine hundred and fifty (950) feet. Thence,
 from said corner No 1, South thirty eight (38) degrees
 West, two hundred (200) feet to corner No 2 of said Lot
 No 148, and corner No 4 of Lot No 149, made for the
 Albion No 2 Lode, four hundred (400) feet to corner
 No 2, a Post marked "No 2, M. S. Survey No 217" the
 same being corner No 3, of said Lot No 149, and corner
 No 3 of Lot No 150, made for the Albion No 3 Lode.
 Thence, North thirty four (34) degrees thirty (30) minutes
 West, fifteen hundred (1500) feet to corner No 3, a Post
 marked "No 3, M. S. Survey No 217". Thence, North
 thirty eight (38) degrees East, four hundred (400) feet to
 corner No 4, a Post marked "No 4, M. S. Survey No 217"
 the same being corner No 2 of said Lot No 216. Thence,
 South thirty four (34) degrees thirty (30) minutes East,
 fifteen hundred (1500) feet to the place of beginning,
 containing thirteen and fourteen hundredths (13 1/4)
 acres of land, more or less, and embracing fifteen
 hundred (1500) linear feet of the said Jack and Scan
 land Lode, as represented by yellow shading in the
 following plat.

NOW KNOW YE, that the United States of America, in consideration of the premises, and in conformity with the Act of Congress of the United States, HAVE GIVEN AND GRANTED, and by these presents DO GIVE AND GRANT, unto the said

Northern Consolidated Mining Company

its successors
 unto the said *Northern Consolidated Mining Company*, embracing a portion of the *unimproved*
public domain

with the sole and right of possession and enjoyment of all the land included within the exterior lines of said survey, and beneath
 especially excepted from said grant, and of *fifteen hundred (1500)*
 linear feet of the said *Jack and Skanland*
 deposit for the length heretofore described, throughout its entire depth, although it may enter the said stratum, and also of
 all other veins, lodes, ledges, or deposits throughout their entire depth, the top or apex of which lie inside the exterior line
 of said survey at the surface extended downward vertically, although such veins, lodes, ledges, or deposits in their downward
 course may so far depart from a perpendicular as to extend outside the vertical side lines of said survey. Provided, That the
 right of possession hereby granted to such outside parts of said veins, lodes, ledges, or deposits shall be confined to such
 portions thereof as lie between vertical planes drawn downward through the end lines of said survey at the surface in
 contained in their own direction that such vertical planes will intersect such exterior parts of said veins, lodes, ledges, or deposits.

And provided further, That nothing in this conveyance shall authorize the grantee, *its successors*
 or assigns, to enter upon the surface of a mining claim owned or possessed by another.
 TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities, and appurtenances
 of whatever nature thereto belonging, unto the said

Northern Consolidated Mining Company

and to *its successors*, and assigns forever, subject, nevertheless, to the following conditions and stipulations:
 First, That the grant hereby made is restricted to the land hereinafter described as *St No 217*
Jack and Skanland with *fifteen hundred (1500)*
 deposit for the length heretofore described, throughout its entire depth as aforesaid, together with all other veins, lodes, ledges, or deposits throughout their entire depth
 as aforesaid, the top or apex of which lie inside the exterior line of said survey.

Second, That the premises hereby conveyed, with the exception of the surface, may be entered by the provisions of any
 other vein, lode, ledge, or deposit, the top or apex of which lies outside the exterior limits of said survey, should the same in
 its downward course be found to penetrate, intersect, extend into, or underlie the premises hereby granted, for the purpose of
 extracting and removing the ore from such other vein, lode, ledge, or deposit.

Third, That the premises hereby conveyed shall be held subject to any vested and accrued water rights for mining,
 irrigation, manufacturing, or other purposes, and rights to ditches and pipelines used in connection with such water rights
 as may be recognized and acknowledged by the local laws, customs, and decisions of courts.

Fourth, That in the absence of primary legislation by Congress, the Secretary of the *Mineral*
 may prescribe rules for working the mining claim or premises hereby granted, involving common drainage and other necessary
 means to its complete development.

IN TESTIMONY WHEREOF, I, *Chester A. Arthur*, President of the
 UNITED STATES OF AMERICA, have caused these letters to be made PUBLIC, and the SEAL OF THE GENERAL LAND OFFICE
 to be hereunto affixed.

GIVEN under my hand, at the City of Washington, the *thirtieth* day
 of *June*, in the year of our Lord one thousand eight hundred and
eighty-seven, and of the Independence of the United States the one
 hundred and *sixth*
