

General Land Office
No. 442

Mineral Certificate
No. 442

The United States of America

To all to whom these Presents shall come, Greeting:

Whereas, in pursuance of the provisions of the Revised Statutes of the United States, Chapter 31, Title Thirty-two, there have been deposited in the General Land Office of the United States the National Field Notes of survey of the claim of D. H. Foley for the

Little Grant Lode

accompanied by the certificate of the Register of the Land Office at Eureka in the State of Nevada whereby it appears that, in pursuance of the said Revised Statutes of the United States

D. H. Foley

did, on the thirtieth day of October, A.D. 1879, enter and pay for said mining claim a plan, being Mineral Certificate No. 442, in the office of said Office, designated by the Survey General as L. No. 92, embracing a portion of the unappropriated lands in the Eureka Mining District in the County of Eureka and State of Nevada in the District of lands subject to sale at Eureka containing four (4) acres and eleven hundredths (11/100) of an acre of more or less, and, according to the returns on file in the General Land Office, bounded, described, and plotted as follows, with magnetic variation at sixteen (16) degrees twenty five minutes East, to wit:

Beginning at corner No. 1, a Post marker No. 1, U.S. Survey No. 192, from which Red Hill No. 1 has Smith variation (17) degrees (11) minutes East at the distance of thirty three hundred and eighteen (3318) feet, Richardson Shaft has Smith twenty eight (28) degrees thirty two (32) minutes East at the distance

I run by hundred and ninety (190) feet, and a shaft
 of the same kind runs North fifty eight (58) degrees fifteen (15) minutes
 West at the distance of five hundred and eighty four (584) feet.
 Thence from said corner No. 1, West two hundred and thirteen
 (213) feet to corner No. 2, a Post marked No. 2, U.S. Survey No. 192.
 Thence North thirty eight (38) degrees fifteen (15) minutes West five
 hundred and ninety one and nine tenths (591.9) feet to corner
 No. 3, a Post marked No. 3, U.S. Survey No. 192. Thence North
 five hundred (500) feet to corner No. 4, a Post marked No. 4,
 U.S. Survey No. 192. Thence East two hundred (200) feet
 to corner No. 5, a Post marked No. 5, U.S. Survey No. 192.
 Thence South five hundred (500) feet to corner No. 6, a Post
 marked No. 6, U.S. Survey No. 192. Thence South fifty (50)
 degrees East, five hundred (500) feet to the place of beginning
 containing four (4) acres and eleven hundredths (11/100)
 of an acre of land, more or less, and embracing one thousand
 (1000) linear feet of the Little Heart of the, to wit, five hun-
 dred (500) linear feet Northward, and five hundred (500)
 linear feet Southward, from the principal shaft on
 said side, as represented by yellow shading in the following
 plat.

PLAT
of the Claim of
DWFOLEY.

upon the
Tittle Grant Lode

Evroka MINING DISTRICT, *Evroka* COUNTY, *Nevada*

Consists of **4** 1/2
Sections **2008**
Filed **10/30**

Now know ye, That the United States of America, in consideration of the premises, and in conformity with the said Public Statute of the United States, have hereunto granted, and by these presents do give and grant, unto the said

D. M. Foley

and to his heirs, and assigns the said mining premises heretofore described in Lot No. 192, embracing a portion of the unincorporated public domain, with the exclusive right of possession and enjoyment of all the lands included within the exterior lines of said survey and herein expressly excepted from these premises, and of one thousand (1000) below feet of the said Little Grant vein, lode, ledge, or deposit for the length heretofore described, throughout its entire depth, although it may enter the land adjoining, and also of all other veins, lodes, ledges, or deposits throughout their entire depth, the top or apex of which lie inside the exterior lines of said survey at the surface, extended downward vertically, although such veins, lodes, ledges, or deposits in their downward course may so far depart from a perpendicular as to extend quite to the vertical side lines of said survey: Provided, that the right of possession hereby granted to such outside parts of said vein, lode, ledge, or deposit shall be confined to such portions thereof as lie between vertical planes drawn downward through the line of said survey at the surface, so continued in their own direction that such vertical planes will intersect such exterior parts of said vein, lode, ledge, or deposit. And provided further, that nothing in this conveyance shall authorize the grantee herein, his heirs, or assigns to enter upon the surface of a mining owned or possessed by another in Heaven and to hold said mining premises, together with all the rights, privileges, immunities, and appurtenances of whatsoever nature thereunto belonging, unto the said

Article 10.

and to his heirs, and assigns forever, subject, nevertheless, to the following conditions and stipulations:

First. That the grant hereby made is restricted to the lease hereby granted, as in and to the said deed, and to the lease of the little Grant mine, lode, ledge, or deposit, for the length of years throughout its entire depth as aforesaid, together with all other mines, lodes, ledges, or deposits throughout their entire depths as aforesaid, the tops or apices of which lie inside the exterior limits of said survey.

Second. That the premises hereby conveyed, with the exception of the surface, may be entered by the proprietor of any other mine, lode, ledge, or deposit, the top or apex of which lies outside the exterior limits of said survey, should the same in its downward course be found to penetrate, intersect, or touch into, or underlie the premises hereby granted, for the purpose of extracting and removing the ore from such other mine, lode, ledge, or deposit.

Third. That the premises hereby conveyed shall be held subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs in connection with such water rights may be recognized and acknowledged by the local laws, customs, and decisions of courts.

Fourth. That in the absence of necessary legislation by Congress the Legislature of Nevada may prohibit suits for working the mining claim or premises hereby granted, involving community drainage, and other necessary means to its complete development.

On this day appeared L. R. Hedges, B. Hays, President of the
United States of America, gave cause three letters to be passed
before, and the Seal of the General Land Office to be hereunto
affixed.

Given under my hand, at the City of
Washington, the twenty eighth day of
October, in the year four and one
thousand eight hundred and eighty
and of the Independence of the
United States the one hundred and
fifth.
