NOTE

\*The small type under blank lines is merely a guide for the locator and is no part of this notice.  
 †Diagram of Claim—The location (discovery point) and corner monuments should be designated on the accompanying diagram to make the Record of claim more perfect.  
 A mining claim must not exceed 1500 feet in length along the vein or lode by 600 feet in width, 300 feet on each side of center of vein at surface.  
 No location of a mining claim can be made until the discovery of the vein or lode within the limits of the ground claimed.  
 The claim must be distinctly marked on the ground, so its boundaries can be readily traced.  
 A severe penalty is provided by law for removing or defacing the stakes or monuments of a mining claim.  
 Claims located on Sundays or holidays are legal.  
 All valuable mineral deposits in land of the Government are locatable by citizens of the United States only, and those who have declared their intentions to become such.  
 This location notice must be filed for Record with the County Recorder of the county in which the claim is filed.
