

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Gossan #1 Lode Mining Claim was located by G. E. Morse - partner, whose post office address appears below, on the 15 day of May, 1969

The general course of said lode or vein is Northerly & Southerly

The claim is situated in the undiscovered Mining District, Eureka County, State of Nevada, in the area known as Twin peaks at the head of Davis Canyon - S.E. corner govt survey monument

The locator 5 claim 750 feet in a Northerly direction and 750 feet in a Southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

channel into, again road & trail appear

The total cost of such work consisted of at least \$110.<sup>00</sup>

The corners and side centers of the claim are located and marked as follows:

From the Northeast corner, a monument marked Gossan #1 N.E. Cor., thence in a easterly direction 300 feet to the N.E. corner, a monument marked Gossan #1 N.E. Cor., thence 750 feet in a southerly direction to the west side center, a monument marked Gossan #1 E. SC thence 750 feet in a southerly direction to the S.E. corner, a monument marked Gossan #1 S.E. Cor., thence 300 feet in a westerly direction to the S.W. corner, a monument marked Gossan #1 S.W. Cor., thence 750 feet in a northerly direction to the west side center, a monument marked Gossan #1 W.S.C., thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is at least 4 inches diameter, by 4 feet 6 inches in length, set in ground. All location and discovery work necessary to complete this location had been performed by

G. E. Morse May 15 1969

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Gordon #2 Lode Mining Claim was located by G. E. Morse & partners, whose post office address appears below, on the 1 day of May, 1969.

The general course of said lode or vein is Northely & Southely.

The claim is situated in the Union Mining District, Eureka County, State of Nevada, in the area known as twin peaks at the head of Denis Canyon - N.E. corner Gov't survey monument

The locator's claim 750 feet in a northely direction and 750 feet in a southely direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

cleared open cuts, repair roads & haul system

The total cost of such work consisted of at least \$ 100.00

The corners and side centers of the claim are located and marked as follows:

From the Northwest corner, a monument marked Gordon #2 NW Cor., thence in a eastely direction 300 feet to the N.E. corner, a monument marked Gordon #2 N.E. Cor., thence 750 feet in a southely direction to the EAST side center, a monument marked Gordon #2 EBC, thence 750 feet in a southely direction to the S.E. corner, a monument marked Gordon #2 S.E. Cor., thence 300 feet in a westely direction to the S.W. corner, a monument marked Gordon #2 S.W. Cor., thence 750 feet in a northely direction to the WEST side center, a monument marked Gordon #2 W.S.C., thence 750 feet northely to the point of beginning.

Each of the above-described monuments is at least 4 inches diameter by 4 feet birches in length, set in ground

All location and discovery work necessary to complete this location had been performed by

May 1, 1969

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Gossan # 3 Lode Mining Claim was located by G. E. Morse & partners, whose post office address appears below, on the 5 day of May, 1969.

The general course of said lode or vein is Northerly, easterly + Southerly westerly

The claim is situated in the ~~xxxx~~ unknown Mining District, Eureka County, State of Nevada, in the area known as twin peaks at the head of Davis Canyon - N.W. corner quit quit survey monument

The locator's claim 1200 feet in a southerly direction and 300 feet in a Northerly direction from the point of discovery, with a width of 200 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

excavated & cleaned cuts, repair roads & haul system

The total cost of such work consisted of at least \$100.00

The corners and side centers of the claim are located and marked as follows:

From the N.E. corner corner, a monument marked Gossan # 3 N.E. Cor., thence in a lastly direction 200 feet to the N.E. corner, a monument marked Gossan # 3 N.E. Cor., thence 250 feet in a southerly direction to the last side center, a monument marked Gossan # 3 E. SC, thence 250 feet in a southerly direction to the S.E. corner, a monument marked Gossan # 3 S.E. Cor., thence 200 feet in a westerly direction to the S.W. corner, a monument marked Gossan # 3 S.W. Cor., thence 750 feet in a Northerly direction to the West side center, a monument marked Gossan # 3 W. SC, thence 750 feet southerly to the point of beginning.

Each of the above-described monuments is A post at least six inches in diameter by 4'6" in length set in ground

All location and discovery work necessary to complete this location had been performed by

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Gossan # 4 Lode Mining Claim was located by B. E. Morse & partners, whose post office address appears below, on the 2 day of May, 1969

The general course of said lode or vein is Northerly, easterly, southerly, westerly  
The claim is situated in the Union Mining District, Esmeralda

County, State of Nevada, in the area known as Twin peaks at the head of Davis Canyon S.W. corner Govt survey monument

The locator's claim 600 feet in a northerly direction and 900 feet in a southerly direction from the point of discovery, with a width of \_\_\_\_\_ feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: \_\_\_\_\_

cleaned cuts, repair road & trail, expenses & cleaned out spring

The total cost of such work consisted of at least \$ 100.<sup>00</sup>

The corners and side centers of the claim are located and marked as follows:

From the N.W. corner, a monument marked Gossan # 4 N.W. Cor., thence in a Northerly direction 300 feet to the N.E. corner, a monument marked Gossan # 4 N.E. Cor., thence 250 feet in a southerly direction to the east side center, a monument marked Gossan # 4 E. SC, thence 250 feet in a southerly direction to the S.E. corner, a monument marked Gossan # 4 S.E. Cor., thence 300 feet in a westerly direction to the S.W. corner, a monument marked Gossan # 4 S.W. Cor., thence 250 feet in a northerly direction to the west side center, a monument marked Gossan # 4 W. SC, thence 250 feet northerly to the point of beginning.

Each of the above-described monuments is A post at least 4 inches in diameter by 4'6" in length, set in ground

All location and discovery work necessary to complete this location had been performed by May 2, 1969.

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Gorran # 5 Lode Mining Claim was located by G. E. Morse & partners, whose post office address appears below, on the 2 day of May, 1969.

The general course of said lode or vein is easterly & westerly

The claim is situated in the Uniontown Mining District, Eureka County, State of Nevada, in the area known as Twin peaks at the head of Denis Canyon - tunnel & shaft on south side of south granite peak

The locator's claim 750 feet in a westerly direction and 750 feet in a easterly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

cleared cuts, repair roads & hand exposure

The total cost of such work consisted of at least \$100.00

The corners and side centers of the claim are located and marked as follows:

From the S.W. corner, a monument marked Gorran # 5 S.W. Cor., thence in a northerly direction 300 feet to the N.W. corner, a monument marked Gorran # 5 N.W. Cor., thence 750 feet in a easterly direction to the North side center, a monument marked Gorran # 5 N. SC, thence 750 feet in a easterly direction to the N.E. corner, a monument marked Gorran # 5 N.E. Cor., thence 300 feet in a southerly direction to the S.E. corner, a monument marked Gorran # 5 S.E. Cor., thence 750 feet in a westerly direction to the South side center, a monument marked Gorran # 5 S. SC, thence 750 feet west to the point of beginning.

Each of the above-described monuments is at least 4 inches diameter by 4 feet 6 inches 10 deep set in ground

All location and discovery work necessary to complete this location had been performed by May 2, 1969.

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Dosser #7 Lode Mining Claim was located by G.E. Morse & partners, whose post office address appears below, on the 12 day of May, 1969.

The general course of said lode or vein is northwest & northwest

The claim is situated in the unknown Mining District, Eureka County, State of Nevada, in the area known as Twin peaks at the head of Davis Canyon - known as Blacksmith Shop - on east side of north peak

The locator's claim 750 feet in a northely direction and 750 feet in a southely direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

cleaned out, repair roads, trail appear

The total cost of such work consisted of at least \$100.<sup>00</sup>

The corners and side centers of the claim are located and marked as follows:

From the Northwest corner, a monument marked Section #7 N.W. Cor., thence in a eastly direction 300 feet to the N.E. corner, a monument marked Section #7 N.E. Cor., thence 750 feet in a Southely direction to the east side center, a monument marked Section #7 E. SC, thence 750 feet in a Southely direction to the S.E. corner, a monument marked Section #7 S.E. Cor., thence 300 feet in a westly direction to the S.W. corner, a monument marked Section #7 S.W. Cor., thence 750 feet in a Northely direction to the west side center, a monument marked Section #7 W. SC, thence 750 feet Northely to the point of beginning.

Each of the above-described monuments is a post about 4 inches diameter by 4 ft high in length set in ground.

All location and discovery work necessary to complete this location had been performed by

MAY 12, 1969.

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Gosman #10 Lode Mining Claim was located by G. E. Morse & partners, whose post office address appears below, on the 2 day of May, 1969.

The general course of said lode or vein is so. westerly & north easterly

The claim is situated in the unknown Mining District, Lumbas County, State of Nevada, in the area known as twin peaks at the head of Basin Canyon - joins base claim #1 and #2 on west side line

The locator's claim 300 feet in a northwesterly direction and 1200 feet in a southeasterly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

cleaned cut, repair roads & travel expenses

The total cost of such work consisted of at least \$100.00

The corners and side centers of the claim are located and marked as follows:

From the N.W. corner corner, a monument marked Gosman #10 N.W. Cor., thence in a east direction 300 feet to the N.E. corner, a monument marked Gosman #10 N.E. Cor., thence 750 feet in a southeasterly direction to the east side center, a monument marked Gosman #10 E. SC, thence 750 feet in a southeasterly direction to the S.E. corner, a monument marked Gosman #10 S.E. Cor., thence 300 feet in a westerly direction to the S.W. corner, a monument marked Gosman #10 S.W. Cor., thence 750 feet in a northwesterly direction to the west side center, a monument marked Gosman #10 W. SC, thence 750 feet northwesterly to the point of beginning.

Each of the above-described monuments is 1/2" galv. pipe 4" dia. in hole 4 ft. diameter in length set in ground

All location and discovery work necessary to complete this location had been performed by

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Bossa # 11 Lode Mining Claim was located by E. H. Drollinger & partners, whose post office address appears below, on the 17 day of June, 1969.

The general course of said lode or vein is northely & southely

The claim is situated in the unknown Mining District, Luba County, State of Nevada, in the area known as Twin peaks at the head of Lane Canyon. water trough at S.E. corner

The locator's claim 750 feet in a northely direction and 750 feet in a southely direction from the point of discovery, with a width of 312 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

cleaned cuts, again made & haul off

The total cost of such work consisted of at least \$100.00

The corners and side centers of the claim are located and marked as follows:

From the Northwest corner, a monument marked Bossa # 11 N.W. Cor., thence in a westely direction 300 feet to the N.E. corner, a monument marked Bossa # 11 N.E. Cor., thence 750 feet in a southely direction to the East side center, a monument marked Bossa # 11 E. SC, thence 750 feet in a southely direction to the S.E. corner, a monument marked Bossa # 11 S.E. Cor., thence 300 feet in a westely direction to the S.W. corner, a monument marked Bossa # 11 S.W. Cor., thence 750 feet in a northely direction to the West side center, a monument marked Bossa # 11 W. SC, thence 750 feet northely to the point of beginning.

Each of the above-described monuments is approx at least 2 inches diameter, 4 feet high in length, set in ground.

All location and discovery work necessary to complete this location had been performed by

June 17, 1969.

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Box # 12 Lode Mining Claim was located by E. H. Deallinger & partners, whose post office address appears below, on the 17 day of June, 1969.

The general course of said lode or vein is northely & southely. The claim is situated in the unknown Mining District, Esler County, State of Nevada, in the area known as twin peaks at the head of Davis Canyon - south of springs on gozon #11. The locator 2 claim 750 feet in a northely direction and 750 feet in a southely direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: cleaned cuts, repair roads & trail across in group

The total cost of such work consisted of at least \$100.00

The corners and side centers of the claim are located and marked as follows: From the Northwest corner, a monument marked gozon # 12 NW Cor., thence in a eastely direction 300 feet to the NE corner, a monument marked gozon # 12 NE Cor., thence 750 feet in a southely direction to the East side center, a monument marked gozon # 12 E SC, thence 750 feet in a southely direction to the SE corner, a monument marked gozon # 12 SE Cor., thence 300 feet in a westely direction to the SW corner, a monument marked gozon # 12 SW Cor., thence 750 feet in a northely direction to the west side center, a monument marked gozon # 12 W SC, thence 750 feet northely to the point of beginning.

Each of the above-described monuments is approx at least 4 inches diameter, 4 feet length in length, set in ground.

All location and discovery work necessary to complete this location had been performed by June 17, 1969.

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Gravel # 13 Lode Mining Claim was located by E. H. Drillingen, whose post office address appears below, on the 20 day of June, 1969.

The general course of said lode or vein is northerly + westerly

The claim is situated in the unknown Mining District, Eureka County, State of Nevada, in the area known as twin peaks at the head of Davis Canyon Big hill southwest of south granite peak

The locator's claim 750 feet in a eastly direction and 750 feet in a westerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

cleaned cuts, repair roads, trail, effluvia

The total cost of such work consisted of at least \$100.00

The corners and side centers of the claim are located and marked as follows:

From the S.W. corner, a monument marked Gravel # 13 S.W. Cor., thence in a northerly direction 750 feet to the N.W. corner, a monument marked Gravel # 13 N.W. Cor., thence 750 feet in a eastly direction to the north side center, a monument marked Gravel # 13 N. SC, thence 750 feet in a eastly direction to the N.E. corner, a monument marked Gravel # 13 N.E. Cor., thence 300 feet in a southerly direction to the S.E. corner, a monument marked Gravel # 13 S.E. Cor., thence 750 feet in a westerly direction to the south side center, a monument marked Gravel # 13 S. SC, thence 750 feet west to the point of beginning.

Each of the above-described monuments is Apostat least 4 inches diameter 4 feet 6 inches in length, set in ground.

All location and discovery work necessary to complete this location had been performed by

June 20, 1969

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Group # 14 Lode Mining Claim was located by E. H. Doolinger, + partners, whose post office address appears below, on the 21 day of June, 1969.

The general course of said lode or vein is Northely + southely

The claim is situated in the unknown Mining District, Esmeralda County, State of Nevada, in the area known as Twin peaks at the head of Davis Canyon from group # 3 on east side line and group # 19 on west side line.

The locator's claim 750 feet in a northely direction and 750 feet in a southely direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

repair roads, cleared cuts, hand assays  
in group

The total cost of such work consisted of at least \$ 100.<sup>00</sup>

The corners and side centers of the claim are located and marked as follows:

From the Northwest corner, a monument marked Group # 14 NW Cor., thence in a eastely direction 300 feet to the N.E. corner, a monument marked Group # 14 N.E. Cor., thence 750 feet in a southely direction to the East side center, a monument marked Group # 14 E.S.C., thence 750 feet in a southely direction to the S.E. corner, a monument marked Group # 14 S.E. Cor., thence 300 feet in a westely direction to the S.W. corner, a monument marked Group # 14 S.W. Cor., thence 750 feet in a Northely direction to the West side center, a monument marked Group # 14 W.S.C., thence 750 feet Northely to the point of beginning.

Each of the above-described monuments is at least 4 inches diameter 4 feet high 1/4 length set in ground.

All location and discovery work necessary to complete this location had been performed by June 21, 1969.

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Gossan #15 Lode Mining Claim was located by E. H. Dullinger & partners, whose post office address appears below, on the 22 day of June, 1969.

The general course of said lode or vein is northely & southely. The claim is situated in the unknown Mining District, Esmeralda County, State of Nevada, in the area known as Twin peaks at the head of Shiss Canyon east of big spring on gossan #11.

The locator's claim 750 feet in a northely direction and 750 feet in a southely direction from the point of discovery, with a width of 200 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:  
cleared cuts, Repair Roads, Travel Expenses

The total cost of such work consisted of at least \$100.00.

The corners and side centers of the claim are located and marked as follows:

From the Northwest corner, a monument marked Gossan #15 N.W. Cor., thence in a eastely direction 300 feet to the N.E. corner, a monument marked Gossan #15 N.E. Cor., thence 750 feet in a southely direction to the east side center, a monument marked Gossan #15 E. SC, thence 750 feet in a southely direction to the S.E. corner, a monument marked Gossan #15 S.E. Cor., thence 300 feet in a westely direction to the S.W. corner, a monument marked Gossan #15 S.W. Cor., thence 750 feet in a northely direction to the west side center, a monument marked Gossan #15 W. SC, thence 750 feet northely to the point of beginning.

Each of the above-described monuments is at least 4 inches diameter 4 feet long in length, set in ground.

All location and discovery work necessary to complete this location had been performed by June 22, 1969.

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Section # 17 Lode Mining Claim was located by E. H. Drellinger & partners, whose post office address appears below, on the 24 day of June, 1969.

The general course of said lode or vein is Northerly & Southerly

The claim is situated in the UNKNOWN Mining District, EUREKA County, State of Nevada, in the area known as Twin Peaks  
At the head of DAVIS CANYON Joining Section # 19 on north side  
 # 15 on north side # 15 east side  
 etc

The locator's claim 750 feet in a Northerly direction and 750 feet in a Southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

Cleaned Cuts, Repair Roads, Travel Expenses

The total cost of such work consisted of at least \$100.<sup>00</sup>

The corners and side centers of the claim are located and marked as follows:

From the Northeast corner, a monument marked Green # 17 N.E. Cor., thence in a Northerly direction 300 feet to the N.E. corner, a monument marked Green # 17 N.E. Cor., thence 750 feet in a southerly direction to the East side center, a monument marked Green # 17 E. SC, thence 750 feet in a southerly direction to the S.E. corner, a monument marked Green # 17 S.E. Cor., thence 300 feet in a westerly direction to the S.W. corner, a monument marked Green # 17 S.W. Cor., thence 750 feet in a Northerly direction to the West side center, a monument marked Green # 17 W. SC, thence 750 feet Northerly to the point of beginning.

Each of the above-described monuments is Approx. at least 4 inches diameter 4 feet high in length, set in ground.

All location and discovery work necessary to complete this location had been performed by

June 24, 1969.

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Doran # 23 Lode Mining Claim was located by G. E. Morse & partners, whose post office address appears below, on the 12 day of May, 1969.

The general course of said lode or vein is northerly + southerly. The claim is situated in the unknown Mining District, Esmeralda County, State of Nevada, in the area known as twin peaks at the head of Davis Canyon - on west side of north granite peak - S.E. corner of section #9 W.S.C. The locator's claim 75.0 feet in a eastly direction and 75.0 feet in a westerly direction from the point of discovery, with a width of 30.0 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: cleaned cuts, repair roads + travel expenses

The total cost of such work consisted of at least \$100.<sup>00</sup>

The corners and side centers of the claim are located and marked as follows: From the S.W. corner, a monument marked Doran # 23 S.W. Cor., thence in a Northerly direction 30.0 feet to the N.W. corner, a monument marked Doran # 23 N.W. Cor., thence 75.0 feet in a eastly direction to the North side center, a monument marked Doran # 23 N. SC, thence 75.0 feet in a eastly direction to the N.E. corner, a monument marked Doran # 23 N.E. Cor., thence 30.0 feet in a southerly direction to the S.E. corner, a monument marked Doran # 23 S.E. Cor., thence 75.0 feet in a westerly direction to the south side center, a monument marked Doran # 23 S. SC, thence 75.0 feet west to the point of beginning.

Each of the above-described monuments is 9 inch cast iron pipe diameter, 4 feet (min) in length set in ground. All location and discovery work necessary to complete this location had been performed by

May 12, 1969.
