Trustor further agrees:

1. (Maintenance): To properly maintain and keep the property, including any buildings, improvements and landscaping, in good condition and repair; not to remove or demolish any building or improvement; not to make any alteration or improvement which would reduce or impair, or tend to reduce or impair, the value of the property; to restore any uninsured building or improvement damaged or destroyed; to complete in a good, workmanlike manner any improvement or building which may be constructed; to pay when due all claims for labor performed or material furnished; to underpin and support, when necessary, any building or improvement; not to commit or permit any waste or deterioration of buildings, improvements, or land; not to suffer any lien to attach to the property, or to cause such liens to be discharged within a reasonable period of time; to comply with all laws, ordinances, and regulations affecting the property or its use, or in respect to alterations or improvements; and not to permit any act upon the property in violation of any law, restriction, covenant, or condition. If the property is farm land, Trustor agrees to farm, cultivate and irrigate the property in a proper, approved, and husbandlike manner.

2. (Conveyance): Trustor agrees not to sell, convey, transfer or dispose of, suffer title to be divested by operation of law, or further encumber the property or any part thereof, or any interest therein, without first obtaining the written consent of Beneficiary. Such consent, when given, shall not constitute a release of Trustor.

3. (Condemnation): Any condemnation award is hereby assigned to the Beneficiary for application to the indebtedness.

BOOK 31 PAGE 492

4. (Possession): Trustor hereby assigns to Beneficiary, to take effect upon any default by Trustor, any and all rents, issues and profits, and authorizes Beneficiary to collect the same, with or without taking possession of the property. Upon any default, Beneficiary may at any time, without notice, either in person, by agent, or by a receiver to be appointed by a court, enter upon and take possession of the property or any part thereof and, at the option of Beneficiary, rent the premises. To enforce such rights, Beneficiary is hereby granted the summary remedies of a landlord. Such acts shall not waive or affect the right of foreclosure or any other right hereunder. Beneficiary shall have the right, at reasonable times and upon reasonable notice, to inspect the premises.

5. (Waiver): Acceptance of a late or partial payment shall not constitute a waiver of default, and no waiver of any delay or default shall constitute a waiver of any other or future delay or default. Beneficiary may, from time to time, and for periods not exceeding one year, on behalf of the Trustor, renew or extend any promissory note, and the renewal or extension shall be conclusively deemed to have been made when endorsed on the note or notes.

6. (Remedies): Any default in payment, or in the performance of any covenant herein, or in any instrument secured hereby, shall have the same effect as a violation of the covenants adopted by reference and shall also entitle Beneficiary to declare all sums secured hereby immediately due and payable without demand or notice. Trustor agrees to pay any deficiency arising after application of the proceeds of sale. A Trustor who is a married woman agrees that recourse may be had against her separate property. If Beneficiary holds additional security for any obligation secured hereby, it may enforce its sale before or after a sale hereunder. Beneficiary may also bring an action to enforce the payment of any note or indebtedness secured hereby, without causing the Trustee to sell the security, the Trustor hereby waiving any provision of law requiring that recourse first be had to the security. The rights or remedies granted herein, or by law, shall be concurrent and cumulative. In the event of any tax or assessment on the interest of this Deed of Trust, it shall be deemed that such taxes and assessments are on the interest of the Trustor, who agrees to pay the same although assessed against the Beneficiary or Trustee.

7. (Parties): These agreements shall inure to, apply to, and shall bind the successors and the successors in interest of the parties. The singular shall include the plural and all genders. Obligations of parties shall be joint and several. Any notice required by law shall be given to Trustor by registered mail at Trustor's address below.
