

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Micron # 1 Lode Mining Claim was located by Utah Minerals Company, whose post office address appears below, on the 7th day of October, 19 69.

The general course of said lode or vein is Northerly & Southerly.

The claim is situated in the Lynncreek Mining District, Eureka County, State of Nevada, and lies in Section 20, Township 35 North, Range 51 East, Mount Diablo Meridian.

The locator claim 1500 feet in a Northerly direction and 600 feet in a Easterly & Westerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: and open pit 6 ft. x 20 ft. with additional bulldozer cuts.

The total cost of such work consisted of at least \$ 250.00.

The corners and side centers of the claim are located and marked as follows:

From the Southwest corner, a monument marked SW Cor., thence in a Northerly direction 750 feet to the West side center corner, a monument marked WSC Cor., thence 750 feet in a Northerly direction to the North West Cor. side center, a monument marked Northeast SC, thence 600 feet in a Easterly direction to the Northeast corner, a monument marked NE Cor., thence 750 feet in a Southerly direction to the East side center corner, a monument marked ESC Cor., thence 750 feet in a Southerly direction to the So. East cor. side center, a monument marked SE corner sq, thence 600 feet West to the point of beginning.

Each of the above-described monuments is

All location and discovery work necessary to complete this location had been performed by Oct. 7, 19 69.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Micron # 14 Lode Mining Claim was located by Utah Minerals Company, whose post office address appears below, on the 7th day of October, 1969.

The general course of said lode or vein is Northerly & Southerly

The claim is situated in the Lynncreek Mining District, Eureka County, State of Nevada, and lies in Section 20, Township 35 North, Range 51 East, Mount Diablo Meridian.

The locator claim 1500 feet in a Northerly direction and 600 feet in a Easterly & Westerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: and open pit 6 ft. x 20 ft. with additional bulldozer cuts.

The total cost of such work consisted of at least \$ 250.00

The corners and side centers of the claim are located and marked as follows:

From the Southwest corner, a monument marked SW Cor., thence in a Northerly direction 750 feet to the West side center corner, a monument marked WSC Cor., thence 750 feet in a Northerly direction to the North West Cor. side center, a monument marked Northeast SC, thence 600 feet in a Easterly direction to the Northeast corner, a monument marked NE Cor., thence 750 feet in a Southerly direction to the East side center corner, a monument marked ESC Cor., thence 750 feet in a Southerly direction to the So. East cor. side center, a monument marked SE corner SC, thence 600 feet West to the point of beginning.

Each of the above-described monuments is

All location and discovery work necessary to complete this location had been performed by Oct. 7, 1969.
