Certificate of Location of Lode Mining Claim

below, on the 7th day of October 19.69. The general course of said lode or vein is Montherly & Southerly Eureka The claim is situated in the Lynnerceek Mining District, Eureka County, State of Nevada, and dies in Section 20, Township 35 North, Range 51 East, Mount Diablo Meridian. The locator, claim 1500 feet in a Mortherly direction and 620 feet in a Escienty & Merierly direction and 620 feet in a Escienty & Merierly direction from the point of discovery, with a width of 300 feet in a Escienty & Merierly direction and open pit 6. ft x 20 ft with additional buildozer cuts, The dimensions and locations of the discovery work done on the claim are as follows: and open pit 6. ft x 20 ft with additional buildozer cuts, The total cost of such work consisted of at loast \$ 250.00 The corners and side centers of the claim are located and marked as follows: From the Southwest corner, a monument marked 58 Cor, thence in a Northerly direction 750 feet to the Merie side center corner, a monument marked Montherast SC, thence 600 feet in a Eastarly direction to the Northeast corner, a monument marked Northeast corner, a monument marked ESC center, a monument marked SE corner, a monument marked SE corner, a monument marked SE corner squ therefore 600 feet in a Southerly direction to the southerly to the point of beginning. Each of the abovedescribed monuments is All location and Theovery work necessary to complete this location had been performed by Oct. 7. ft. ft. ft. ft. ft. ft. ft. ft. ft. ft
The claim is situated in the Lynnorcek Mining District, Eureka County, State of Newada and lies in Section 20, Township 35 North, Range 51 East, Mount Diablo Meridian. The locator claim 1500 feet in a Northerly direction and 600 feet in a Easterly & Mesterly direction from the point of accovery, with a width of 300 feet in a Easterly & Mesterly direction from the point of accovery, with a width of 300 feet on the claim are as follows: The dimensions and locations of the discovery work done on the claim are as follows: and open pit 6. ft x 20 ft with additional bulldozer outs. The total cost of such work consisted of at least \$ 250.00 The corners and side centers of the claim are located and marked as follows: From the Southmest corner, a monument marked SW Cor, thence in a Northerly direction 750 feet to the Mest side center corner, a monument marked WSC Cor, thence 750 feet in a Northerly direction to the Northwest corner, a monument marked SC center, a monument marked Northeast corner, a monument marked SC center, a monument marked SC corn, thence 750 feet in a Southmerly direction to the So, East cor, sift fifting a monument marked SE corner. Cor, thence 750 feet in a Southmerly direction to the So, East cor, sift fifting a monument marked SE corner. All location and Topovery work necessary to complete this location had been performed by
The claim is situated in the Lynncreck Mining District, Eureka County, State of Nevada and lies in Section 20, Township 35 North, Range 51 East, Mount Diablo Meridian. The locator claim 1500 feet in a Northerly direction and 600 feet in a Easterly & Mesterly direction from the point of discovery, with a width of 360 feet on each side of the center of the vein or lode along the entire length of said claim. The dimensions and locations of the discovery work done on the claim are as follows: and open pit 6 ft x 20 ft, with additional bulldozer outs, The total cost of such work consisted of at least \$ 250.00 The corners and side centers of the claim are located and marked as follows: From the Southbuest corner, a monument marked SW Cor, thence in a Northerly direction 750 feet to the Mest side center corner, a monument marked WSC Cor, thence 750 feet in a Mortherly direction to the Northewst Corn. Market corner, a monument marked SC center, a monument marked Northeast SC, thence 600 feet in a Easterly direction to the Northeast corner, a monument marked SE corner SQ thence 600 feet West to the point of beginning. Each of the above-described monuments is All location and Tomovery work necessary to complete this location had been performed by Octa 74 ft. 19 69.
County, State of Newada and lies in Section 20, Township 35 North, Range 51 East, Mount Diablo Maridian. The locator claim 1500 feet in a Section 20, Township 35 North, Renge 51 East, Mount Diablo Maridian. The locator claim 1500 feet in a Section 20, Township 35 North, Renge 51 East, Mount Diablo Maridian. The locator claim 1500 feet in a Section 300 feet in a Section of the claim are located in a steep of the center of the vein or lode along the entire length of said claim. The dimensions and locations of the discovery work done on the claim are as follows: and open pit 6.ft, x 20.ft, with additional buildozer cuts. The total cost of such work consisted of at least \$ 250.00. The corners and side centers of the claim are located and marked as follows: From the Schithheest corner, a monument marked SN Cor, thence in a Northerlydirection 750 feet to the Mest side center corner, a monument marked WSC Cor, thence 750 feet in a Mortherly direction to the North West Cor. Misc center, a monument marked Northeast SC, thence 600 feet in a Eastarly direction to the Northeast corner, a monument marked SE corn, a monument marked SE corn, a monument marked SE corner, a monument marked SE corner. Cor, thence 750 feet in a Southerly direction to the So, East cor. siph perfect, a monument marked SE corner. SQ thence 600 feet west to the point of beginning. Each of the above described monuments is All location and Topovery work necessary to complete this location had been performed by Octa. The SQ
County, State of Newada and lies in Section 20, Township 35 North, Range 51 East, Mount Diablo Maridian. The locator claim 1500 feet in a Hortherly direction and 400 feet in a Easterly & Mesterly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim. The dimensions and locations of the discovery work done on the claim are as follows: and open pit 6 ft x 20 ft with additional bulldozen cutts. The total cost of such work consisted of at least \$ 250.00 The corners and side centers of the claim are located and marked as follows: From the Southmest corner, a monument marked SW Cor, thence in a Northerly direction 750 feet to the Mest side center corner, a monument marked WSC center, a monument marked liontheast SC, thence 600 feet in a Easterly direction to the Northeast corner, a monument marked IE Cor, thence 750 feet in a Southerly direction to the East Eight Southerly direction to the Southerly direction
direction and
side of the center of the vein or lode along the entire length of said claim. The dimensions and locations of the discovery work done on the claim are as follows: and open pit 6. ft x 20 ft. with additional bulldozen cuts. The total cost of such work consisted of at least \$ 250.00 The corners and side centers of the claim are located and marked as follows: From the Southwest corner, a monument marked SW Cor., thence in a Northerlydirection 750 feet to the West side center corner, a monument marked WSC cor., thence 750 feet in a Northerly direction to the Worth West Cor., the center, a monument marked Northeast SC, thence 600 feet in a Easterly direction to the Northeast corner, a monument marked ESC cor, thence 750 feet in a Southerly direction to the Southerly to the point of beginning. Each of the above-described monuments is All location and directory work necessary to complete this location had been performed by Oct. 71 (1996)
The dimensions and locations of the discovery work done on the claim are as follows: and open pit 6. ft. x 20. ft. with additional bulldozen cuts. The total cost of such work consisted of at least \$ 250.00 The corners and side centers of the claim are located and marked as follows: From the Southmest. corner, a monument marked SW Cor, thence in a Northerlydirection 750 feet to the West side center corner, a monument marked WSC Cor, thence 750 feet in a Northerly direction to the Northeast Corn, but the Northeast corner, a monument marked Northeast SC, thence 600 feet in a Easterly direction to the Northeast corner, a monument marked ESC Cor, thence 750 feet in a Southerly direction to the So. East cor. side the feet in a Southerly direction to the So. East cor. side the feet in a monument marked SE corner SQ, thence 600 feet in So. East cor. side the feet in a monument marked ESC Each of the above-described monuments is All location and discovery work necessary to complete this location had been performed by Oct. 7. 19.69.
The dimensions and locations of the discovery work done on the claim are as follows: and open pit 6. ft x 20 ft. with additional bulldozer cuts. The total cost of such work consisted of at least \$ 250.00 The corners and side centers of the claim are located and marked as follows: From the Schithmest corner, a monument marked SW Cor, thence in a Northerly direction 750 feet to the West side center corner, a monument marked WSC cor, thence 750 feet in a Northerly direction to the North West Cor. Wide center, a monument marked Northeast SC, thence 600 feet in a Easterly direction to the Northeast corner, a monument marked SE corner, a monument marked East side center, a monument marked ESC cor, thence 750 feet in a Southerly direction to the So. East cor. side with the same side w
The total cost of such work consisted of at least \$ 250.00 The corners and side centers of the claim are located and marked as follows: From the Southmest corner, a monument marked SW Cor., thence in a Northerly direction 750 feet to the West side center corner, a monument marked WSC cort, thence 750 feet in a Northerly direction to the North West Cort. Add center, a monument marked Northeast SC, thence 600 feet in a Easterly direction to the Northeast corner, a monument marked SE corner, a monument marked ESC Cort, thence 750 feet in a Southerly direction to the Southerly to the corner of the southerly state of the point of beginning. Each of the above described monuments is All location and Theovery work necessary to complete this location had been performed by Octs 7. 19.69
The total cost of such work consisted of at least \$ 250.00 The corners and side centers of the claim are located and marked as follows: From the Southwest corner, a monument marked SW Cor., thence in a Northerlydirection 750 feet to the West side center corner, a monument marked WSC Cor., thence 750 feet in a Northerly direction to the North West Cor., the center, a monument marked Northeast SC, thence 600 feet in a Easterly direction to the Northeast corner, a monument marked NE Cor., thence 750 feet in a Southerly direction to the East Side centerior, a monument marked ESC Cor., thence 750 feet in a Southerly direction to the So., East cor., side for the beginning. Each of the above-described monuments is All location and directory work necessary to complete this location had been performed by Oct. 7. 19.52.
The total cost of such work consisted of at least \$ 250.00 The corners and side centers of the claim are located and marked as follows: From the Southwest corner, a monument marked SW Cor., thence in a Northerlydirection 750 feet to the West side center corner, a monument marked WSC Cor., thence 750 feet in a Northerly direction to the North West Cor., the center, a monument marked Northeast SC, thence 600 feet in a Easterly direction to the Northeast corner, a monument marked NE Cor., thence 750 feet in a Southerly direction to the East Side centerior, a monument marked ESC Cor., thence 750 feet in a Southerly direction to the So., East cor., side for the beginning. Each of the above-described monuments is All location and directory work necessary to complete this location had been performed by Oct. 7. 19.52.
The total cost of such work consisted of at least \$ 250.00 The corners and side centers of the claim are located and marked as follows: From the Southmest corner, a monument marked SW Cor, thence in a Mortherly direction 750 feet to the West side center corner, a monument marked WSC Cor, thence 750 feet in a Mortherly direction to the North West Cor, kide center, a monument marked Northeast SC, thence 600 feet in a Easterly direction to the Northeast corner, a monument marked NE Cor, thence 750 feet in a Southerly direction to the East side centering a monument marked ESC Cor, thence 750 feet in a Southerly direction to the So. East cor, side parties, a monument marked SE corner SQ, thence 600 feet West to the point of beginning. Each of the above described monuments is All location and directory work necessary to complete this location had been performed by Oct. 7, 19.69
The corners and side centers of the claim are located and marked as follows: From the Southwest corner, a monument marked SW Cor., thence in a Northerly direction 750 feet to the West side center corner, a monument marked WSC Cor., thence 750 feet in a Northerly direction to the North West Cor., the center, a monument marked Northeast SC, thence 600 feet in a Easterly direction to the Northeast corner, a monument marked SE Cor., thence 750 feet in a Southerly direction to the East side centerer, a monument marked ESC Cor., thence 750 feet in a Southerly direction to the So. East cor., side Market, a monument marked SE corner SQ, thence 600 feet West to the point of beginning. Each of the above described monuments is All location and directory work necessary to complete this location had been performed by Oct. 7. 19 69
Northerlydirection 750 feet to the West side center corner, a monument marked WSC Cor., thence 750 feet in a Northerly direction to the North West Cor., ide center, a monument marked Northeast SC, thence 600 feet in a Easterly direction to the Northeast corner, a monument marked NE Cor., thence 750 feet in a Southerly direction to the East side centerner, a monument marked ESC Cor., thence 750 feet in a Southerly direction to the So. East cor., side feet in a monument marked SE corner SQ, thence 600 feet West to the point of beginning.
