

Certificate of Location

THIS IS TO CERTIFY that the H & G No. 1 lode mining claim was located by Jack F. Grimm on the 9th day of October, 19 69.

The general course of said lode or vein is northwesterly and southeasterly.

The claim is situated in the Alpha Mining District, Eureka County, State of Nevada, T 24 N, R 52 E, near the Prince of Wales Mine.

The locator claim 25 feet in a(n) S. 55° E direction and 1475 feet in a(n) N. 55° W. direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: Access roads and drill site preparations over a contiguous group of 50 claims. The work for a contiguous group of 10 claims is done on No. 2 and 9 for the group consisting of H & G No. 1 through No. 10.

The corners and side centers of the claim are located and marked as follows: The northwest corner is marked by a 4 x 4" x 4' post inscribed NW corner of the H & G No. 1, the southwest corner is marked by a 4 x 4" x 4' post inscribed SW Corner of the H & G No. 1, the southeast corner is marked by a 4 x 4" x 4' post inscribed SE corner of H & G No. 1, the northeast corner is marked by a 4 x 4" x 4' post inscribed NE Corner of the H & G No. 1. There is also a 4" x 4" x 4' post at the center of each side line.

Each of the above-described monuments is a 4" x 4" x 4'6" post buried one foot in the ground.

All location and discovery work necessary to complete this location had been performed by Henry Hanson October 25th, 1969.

Dated this 26th day of October, 19 69.

Certificate of Location

THIS IS TO CERTIFY that the U. S. No. 12 lode mining claim was located by John P. Gergen on the 21st day of October, 1960.

The general course of said lode or vein is Northwesterly and westerly

The claim is situated in the Alamo Mining District,

San Juan County, State of Nevada, T. 34 N., R. 34 E.

The locator claim 30 feet in a(n) N. 55° W. direction and 1070 feet in a(n) S. 55° E. direction from the point of discovery, with a width of 200 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:
~~Adverse work and drill site preparations were a contiguous group of fifty claims.~~
~~The work for a contiguous group of ten claims is done on U. S. No. 13 and No. 18~~
~~for a group consisting of U. S. No. 11 through No. 20~~

The corners and side centers of the claim are located and marked as follows:
~~The northwest corner is marked by a 6" x 6" x 6" post inscribed in corner of the U. S. No. 12; the northeast corner is marked by a 6" x 6" x 6" post inscribed in corner of the U. S. No. 12; the southeast corner is marked by a 6" x 6" x 6" post inscribed in corner of the U. S. No. 12; the southwest corner is marked by a 6" x 6" x 6" post inscribed in corner of the U. S. No. 12. There is also a 6" x 6" x 6" post at the center of each side line.~~

Each of the above-described monuments is a 6" x 6" x 6" post buried one foot in the ground.

All location and discovery work necessary to complete this location had been performed by John P. Gergen 1111, 1960.

Dated this 1st day of Nov, 1960.

Certificate of Location

THIS IS TO CERTIFY that the U. S. No. 13 lode mining claim was located by John F. Gergen on the 15th day of October, 1930.

The general course of said lode or vein is Northwesterly and southeasterly.

The claim is situated in the Alto Mining District, Esmeralda County, State of Nevada, T. 24 N., R. 22 E.

The locator claim 20 feet in a(n) S. 55° E. direction and 1475 feet in a(n) N. 55° W. direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and location of the discovery work done on the claim are as follows:
Access roads and drill a 4" pipe into the main vein a continuous group of fifty signs.
The vein for a continuous group of ten claims to run on U. S. No. 12 and No. 13 and No. 14
for a group consisting of U. S. No. 11 through No. 20

The corners and side centers of the claim are located and marked as follows:
The northwest corner is marked by a 4" x 4" x 4" post inscribed in corner of the U. S. No. 13; the northeast corner is marked by a 4" x 4" x 4" post inscribed in corner of the U. S. No. 13; the southeast corner is marked by a 4" x 4" x 4" post inscribed in corner of the U. S. No. 13; the southwest corner is marked by a 4" x 4" x 4" post inscribed in corner of the U. S. No. 13. There is also a 4" x 4" x 4" post at the center of each side line.

Each of the above-described monuments is a 4" x 4" x 4" post buried and set in the ground.

All location and discovery work necessary to complete this location had been performed by John F. Gergen 11/1, 1930.

Dated this 1st day of Nov, 1930.

Certificate of Location

THIS IS TO CERTIFY that the H & G No. 14 lode mining claim was located by JACK F. GRIMM on the 15th day of October, 19 69.

The general course of said lode or vein is Northwesterly and southeasterly.

The claim is situated in the Alpha Mining District, Eureka County, State of Nevada, T. 24 N., R. 52 E.

The locator claim 25 feet in a(n) N. 55° W. direction and 1475 feet in a(n) S. 55° E. direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: Access roads and drill site preparations over a contiguous group of fifty claims.

The work for a contiguous group of ten claims is done on H & G No. 12 and No. 13 for a group consisting of H & G No. 11 through No. 20 and No. 18 and 19.

The corners and side centers of the claim are located and marked as follows: The northwest corner is marked by a 4 x 4" x 4' post inscribed NW Corner of the H & G No. 14; the southwest corner is marked by a 4 x 4" x 4' post inscribed SW Corner of the H & G No. 14; the southeast corner is marked by a 4 x 4" x 4' post inscribed SE Corner of the H & G No. 14; the northeast corner is marked by a 4 x 4" x 4' post inscribed NE Corner of the H & G No. 14. There is also a 4 x 4" x 4' post at the center of each side line.

Each of the above-described monuments is a 4" x 4" x 4'6" post buried one foot in the ground.

All location and discovery work necessary to complete this location had been performed by William M. Murren 11/1, 19 52.

Dated this 1st day of Nov, 19 69.

Certificate of Location

THIS IS TO CERTIFY that the N & O No. 25 lode mining claim was located by Bill F. Gergen on the 27th day of October, 1969

The general course of said lode or vein is North-south and northwesterly

The claim is situated in the 33rd Mining District,
Clark County, State of Nevada, 3. 55 N., R. 32 E.

The locator... claim 83 feet in a(n) N. 55° W. direction and 1475 feet in a(n) S. 55° E. direction from the point of discovery, with a width of 200 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:
Section 25 and 26 of the 33rd Mining District are a contiguous group of fifty claims.
The work for a contiguous group of ten claims is done on N & O No. 22 and No. 23 and
for a group consisting of N & O No. 21 through No. 30 No. 28 and No. 29.

The corners and side centers of the claim are located and marked as follows:
The northern corner is marked by a 4 x 4 x 4' post inscribed in corner of the
N & O No. 25. The southwest corner is marked by a 4 x 4 x 4' post inscribed in
corner of the N & O No. 25. The southeast corner is marked by a 4 x 4 x 4' post
inscribed in corner of the N & O No. 25. The northeast corner is marked by a
4 x 4 x 4' post inscribed in corner of the N & O No. 25. There is also a
4 x 4 x 4' post at the center of each side line.

Each of the above-described monuments is a 4' x 4' x 4' post buried one foot
in the ground.

All location and discovery work necessary to complete this location had been performed by Kevin Munson 11/15, 1969

The general course of said lode or vein is Northeasterly and Southeasterly

The claim is situated in the Alpha Mining District, Esmeralda County, State of Nevada, T.14 N., R. 32 E., near the Prince of Wales Mine

The locator claim 23 feet in a(n) N. 55° W. direction and 1475 feet in a(n) S. 55° E. direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: Access roads and drill site preparations over a contiguous group of fifty claims. The work for a contiguous group of ten claims is done on H & G No. 32 and No. 33 for a group consisting of H & G No. 31 through No. 40 No. 34, No. 37 and No. 38

The corners and side centers of the claim are located and marked as follows: The northeast corner is marked by a 4 x 4 x 4' post inscribed NE Corner of the H & G No. 37, the southeast corner is marked by a 4 x 4' x 4' post inscribed SE Corner of the H & G No. 37, the southwest corner is marked by a 4 x 6' x 4' post inscribed SW Corner of H & G No. 37; the northwest corner is marked by a 4 x 4' x 4' post inscribed NW Corner of the H & G No. 37. There is also a 4 x 4' x 4' post at the center of each side line.

Each of the above-described monuments is 4' x 4' x 4' post buried one foot in the ground.

All location and discovery work necessary to complete this location had been performed by Nervin Morrison 11/20, 1969

Certificate of Location

THIS IS TO CERTIFY that the N & O No. 38 lode mining
claim was located by Bill Gergen on the 16th day
of October, 1969

The general course of said lode or vein is Northeasterly and Southeasterly

The claim is situated in the Alpha Mining District,
Harvey County, State of Nevada, T. 36 N., R. 31 E., near the
Prince of Wales Mine

The locator's claim 85 feet in a(n) S. 55° E
direction and 1475 feet in a(n) N. 55° W direction from
the point of discovery, with a width of 300 feet on each side of
the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:
Access roads and drill site preparation over a contiguous group of fifty claims.
The work for a contiguous group of ten claims is done on N & O No. 32 and No. 33,
for a group consisting of N & O No. 31 through No. 40 No. 34, No. 37 and No. 38.

The corners and side centers of the claim are located and marked as follows:
The northwest corner is marked by a 4 x 4' x 4' post inscribed NW Corner of the
N & O No. 38, the southwest corner is marked by a 4 x 4' x 4' post inscribed SW
Corner of the N & O No. 38, the southeast corner is marked by a 4 x 4' x 4' post
inscribed SE Corner of N & O No. 38, the northeast corner is marked by a
4 x 4' x 4' post inscribed NE Corner of the N & O No. 38. There is also a
4 x 4' x 4' post at the center of each side line.

Each of the above-described monuments is 4' x 4' x 4' post bearing one foot
in the ground.

All location and discovery work necessary to complete this location had been performed

Certificate of Location

THIS IS TO CERTIFY that the H & G No. 49 lode mining claim was located by JACK F. GERGEN on the 10th day of November, 1969.

The general course of said lode or vein is Northwesterly and Southeasterly

The claim is situated in the Alpha Mining District, Eureka County, State of Nevada, T. 24 N., R. 32 E., near the Prince of Wales Mine

The locator claim 25 feet in a(n) N. 55° W. direction and 1475 feet in a(n) S. 55° E. direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: Access roads and drill site preparations over a contiguous group of fifty claims. The work for a contiguous group of ten claims is done on H & G No. 41 and No. 42 for a group consisting of H & G No. 41 through No. 50 To 49 and No. 50

The corners and side centers of the claim are located and marked as follows: The northwest corner is marked by a 4 x 4' x 4' post inscribed NW Corner of the H & G No. 49, the southwest corner is marked by a 4 x 4' x 4' post inscribed SW Corner of the H & G No. 49, the southeast corner is marked by a 4 x 4' x 4' post inscribed SE Corner of H & G No. 49; the northeast corner is marked by a 4 x 4' x 4' post inscribed NE Corner of the H & G No. 49. There is also a 4 x 4' x 4' post at the center of each side line.

Each of the above-described monuments is 4" x 4" x 4'6" post buried one foot in the ground.

All location and discovery work necessary to complete this location had been performed by William M. Munn 11/20, 1969.

Dated this 25th day of Nov., 1969.

Certificate of Location

THIS IS TO CERTIFY that the N & O No. 50 lode mining claim was located by JACK F. GIBSON on the 10th day of November, 1969.

The general course of said lode or vein is Northeasterly and southeasterly

The claim is situated in the Alpha Mining District, Bertha County, State of Nevada, T.20 N., R. 33 E., near the Prince of Wales Mine

The locator claim 25 feet in a(n) S. 55° E. direction and 1478 feet in a(n) N. 55° W. direction from the point of discovery, with a width of 350 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: Access roads and drill site preparations over a contiguous group of fifty claims. The work for a contiguous group of ten claims is done on N & O No. 41 and No. 42, for a group consisting of N & O No. 41 through No. 50 No. 49 and No. 50

The corners and side centers of the claim are located and marked as follows: The northwest corner is marked by a 4 x 4' x 4' post inscribed NW Corner of the N & O No. 50, the southwest corner is marked by a 4 x 4' x 4' post inscribed SW Corner of the N & O No. 50, the southeast corner is marked by a 4 x 4' x 4' post inscribed SE Corner of N & O No. 50, the northeast corner is marked by a 4 x 4' x 4' post inscribed NE Corner of the N & O No. 50. There is also a 4 x 4' x 4' post at the center of each side line.

Each of the above-described monuments is 4' x 4' x 4' post buried one foot in the ground.

All location and discovery work necessary to complete this location had been performed by JACK F. GIBSON, N. 120, 1969.

Dated this 25th day of Nov, 1969.
