

# Certificate of Location

THIS IS TO CERTIFY that the H. & G. No. 9 lode mining claim was located by JACK F. GERGEN on the 17<sup>th</sup> day of October, 1969.

The general course of said lode or vein is Northwesterly and southeasterly.

The claim is situated in the Alpha Mining District, Eureka County, State of Nevada, T. 24 N., R. 52 E.

The locator claim 25 feet in a(n) N. 55° W. direction and 1575 feet in a(n) S. 55° E. direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: ~~Access roads and drill site preparations over a contiguous group of fifty claims. The work for a contiguous group of ten claims is done on H. & G. No. 2 and No. 9 for a group consisting of H. & G. No. 1 through No. 10.~~

The corners and side centers of the claim are located and marked as follows: The northwest corner is marked by a 4 x 4 x 4' post inscribed NW Corner of the H. & G. No. 9; the southwest corner is marked by a 4 x 4 x 4' post inscribed SW Corner of the H. & G. No. 9; the southeast corner is marked by a 4 x 4 x 4' post inscribed SE Corner of the H. & G. No. 9; the northeast corner is marked by a 4 x 4 x 4' post inscribed NE Corner of the H. & G. No. 9. There is also a 4 x 4 x 4' post at the center of each side line.

Each of the above-described monuments is a 4" x 4" x 4' post buried six feet in the ground.

All location and discovery work necessary to complete this location had been performed by Merim Munson 10/26, 1969.

Dated this 26<sup>th</sup> day of Oct, 1969.
