XV

Provided that Lessees are not then in default under any of the terms or provisions herein, they shall have and are hereby given the option to purchase all of the real and personal property hereby leased for the sum of Two Hundred Thousand (\$200,000.00) Dollars, plus the sum of Seven Thousand (\$7,000.00) Dollars for each year or fraction thereof that this Lease has been in effect. Said purchase price shall be payable as follows: The sum of Thirty Thousand (\$30,000.00) Dollars in cash at the time said option is exercised, the sum of Fifteen Thousand (\$15,000.00) Dollars, plus interest on the unpaid principal balance at the rate of six and one-half (6-1/2%) percent per annum, payable on the first anniversary date of the date on which the option is exercised, and not less than a like sum on the same date of each year thereafter for eight (8) years, and on the ninth anniversary of the date on which said option is exercised, the entire principal balance and interest shall be due and payable. Concurrently with the delivery of the down payment of Thirty Thousand (\$30,000.00) Dollars as aforesaid, Lessees shall deliver to Lessor their promissory note for the payment of the balance of the purchase price in the manner hereinabove set forth, and shall also at said time deliver to Lessor as security for the payment of said note a mortgage on all of the real and personal property so purchased by them from Lessor. nature, which Lessees may have placed upon the property as required by the terms hereof.

XVI

SUBLETTING AND ASSIGNING

Lessees cannot sell, assign, mortgage, pledge, or in any manner whatsoever transfer or sublet all or any part of this Lease or any estate or interest thereunder without the previous written consent of Lessor in each instance.

This Lease or any interest of the Lessees therein shall not be subject to involuntary assignment. In the event of any levy upon the interest of the Lessees in this Lease or the property of the Lessees situated in the leased premises and the same is not released within ten (10) days from the date of such levy, or in the event of the appointment of a receiver, trustee, keeper or other proceeding instituted by or against the Lessees, the Lessees shall at once be deemed to be in default, and the Lessor shall be entitled to exercise any of the rights or remedies provided for in this Lease to the same extent as though there were a breach in the payment of rent, as hereinafter provided. If Lessor shall sell and convey the demised premises and give Lessees written notice thereof, Lessor shall thereafter be released and freed from all liability and obligations hereunder except those which shall have then accrued.

XVII

CUMULATIVE RIGHTS

And no remedy herein conferred upon or reserved to Lessor or Lessees is intended to be exclusive of any other remedy herein or by law provided, but each shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

XVIII

PAYMENT OF ATTORNEY'S FEES

In the event that legal proceedings are instituted by Lessor for the purpose of enforcing any covenant or agreement hereof, or to obtain any of the remedies herein provided, in addition to any other judgment or relief allowed

to Lessor, he shall also be entitled to such sum of money as the Court may adjudge reasonable as attorney's fees in said proceeding.

XIX

RELEASE OF CROP LIEN

At such time as this Lease may terminate, whether by reason of time, or by reason of default of the Lessees, the Lessees specifically give up all and any rights the Lessees may have to the crops planted or in various stages of harvesting, and to any lien which the State of Nevada may grant to persons who plant crops, and if any portion of this Lease is contrary to the laws or public policy of the State of Nevada, then that portion only shall be omitted from this agreement, and the remaining terms hereunder shall remain binding upon the parties hereto.

XX

REMEDIES ON DEFAULT

If the rental due from Lessees hereunder shall be in arrears for the space of ten (10) days, or if the Lessees shall fail or neglect to perform or observe any or either of the covenants or agreements herein contained, which on Lessees' part are to be kept, performed or observed, then in either of said cases, after first giving Lessees ten (10) days' written notice to correct such default, the Lessor lawfully may, immediately or at any time thereafter while such neglect or default continues, terminate the tenancy and enter into or upon said premises and expel the said Lessees or those claiming under Lessees and remove Lessees' effects (forcibly, if necessary) without being deemed guilty in any manner of trespass, without any obligation to protect, store, conserve or account for the goods or effects so removed (but such property may be stored in a public warehouse or elsewhere at the cost of, and for the account of, Lessees) and without any prejudice to any remedies which might otherwise be used for arrears of rent or preceding breach of covenant.

Should Lessor elect to re-enter, as herein provided, or should take possession pursuant to legal proceedings or pursuant to any notice provided by law, he may either terminate this Lease or he may from time to time, without terminating this Lease, re-let said premises or any part thereof for such

term, or terms, and at such rental or rentals and upon such other terms and conditions as Lessor in his own discretion may deem advisable, with the right to make alterations and repairs to said premises. Rentals received by Lessor for such re-letting shall be applied: First, to the payment of any indebtedness, other than rent, due hereunder from Lessees to Lessor; second, to the payment of rent due and unpaid hereunder; third, to the payment of any costs of such re-letting; fourth, to the payment of the costs of any alterations and repairs to the premises; and the residue, if any, shall be held by the Lessor and applied in payment of future rent as the same may become due and payable hereunder. Should such rentals received from such re-letting be less than that agreed to be paid by Lessees hereunder, the Lessees shall pay such deficiency to Lessor, upon demand.

IN WITNESS WHEREOF, the respective parties have executed this instrument in duplicate the day and year first hereinabove written.
