Otherwise, any payment made by Borrower may be applied to the note or any indebtedness to the Government secured hereby, in any order the Government determines.
- (6) To use the loan evidenced by the note solely for purposes authorized by the Government.
- (7) To pay when due all taxes, liens, judgments, encumbrances, and assessments lawfully attaching to or a threat against the property and promptly deliver to the Government without demand receipts evidencing such payment.

- (10) To comply with all laws, ordinances, and regulations affecting the property.

- (12) Neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred, or encumbered, voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as beneficiary hereunder, including but not limited to the power to grant consents and subordinations, and to request full and partial reconveyances, and no issued lender shall have any right, title or interest in or to the lien or any benefits hereof.
- (13) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplementary agreement are being performed.

- (15) If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.
- (16) Default hereunder shall constitute default under any other real estate, or under any personal property or other security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.
- (17) SHOULD DEFAULT occur in the performance or discharge of any obligation secured by this instrument, or should any one of the parties named at Borrower die or be declared as incompetent, a bankrupt, or as insolvent, or make an assignment for the benefit of creditors, the Government, at its option, with or without notice, may: (a) declare the entire amount unpaid under the note and any indebtedness to the Government, thereby secured immediately due and payable, (b) for the account of Borrower, incur and pay reasonable expenses for repair or maintenance of and take possession of, operate and rent the property, (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, and (d) withdraw and request Trustee to foreclose this instrument and sell the property as provided by law.
- (18) At the request of the Government, Trustee may foreclose this instrument by advertisement and sale of the property as provided by law, for cash or secured credit at the option of the Government, personal notice of which sale need not be served on Borrower; such sale may be adjourned from time to time without other notice than oral proclamation at the time and place appointed for such sale and correction made on the posted notice, and at such sale the Government and its agents may bid and purchase as a bidder; Trustee at his option may conduct such sale without being personally present, through his delegate authorized by him for such purpose orally or in writing, and Trustee's execution of a conveyance of the property or any part thereof to any purchaser at foreclosure sale shall be conclusive evidence that the sale was conducted by Trustee personally or through his delegate duly authorized in accordance herewith.
- (19) The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incurred in enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be paid, (c) the debt evidenced by the note and all indebtedness to the Government secured hereby, (d) inferior liens of record required by law or a competent court to be paid, (e) if the Government's option, any other indebtedness of Borrower owing to or issued by the Government, and (f) any balance to Borrower. In case the Government is the successful bidder at foreclosure or other sale of all or any part of the property, the Government may pay its share of the purchase price by crediting with account on any debts of Borrower owing to or issued by the Government, in the order prescribed above.

(23) All powers and agencies granted in this instrument are coupled with an interest and are irrevocable by death or bankruptcy, and the rights and remedies provided in this instrument are cumulative to remedies provided by law.

(24) As against the debt evidenced by the note and any indebtedness to the Government hereby secured, until payment in full of the property, Borrower (a) hereby relinquishes, waives, and conveys all rights, interests or claimants of ownership, title, security, beneficial, salvaging, appraisal, and remedial, to which Borrower is or becomes entitled under the law and constitution of the jurisdiction where the property lies; and (b) hereby agrees that any right provided by law, levies or constitution for attachment or possession following foreclosure sale shall not apply, and that no right of redemption or possession shall exist after foreclosure sale.

(25) This instrument shall be subject to the present regulations of the Farmers Home Administration, and to its future regulations not inconsistent with the express provisions herein.

(26) Notices given hereunder shall be made by certified mail, unless otherwise required by law, addressed, unless and until some other address is designated in a notice to given in the case of the Government or Trustee of Farmers Home Administration, United States Department of Agriculture, at Berkeley, California 94704, and in the case of Borrower to him at his post office address stated above.
