

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Gray Canyon #1 Lode Mining Claim was located by John V. Damsie and Willis A. DePaoli whose post office address appears below, on the 4th day of October 1970

The general course of said lode or vein is Northerly and southerly

The claim is situated in the Unknown Mining District, Eureka

County, State of Nevada, and is in Grays Canyon, approx. 5 miles south of Prospect Park, and 1 mile north of Houth Hill, in approx. T. 17 N., R. 53 E., MDEEM (unsurveyed township). If surveyed, the southwest corner of this claim would be in approx. section 3, of said T. 17 N., R. 53 E., MDEEM, as near as can be determined.

The locator's claim 1450 feet in a Northerly direction and 50 feet in a Southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

A cut cut at least 14 feet wide by 20 feet long by 2 feet deep and situated about 100 feet northeast from the location monument

The total cost of such work consisted of at least \$ 100.00

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked N.W. Cor., thence in a easterly direction 600 feet to the northeast corner, a monument marked N.E. Cor., thence 750 feet in a southerly direction to the east side center, a monument marked EAST S. C. SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked S. E. Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked S.W. Cor., thence 750 feet in a northerly direction to the WEST side center, a monument marked W.S.C. SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a wooden post 4" x 4" x 4' high

All location and discovery work necessary to complete this location had been performed by November 4, 1970

# Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Gray Canyon #2 Lode Mining Claim was located by John W. Daniels and Willis A. DePaoli whose post office address appears below, on the 4th day of October 19 70

The general course of said lode or vein is Northerly and Southerly  
The claim is situated in the Unknown Mining District, Eureka County, State of Nevada, and is in Grays Canyon, approx. 5 miles south of Prospect Peak and 1 mile north of South Hill. The north end line of this claim is common with the south end line of Gray Canyon #1 claim.  
The locators' claim 1650 feet in a southerly direction and 50 feet in a Northerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:  
A Cut cut at least 14 feet wide by 20 feet long by 2 feet deep and situated about 250 feet southwest from the location monument

The total cost of such work consisted of at least \$ 100.00

The corners and side centers of the claim are located and marked as follows:  
From the northwest corner, a monument marked N.W. Cor., thence in a east direction 600 feet to the northeast corner, a monument marked N.E. Cor., thence 750 feet in a southerly direction to the east side center, a monument marked E.S.C. SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked S.E. Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked S.W. Cor., thence 750 feet in a northerly direction to the west side center, a monument marked W.S.C. SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a wooden post 4" x 4" x 4' high  
All location and discovery work necessary to complete this location had been performed by November 4 19 70
