

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 1 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 12th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the NE 1/4 Sec. 15, T. 26 N., R. 52 E.

The locator claims 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 200' of road built near the east side center of ACE No. 1, 2700' angling northeast across ACE No. 2 in three places, 1700' on ACE No. 35 near the south edge and across the north one-third, 1200' on ACE No. 34 along the south edge and the north one-third 1000' on ACE No. 33 along the south edge and the northeast corner, 600' on ACE No. 53 along the south edge, 200' on ACE No. 54 in the southeast corner, 1300' on ACE No. 36 across the middle and the north one-third, and 1000' in the northwest corner of ACE No. 37. The named claims, along with ACE No. 60, form a contiguous block of ten claims for which discovery work applies. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ 50.00 at least on ACE No. 1)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 1, NW Cor. thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 1, NE Cor. thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 1, E SC thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 1, SE Cor. thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 1, SW Cor. thence 750 feet in a northerly direction to the west center, a monument marked ACE No. 1, W SC thence 750 feet northerly to the point of beginning.

Each of the above described monuments is a 4 1/2" post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 2 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 12th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eschsch County, State of Nevada, in the NE 1/4 Sec. 15, T. 26 N., R. 52 E.

The lode claims 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 200' of road built near the east side center of ACE No. 1, 2700' angling northeast across ACE No. 2 in three places, 1700' on ACE No. 35 near the south edge and (cross the north one-third, 1200' on ACE No. 34 along the south edge and the north one-third 1000' on ACE No. 33 along the south edge and the northeast corner, 600' on ACE No. 53 along the south edge, 200' on ACE No. 54 in the southeast corner, 1300' on ACE No. 36 across the middle and the north one-third, and 1000' in the northwest corner of ACE No. 37. The named claims, along with ACE No. 60, form a contiguous block of ten claims for which discovery work applies. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$400.00 at least on ACE No. 2)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 2, NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 2, NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 2, E. BC., thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 2, SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 2, SW Cor., thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 2, W. BC., thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the AGE No. 3 Indo Mining Claim was located by William D. Collins, whose post office address appears below on the 12th day of September in 70

The general course of salt beds or veins is north and south.

The claim is situated in the Mineral Hill Mining District Eureka
County, State of Nevada. In the NW 1/4 Sec. 14, T. 26 N., R. 52 E.

The locator claimed _____ 1450 _____ feet in a _____ northerly _____
direction and _____ 50 _____ feet in a _____ southerly _____ direction
from the point of discovery, with a width of _____ 300 _____ feet on each
side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 150' of road built near the south end center of ACE No. 3 as well as a drill site and a drill hole 293' deep located about 200' NE of the south end center of the claim, and 1600' of road built in the NW 1/4 of ACE No. 11. These two named claims along with ACE No. 4, ACE No. 5, ACE No. 6, ACE No. 7, ACE No. 8, ACE No. 12, ACE No. 13, and ACE No. 14 form a contiguous group of ten claims for which discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$900.00 at least on ACE No. 3.)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 3 NW Cor, thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 3 NE Cor, thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 3, E DC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 3, SE Cor, thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 3 SW Cor, thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 3, W DC, thence 750 feet northerly to the point of beginning.

Each of the above described monuments is a 4x4 post 4'6" long planted 1' in the ground

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 4 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 15th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the NW 1/4 Sec. 14, T. 26 N., R. 52 E.

The locator claims 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 150' of road built near the south end center of ACE No. 3 as well as a drill site and a drill hole 293' deep located about 200' NE of the south end center of the claim, and 1600' of road built in the NW 1/4 of ACE No. 11. These two named claims along with ACE No. 4, ACE No. 5, ACE No. 6, ACE No. 7, ACE No. 8, ACE No. 12, ACE No. 13, and ACE No. 14 form a contiguous group of ten claims for which discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None ~~REVERSED~~ on ACE No. 4)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 4 NW Cor. thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 4 NE Cor. thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 4 E SC thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 4 SE Cor. thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 4 SW Cor. thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 4 W SC thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4X4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 5 Lode Mining Claim was located by William D. Collins, whose post office address appears below, on the 12th day of September, 19 70.

The general nature of said hole or void is _____ north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the 12 1/4 Sec. 14, T. 26 N., R. 52 E.

The locator claims _____ 1650 _____ feet in a _____ northerly _____
direction and _____ 50 _____ feet in a _____ southerly _____ direction
from the point of discovery, with a width of _____ 300 _____ feet on each
side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 150' of road built near the south end center of ACE No. 3 as well as a drill site and a drill hole 293' deep located about 200' NE of the south end center of the claim, and 1600' of road built in the NW 1/4 of ACE No. 11. These two named claims along with ACE No. 4, ACE No. 5, ACE No. 6, ACE No. 7, ACE No. 8, ACE No. 12, ACE No. 13, and ACE No. 14 form a contiguous group of ten claims for which discovery work on any one applies for all. (Section 517.049 (2) Nevada Revised Statutes, 1957)

The total cost of such work completed of at least \$ 1000.00 (\$ None) **EXEMPTED** on ACE No. 5

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 5, NW Cor, thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 5 NE Cor, thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 5, E SQ, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 5, SE Cor, thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 5 SW Cor, thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 5, W SQ, thence 750 feet northerly to the point of beginning.

Each of the above-described increments is a 634 pint 4'6" long planted 1" in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 12 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 12th day of September, 19 70.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, 1/4 the SE 1/4 Sec. 14, T. 26 N., R. 52 E.

The locator claims 50 feet in a northerly direction and 1650 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 150' of road built near the south end center of ACE No. 3 as well as a drill site and a drill hole 293' deep located about 200' NE of the south end center of the claim, and 1600' of road built in the NW 1/4 of ACE No. 11. These two named claims along with ACE No. 4, ACE No. 5, ACE No. 6, ACE No. 7, ACE No. 8, ACE No. 12, ACE No. 13, and ACE No. 14 form a contiguous group of ten claims for which discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None ~~REMARKS~~ on ACE No. 12.)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 12, NW Cor., thence to an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 12, NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 12, E SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 12, SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 12, SW Cor., thence 750 feet in a northerly direction to the west side center, monument marked ACE No. 12, W SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4' long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 19 70.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 11 Lode Mining Claim was located by William D. Collins, whose post office address appears below, on the 12th day of September, 19 70.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the SW 1/4 Sec. 14, T. 26 N., R. 52 E.

The locator claims 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 100 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 150' of road built near the south end center of ACE No. 3 as well as a drill site and a drill hole 293' deep located about 200' NE of the south end center of the claim, and 1600' of road built in the NW 1/4 of ACE No. 11. These two named claims along with ACE No. 4, ACE No. 5, ACE No. 6, ACE No. 7, ACE No. 8, ACE No. 12, ACE No. 13, and ACE No. 14 form a contiguous group of ten claims for which discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None ~~XXXXXXXX~~ on ACE No. 13)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 13, NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 13, NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 13, E SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 13, SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 13, SW Cor., thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 13, W SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 19 70.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 13 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 12th day of September 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the SW 1/4 and SE 1/4 Sec. 14, T. 26 N., R. 52 E.

The locator claims 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 700' of road built diagonally southwest across the south half of ACE No. 18 terminating in a drill site about 200' N 30° E of the southwest corner of the claim where a 150' deep hole was drilled, and 300' of road near the west side center of ACE No. 19. The two named claims along with ACE No. 20, ACE No. 21, ACE No. 22, ACE No. 23, ACE No. 24, ACE No. 16, ACE No. 15, and ACE No. 32 form a contiguous group of ten claims for which discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None expended on ACE No. 15.)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 15 NW Cor. thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 15, NE Cor. thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 15, E SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 15, SE Cor. thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 15, SW Cor. thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 15, W SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 16 Lode Mining Claim was located by William D. Collins, whose post office address appears below, on the 12th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mineral District, Eureka County, State of Nevada, in the SE 1/4 Sec. 14, T. 26 N., R. 52 E.

The locator claimed 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 700' of road built diagonally southwest across the south half of ACE No. 18 terminating in a drill site about 200' N 30° E of the southwest corner of the claim where a 150' deep hole was drilled, and 300' of road near the west side center of ACE No. 19. The two named claims along with ACE No. 20, ACE No. 21, ACE No. 22, ACE No. 23, ACE No. 24, ACE No. 16, ACE No. 15, and ACE No. 32 form a contiguous group of ten claims for which discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None RETURN on ACE No. 16)

The corners and old corners of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 16 NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 16 NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 16 E. CC., thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 16 SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 16 SW Cor., thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 16 W. CC., thence 750 feet northerly to the point of beginning.

Each of the above described monuments is a 4X4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 17 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 14th day of September in 70.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the SE 1/4 Sec. 15 and NE 1/4 Sec. 22, T. 26 N., R. 32 E.

The locator, claims, 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 1250' of road was built in the north half of ACE No. 10 and two holes were drilled on the claim, one 180' deep about 700' S 30° W of the northeast corner of the claim and another 205' deep about 350' S 45° W of the northeast corner of the claim. ACE No. 10 is contiguous with ACE No. 9, ACE No. 17, ACE No. 25, ACE No. 26, ACE No. 27, ACE No. 28, ACE No. 29, ACE No. 30, and ACE No. 31 and discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None ~~MINIMUM~~ on ACE No. 17)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 17 NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 17 NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 17 E SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 17 SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 17 SW Cor., thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 17 W SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 19 Lode Mining Claim was
located by William D. Collins, whose post office address appears
below, on the 16th day of September, 1970

The general course of trade winds or rain is _____ north and south.

The claim is situated in the Mineral Hill Mining District, Bureau
County, State of Nevada, in the SW 1/4 Sec. 14 and NE 1/4 Sec. 23, T. 26 N. R. 52 E.

The locator claims _____ 1450 _____ feet in a _____ northerly _____
direction and _____ 50 _____ feet in a _____ southerly _____ direction
from the point of discovery, with a width of _____ 300 _____ feet on each
side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 700' of road built diagonally southwest across the south half of ACE No. 18 terminating in a drill site about 200' N 30° E of the southwest corner of the claim where a 150' deep hole was drilled, and 300' of road near the west side center of ACE No. 19. The two named claims along with ACE No. 20, ACE No. 21, ACE No. 12, ACE No. 23, ACE No. 24, ACE No. 16, ACE No. 15, and ACE No. 32 form a contiguous group of ten claims for which discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ 50.00 at least on ACE No.19)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 19, NW Cor, thence is an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 19, NE Cor, thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 19, E SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 19, SE Cor, thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 19, SW Cor, thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 19, W SC, thence 750 feet northerly to the point of beginning.

Each of the above described measurements is a 4X4 post 4'6" long planted 1' in the ground

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACT No. 27 Lode Mining Claims were
located by William D. Collins whose post office address appears
below on the 16th day of September 19 70

The general course of said hole or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Parake County, State of Nevada, In the SW 1/4 Sec. 14 and NW 1/4 Sec. 23, T. 26 N., R. 52 E.

The locator mined 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 700' of road built diagonally southwest across the south half of ACE No. 18 terminating in a drill site about 200' N 30° E of the southwest corner of the claim where a 190' deep hole was drilled, and 300' of road near the west side center of ACE No. 19. The two named claims along with ACE No. 20, ACE No. 21, ACE No. 22, ACE No. 23, ACE No. 24, ACE No. 16, ACE No. 15, and ACE No. 32 form a contiguous group of ten claims for which discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None ~~XXXXXX~~ on ACZ No.22)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 22, NW Cor, thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 22, NE Cor, thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 22, E 50, thence 750 feet to a southerly direction to the southeast corner, a monument marked ACE No. 22, SE Cor, thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 22, SW Cor, thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 22, W 50, thence 750 feet northerly to the point of beginning.

Each of the short-leaved succumbents is 2-4 1/2 feet 4-6" long planted 1' in the ground.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 23 lode claim located by William D. Collins where post office address is below, on the 16th day of September, 1970

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Esmeralda County, State of Nevada, in the SW 1/4 and SE 1/4 Sec. 14 and the NW 1/4 and SW 1/4 Sec. 23, T. 26 N., R. 52 E.

The locator claims 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 700' of road built diagonally southwest across the south half of ACE No. 18 terminating in a drill site about 200' N 30° E of the southwest corner of the claim where a 190' deep hole was drilled, and 300' of road near the west side center of ACE No. 19. The two named claims along with ACE No. 20, ACE No. 21, ACE No. 22, ACE No. 23, ACE No. 24, ACE No. 16, ACE No. 15, and ACE No. 32 form a contiguous group of ten claims for which discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1050.00 (\$ None EXPENSE on ACE No. 23)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 23 NW Cor. thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 23 NE Cor. thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 23 E. SC thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 23 SE Cor. thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 23 SW Cor. thence 750 feet in a northerly direction to the WEST side center, a monument marked ACE No. 23 W SC thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 6X6 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 24 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 16th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the SE 1/4 Sec. 14 and NE 1/4 Sec. 23, T. 26 N., R. 52 E.

The locator claim 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 700' of road built diagonally southwest across the south half of ACE No. 18 terminating in a drill site about 200' N 30° E of the southwest corner of the claim where a 150' deep hole was drilled, and 300' of road near the west side center of ACE No. 19. The two named claims along with ACE No. 20, ACE No. 21, ACE No. 22, ACE No. 23, ACE No. 24, ACE No. 16, ACE No. 15, and ACE No. 32 form a contiguous group of ten claims for which discovery work on any one applies for all.

(Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None expended on ACE No. 24)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 24 NW Cor. thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 24 NE Cor. thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 24 E SC thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 24 SE Cor. thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 24 SW Cor. thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 24 W SC thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that on ACE No. 25 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 14th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the NE 1/4 Sec. 22, T. 26 N., R. 52 E.

The locator claims 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 1250' of road was built in the north half of ACE No. 10 and two holes were drilled on the claim, one 180' deep about 700' S 50° W of the northeast corner of the claim and another 205' deep about 350' S 45° W of the northeast corner of the claim. ACE No. 10 is contiguous with ACE No. 9, ACE No. 17, ACE No. 25, ACE No. 26, ACE No. 27, ACE No. 28, ACE No. 29, ACE No. 30, and ACE No. 31 and discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None XXXXXXXXX on ACE No. 25)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 25 NW Cor. thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 25 NE Cor. thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 25 E BC thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 25 SE Cor. thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 25 SW Cor. thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 25 W BC thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THER IS TO CERTIFY that the ACE No. 26 Lode Mining Claim was located by William D. Collins whose post office address appears below on the 19th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Bureau County, State of Nevada, in the NE $\frac{1}{4}$ Sec. 22, T. 26 N., R. 52 E.

The lode claims 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 1250' of rock was built in the north half of ACE No. 10 and two holes were drilled on the claim, one 150' deep about 700' S 50° W of the northeast corner of the claim and another 205' deep about 350' S 45° W of the northeast corner of the claim. ACE No. 10 is contiguous with ACE No. 9, ACE No. 17, ACE No. 25, ACE No. 26, ACE No. 27, ACE No. 28, ACE No. 29, ACE No. 30, and ACE No. 31 and discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None EXPENSE on ACE No. 26)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 26, NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 26, NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 26, E. SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 26, SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 26, SW Cor., thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 26, W. SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is 4 5/8" post 4 1/2" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 31 Lode Mining Claim was located by William D. Collins at its post office address appearing below, on the 14th day of September, 19 70.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Essex County, State of Nevada, in the NE 1/4 and SW 1/4 Sec. 23, T. 26 N., R. 52 W.

The locator claims 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 1250' of road was built in the north half of ACE No. 10 and two holes were drilled on the claim, one 180' deep about 700' S. 50° W. of the northeast corner of the claim and another 205' deep about 350' S. 45° W. of the northeast corner of the claim. ACE No. 10 is contiguous with ACE No. 9, ACE No. 17, ACE No. 25, ACE No. 26, ACE No. 27, ACE No. 28, ACE No. 29, ACE No. 30, and ACE No. 31 and discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None ~~exclusive~~ on ACE No. 31.)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 31 NW Cor. thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 31 NE Cor. thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 31 E. SC thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 31 SE Cor. thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 31 SW Cor. thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 31 W. Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 32 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 14th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Esmeralda County, State of Nevada, in the NE 1/4 Sec. 23, T. 26 N., R. 52 E.

The locator claimed 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and location of the discovery work done on the claim are as follows: 700' of road built diagonally southwest across the south half of ACE No. 18 terminating in a drill site about 200' N 30° E of the southwest corner of the claim where a 190' deep hole was drilled, and 300' of road near the west side center of ACE No. 19. The two named claims along with ACE No. 20, ACE No. 21, ACE No. 22, ACE No. 23, ACE No. 24, ACE No. 16, ACE No. 15, and ACE No. 32 form a contiguous group of ten claims for which discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None expended on ACE No. 32)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 32, NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 32, NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 32, E SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 32, SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 32, SW Cor., thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 32, W SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 33 Lode Mining Claim was located by William D. Collins, whose post office address appears below, on the 18th day of September, 19 70.

The general course of said lode or vein is north and south.

The claim is situated to the Mineral Hill Mining District, Europe County, State of Nevada, in the NE 1/4 Sec. 15 and SE 1/4 Sec. 10, T. 25 N., R. 52 E.

The locator claims 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 100' of road built near the east side center of ACE No. 1, 2700' angling northeast across ACE No. 2 in three places, 1700' on ACE No. 35 near the south edge and across the north one-third, 1200' on ACE No. 34 along the south edge and the north one-third 1000' on ACE No. 33 along the south edge and the northeast corner, 600' on ACE No. 53 along the south edge, 200' on ACE No. 54 in the southeast corner, 1300' on ACE No. 36 across the middle and the north one-third, and 1000' in the northwest corner of ACE No. 37. The named claims, along with ACE No. 60, form a contiguous block of ten claims for which discovery work applies. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ 100.00 at least on ACE No. 33)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 33 NW Cor, thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 33, NE Cor, thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 33, E. Sc, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 33, SE Cor, thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 33, SW Cor, thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 33, W Sc, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 19 70.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 34 Lode Mining Claim was located by William D. Collins, whose post office address appears below, on the 18th day of September in 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the NE 1/4 Sec. 15 and SE 1/4 Sec. 10, T. 26 N., R. 52 E.

The locator claims 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 200' of road built near the east side center of ACE No. 1, 2700' angling northeast across ACE No. 2 in three places, 1700' on ACE No. 35 near the south edge and across the north one-third, 1200' on ACE No. 36 along the south edge and the north one-third 1000' on ACE No. 33 along the south edge and the northeast corner, 600' on ACE No. 53 along the south edge, 200' on ACE No. 54 in the southeast corner, 1300' on ACE No. 36 across the middle and the north one-third, and 1000' in the northwest corner of ACE No. 37. The named claims, along with ACE No. 60, form a contiguous block of ten claims for which discovery work applies. (Section 517.040, (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ 100.00 at least on ACE No. 34.)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 34 NW Cor. thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 34 NE Cor. thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 34 E. SC thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 34 SE Cor. thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 34 SW Cor. thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 34 W. SC thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long slanted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11 in 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 35 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 17th day of September, 19 70.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Bureau County, State of Nevada, in the SW 1/4 Sec. 11 and NE 1/4 Sec. 14, T. 26 N., R. 52 E.

The locator claims 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 200 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 200' of road built near the east side center of ACE No. 1, 2700' angling northeast across ACE No. 2 in three places, 1700' on ACE No. 35 near the south edge and across the north one-third, 1200' on ACE No. 35 along the south edge and the north one-third 1000' on ACE No. 33 along the south edge and the northeast corner, 600' on ACE No. 53 along the south edge, 200' on ACE No. 54 in the southeast corner, 1300' on ACE No. 35 across the middle and the north one-third, and 1000' in the northwest corner of ACE No. 37. The named claims, along with ACE No. 60, form a contiguous block of ten claims for which discovery work applies. (Section 517.040 (2) Nevada Revised Statutes, 1957).

The total cost of such work consisted of at least \$ 1000.00 (\$ 100.00 at least on ACE No. 35)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 35 NW Cor, thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 35, NE Cor, thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 35, E SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 35, SE Cor, thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 35, SW Cor, thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 35, W SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground. All location and discovery work necessary to complete this location had been performed by November 11, 19 70.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 38 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 24th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Furnish County, State of Nevada, in the SW 1/4 Sec. 10 and NW 1/4 Sec. 15, T. 26 N. R. 52 E.

The locator claimed 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 600' of road built across the south one-third of ACE No. 48, 800' near the south end of ACE No. 47, 1100' in the west two-thirds of the north one-third of ACE No. 40 and 600' across the north one-third of ACE No. 46. A drill hole 160' deep was drilled approximately 600' S 30° W of the northeast corner of ACE No. 40. The four named claims along with ACE No. 38, ACE No. 39, ACE No. 56, ACE No. 57, ACE No. 58 and ACE No. 59 form a contiguous group on which discovery work on any one claim applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None 28032222 on ACE No. 38.)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 38, NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 38, NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 38, E. SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 38, SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 38, SW Cor., thence 750 feet in a northerly direction to the side center, a monument marked ACE No. 38, N. SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

RECORDED AT THE CLERK'S OFFICE OF THE COUNTY OF FURNISH, NEVADA, ON NOV 11 1970 BY CLERK

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 39 Lode Mining Claim is located by William D. Collins, whose post office address appears below, on the 24th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Bureau County, State of Nevada, in the SW 1/4 Sec. 10 and NW 1/4 Sec. 15, T. 26 N., R. 52 E.

The locator claims 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 600' of road built across the south one-third of ACE No. 48, 800' near the south end of ACE No. 47, 1100' in the west two-thirds of the north one-third of ACE No. 40 and 600' across the north one-third of ACE No. 46. A drill hole 260' deep was drilled approximately 600' S 30° W of the northeast corner of ACE No. 40. The four named claims along with ACE No. 38, ACE No. 39, ACE No. 56, ACE No. 57, ACE No. 58 and ACE No. 59 form a contiguous group on which discovery work on any one claim applies to all. (Section 17.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None ~~RECEIVED~~ on ACE No. 39.)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 39, NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 39, NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 39, E 50, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 39, SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 39, SW Cor., thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 39, W 50, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 40 Lode Mining Claim was located by William D. Collins, whose post office address appears below, on the 24th day of September, 19 70.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Purake County, State of Nevada, in the SW 1/4 Sec. 10, T. 26 N., R. 52 E.

The locator claims 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: 600' of road built across the south one-third of ACE No. 48, 600' near the south end of ACE No. 47, 1100' in the west two-thirds of the north one-third of ACE No. 40 and 600' across the north one-third of ACE No. 46. A drill hole 260' deep was drilled approximately 600' S 30° W of the northeast corner of ACE No. 40. The four named claims along with ACE No. 38, ACE No. 39, ACE No. 56, ACE No. 57, ACE No. 58 and ACE No. 59 form a contiguous group on which discovery work on any one claim applies to all. (Section 317.640 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ 775.00 at least on ACE No. 40)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 40 NW Cor. thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 40 NE Cor. thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 40 E 60, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 40 SE Cor. thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 40 SW Cor. thence 750 feet in a northerly direction to the WEST side center, a monument marked ACE No. 40 W 60, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 19 70.

RECORDED AT THE CLERK'S OFFICE OF THE COUNTY CLERK, CLARK COUNTY, NEVADA, ON NOV 11 1970 BY CLERK

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 41 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 18th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Durkin County, State of Nevada, in the SE 1/4 Sec. 10, T. 26 N., R. 52 E.

The locator claims 300 feet in a northerly direction and 300 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 1000' of road built along the north edge and in the northeast quarter of ACE No. 52 and a drill hole 155' deep located about 450' S 15° W of the northeast corner of ACE No. 52, 800' of road built across the north one-third of ACE No. 51, 2700' across the middle and down the center lengthwise of ACE No. 50, 600' across the middle of ACE No. 49, and 800' starting at the west side center and finishing near the south end center of ACE No. 41. These five named claims along with ACE No. 42, ACE No. 43, ACE No. 44, ACE No. 45, and ACE No. 55 form a contiguous group of ten claims upon which discovery work on any one applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957.)

The total cost of such work consisted of at least \$ 1000.00 (\$ 100.00 at least on ACE No. 41)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 41 NW Cor. thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 41 NE Cor. thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 41 E. SC. thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 41 SE Cor. thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 41 SW Cor. thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 41 W. SC. thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 42 Lode Mining Claim was located by William D. Collins, whose post office address appears below, on the 18th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Esmeralda County, State of Nevada, in the SE 1/4 Sec. 10, T. 26 N., R. 51 E.

The locator claims 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 1000' of road built along the north edge and in the northeast quarter of ACE No. 52 and a drill hole 155' deep located about 450' S 15° W of the northeast corner of ACE No. 52, 800' of road built across the north one-third of ACE No. 51, 2700' across the middle and down the center lengthwise of ACE No. 50, 600' across the middle of ACE No. 49, and 800' starting at the west side center and finishing near the south end center of ACE No. 41. These five named claims along with ACE No. 42, ACE No. 43, ACE No. 44, ACE No. 45, and ACE No. 55 form a contiguous group of ten claims upon which discovery work on any one applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957.)

The total cost of such work consisted of at least \$ 1000.00 (\$None ~~skipped~~ on ACE No. 42.)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 42 NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 42 NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 42 E BC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 42 SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 42 SW Cor., thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 42 W BC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4 1/4 post 4 1/6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 43 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 17th day of September, 19 70.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the SW 1/4 Sec. 11, T. 26 N., R. 52 E.

The locator claimed 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 1000' of road built along the north edge and in the northeast quarter of ACE No. 52 and a drill hole 155' deep located about 450' S 15° W of the northeast corner of ACE No. 52, 800' of road built across the north one-third of ACE No. 51, 2700' across the middle and down the center lengthwise of ACE No. 50, 600' across the middle of ACE No. 49, and 800' starting at the west side center and finishing near the south and center of ACE No. 41. These five named claims along with ACE No. 42, ACE No. 43, ACE No. 44, ACE No. 45, and ACE No. 55 form a contiguous group of ten claims upon which discovery work on any one applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957.)

The total cost of such work consisted of at least \$ 1000.00 (\$ None REXENSE on ACE No. 43)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 43 NW Cor, thence is an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 43, NE Cor, thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 43, E SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 43, SE Cor, thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 43, SW Cor, thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 43, W SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x8 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 19 70.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 44 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 11th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the SW 1/4 Sec. 11, T. 26 N., R. 52 E.

The locator claims 1456 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 1000' of road built along the north edge and in the northeast quarter of ACE No. 52 and a drill hole 155' deep located about 450' S 15° W of the northeast corner of ACE No. 52, 800' of road built across the north one-third of ACE No. 51, 2700' across the middle and down the center lengthwise of ACE No. 50, 600' across the middle of ACE No. 49, and 800' starting at the west side center and finishing near the south end center of ACE No. 41. These five named claims along with ACE No. 42, ACE No. 43, ACE No. 44, ACE No. 45, and ACE No. 55 form a contiguous group of ten claims upon which discovery work on any one applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957.)

The total cost of such work consisted of at least \$ 1000.00 (\$ None ~~XXXXXXXX~~ on ACE No. 44)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 44, NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 44, NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 44, E BC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 44, SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 44, SW Cor., thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 44, W BC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 6'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

THIS IS TO CERTIFY that the ACE No. 45 Lode Mining Claim was located by William D. Collins, whose post office address appears below, on the 17th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the SW 1/4 Sec. 11, T. 26 N., R. 52 E.

The locator claim 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 1000' of road built along the north edge and in the northeast quarter of ACE No. 52 and a drill hole 155' deep located about 450' S 15° W of the northeast corner of ACE No. 52, 800' of road built across the north one-third of ACE No. 51, 2700' across the middle and down the center lengthwise of ACE No. 50, 600' across the middle of ACE No. 49, and 800' starting at the west side center and finishing near the south end center of ACE No. 41. These five named claims along with ACE No. 42, ACE No. 43, ACE No. 44, ACE No. 45, and ACE No. 55 form a contiguous group of ten claims upon which discovery work on any one applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957.)

The total cost of such work consisted of at least \$ 1000.00 (\$ None ~~XXXXXXX~~ on ACE No. 45.)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 45, NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 45, NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 45, E. SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 45, SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 45, SW Cor., thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 45, W. SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 46 Lode Mining Claim
 located by William D. Collins whose post office address is
 below, on the 24th day of September in 70
 The general course of said lode or vein is north and south
 The claim is situated on the Hibernal Hill Mining District, Carroll
 County, State of Nevada, in the SW 1/4 Sec. 10, T. 26 N., R. 52 E.
 The locator, distant 1450 feet in a northerly
 direction and 50 feet in a southerly direction
 from the point of discovery, with a width of 300 feet on each
 side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 600' of
 road built across the south one-third of ACE No. 48, 800' near the south end of
 ACE No. 47, 1100' in the west two-thirds of the north one-third of ACE No. 40
 and 600' across the north one-third of ACE No. 46. A drill hole 260' deep was
 drilled approximately 600' S 30° W of the northeast corner of ACE No. 40. The
 four named claims along with ACE No. 38, ACE No. 39, ACE No. 56, ACE No. 57,
 ACE No. 58 and ACE No. 59 form a contiguous group on which discovery work on
 any one claim applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ 75.00 at least on ACE No. 46)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 46, NW Cor. thence in an
easterly direction 600 feet to the northeast corner, a monument marked ACE No. 46,
NE Cor. thence 750 feet in a southerly direction to the east side
 center, a monument marked ACE No. 46, E. SC thence 750 feet in a southerly di-
 rection to the southeast corner, a monument marked ACE No. 46, SE Cor. thence 600
 feet in a westerly direction to the southwest corner, a monument marked ACE No. 46,
SW Cor. thence 750 feet in a northerly direction to the west side center,
 monument marked ACE No. 46, W. SC thence 750 feet northerly to the point of
 beginning.

Each of the above-described monuments is a 4x4 post 4'5" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by
November 11 1970

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 47 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 24th day of September 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the NW 1/4 and SW 1/4 Sec. 10, T. 26 N., R. 52 E.

The location claims 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 600' of road built across the south one-third of ACE No. 48, 800' near the south end of ACE No. 47, 1100' in the west two-thirds of the north one-third of ACE No. 40 and 600' across the north one-third of ACE No. 46. A drill hole 260' deep was drilled approximately 600' S 30° W of the northeast corner of ACE No. 40. The four named claims along with ACE No. 38, ACE No. 39, ACE No. 56, ACE No. 57, ACE No. 58 and ACE No. 59 form a contiguous group on which discovery work on any one claim applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ 75.00 at least on ACE No. 47)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 47 NW Cor. thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 47 NE Cor. thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 47 E SC thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 47 SE Cor. thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 47 SW Cor. thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 47 W SC thence 750 feet northerly to the point of beginning.

Each of the above described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 48 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 24th day of September, in 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the NW 1/4 and SW 1/4 of Sec. 10, T. 26 N., R. 32 E.

The locator claims 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 600' of road built across the south one-third of ACE No. 48, 800' near the south end of ACE No. 47, 1100' in the west two-thirds of the north one-third of ACE No. 40 and 600' across the north one-third of ACE No. 46. A drill hole 260' deep was drilled approximately 600' S 30° W of the northeast corner of ACE No. 40. The four named claims along with ACE No. 38, ACE No. 39, ACE No. 56, ACE No. 57, ACE No. 58 and ACE No. 59 form a contiguous group on which discovery work on any one claim applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ 75.00 at least on ACE No. 48)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 48, NW Cor. thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 48, NE Cor. thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 48, E. SC. thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 48, SE Cor. thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 48, SW Cor. thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 48, W. SC. thence 750 feet northerly to the point of beginning.

Each of the above described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 49 Los Angeles Mining Claims was
located by William D. Collins whose post office address appears
below on the 20th day of September 1970

The general course of each bay or river is north and south

The claim is situated in the Mineral Hill Mining District, Esch County, State of Nevada, in the SE 1/4 Sec. 10, T. 26 N., R. 52 E.

The luster silky 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said vein.

The dimensions and locations of the discovery work done on the claims are as follows: 1000' of road built along the north edge and in the northeast quarter of ACE No. 52 and a drill hole 155' deep located about 450' S 15° W of the northeast corner of ACE No. 52, 890' of road built across the north one-third of ACE No. 51, 2700' across the middle and down the center lengthwise of ACE No. 50, 600' across the middle of ACE No. 49, and 800' starting at the west side center and finishing near the south end center of ACE No. 41. These five named claims along with ACE No. 42, ACE No. 43, ACE No. 44, ACE No. 45, and ACE No. 55 form a contiguous group of ten claims upon which discovery work on any one applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1937.)

The total cost of such work consisted of at least \$ 1000.00 (\$ 100.00 at least on ACH No. 49)

The numbers and side contents of the tables are located and marked as follows:

From the northwest corner, a monument marked ACE No. 49 NW Cor, thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 49 NE Cor, thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 49 E SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 49 SE Cor, thence 500 feet in a westerly direction to the southwest corner, a monument marked ACE No. 49 SW Cor, thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 49 W SC, thence 750 feet northerly to the point of beginning.

Each of the above described members is a 4x4 post 6'6" long planted 1' in the ground

ALL location and discovery work necessary to complete this location had been performed by
November 11, 1970

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 55 Lode Mining Claim was located by William D. Collins, whose post office address appears below, on the 20th day of September, 19 70.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the SW 1/4 and SE 1/4 of Sec. 10 and the NW 1/4 and NE 1/4 of Sec. 15, T. 26 N., R. 52 E.

The locator claims 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 1000' of road built along the north edge and in the northeast quarter of ACE No. 52 and a drill hole 155' deep located about 450' S 15° W of the northeast corner of ACE No. 52, 800' of road built across the north one-third of ACE No. 51, 2700' across the middle and down the center lengthwise of ACE No. 50, 600' across the middle of ACE No. 49, and 800' starting at the west side center and finishing near the south end center of ACE No. 41. These five named claims along with ACE No. 42, ACE No. 43, ACE No. 44, ACE No. 45, and ACE No. 55 form a contiguous group of ten claims upon which discovery work on any one applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957.)

The total cost of such work consisted of at least \$ 1000.00 (\$ None SENTINEL on ACE No. 55)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 55, NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 55, NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 55, E SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 55, SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 55, SW Cor., thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 55, W SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 6x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 19 70.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 56 Lode Mining Claim was located by William D. Collins, whose post office address appears below, on the 20th day of September, 1970.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Goshute County, State of Nevada, In the SW 1/4 Sec. 10 and NW 1/4 Sec. 15, T. 26 N., R. 52 E.

The locator, claimed 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 600' of road built across the south one-third of ACE No. 48, 800' near the south end of ACE No. 47, 1100' in the west two-thirds of the north one-third of ACE No. 40 and 600' across the north one-third of ACE No. 46. A drill hole 260' deep was drilled approximately 600' S 30° W of the northeast corner of ACE No. 40. The four named claims along with ACE No. 38, ACE No. 39, ACE No. 56, ACE No. 57, ACE No. 58 and ACE No. 59 form a contiguous group on which discovery work on any one claim applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None SIXTYEEN on ACE No. 56.)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 56 NW Cor. thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 56 NE Cor. thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 56 E. SC thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 56 SE Cor. thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 56 SW Cor. thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 56 W. SC thence 750 feet northerly to the point of beginning.

Each of the above described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 57 Lode Mining Claim was located by William D. Collins, whose post office address appears below, on the 29th day of September, 19 70.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the NE 1/4 and SE 1/4 of Sec. 10, T. 26 N., R. 52 E.

The locator claims 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 600' of road built across the south one-third of ACE No. 48, 800' near the south end of ACE No. 47, 1100' in the west two-thirds of the north one-third of ACE No. 40 and 600' across the north one-third of ACE No. 46. A drill hole 260' deep was drilled approximately 600' S 30° W of the northeast corner of ACE No. 40. The four named claims along with ACE No. 38, ACE No. 39, ACE No. 56, ACE No. 57, ACE No. 58 and ACE No. 59 form a contiguous group on which discovery work on any one claim applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None RECORDED on ACE No. 57)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 57, NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 57, NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 57, E. BC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 57, SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 57, SW Cor., thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 57, W. BC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4X4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 19 70.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 58 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 24th day of September, 19 70.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the center of Sec. 10, T. 26 N., R. 52 E.

The locator claims 1450 feet in a northerly direction and 50 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 600' of road built across the south one-third of ACE No. 48, 800' near the south end of ACE No. 47, 1100' in the west two-thirds of the north one-third of ACE No. 40 and 600' across the north one-third of ACE No. 46. A drill hole 260' deep was drilled approximately 600' S 30° W of the northeast corner of ACE No. 40. The four named claims along with ACE No. 38, ACE No. 39, ACE No. 56, ACE No. 57, ACE No. 58 and ACE No. 59 form a contiguous group on which discovery work on any one claim applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None ~~EXCEEDED~~ on ACE No. 58)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 58, NW Cor. thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 58, NE Cor. thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 58, E SC thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 58, SE Cor. thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 58, SW Cor. thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 58, W SC thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4X4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location has been performed by November 11, 19 70.

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 59 Lead Mining Claim was located by William D. Collins whose post office address appears below, on the 24th day of September 19 70.

The general course of the beds or river is north and south.

The claim is situated in the Mineral Hill Mining District, Deeds County, State of Nevada, in the NW 1/4 and SW 1/4 Sec. 10, T. 26 N., R. 52 E.

The luster claims _____ 1450 _____ feet in a _____ northerly _____
direction and _____ 50 _____ feet in a _____ southerly _____
from the point of discovery, with a width of _____ 300 _____ feet on each
side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claims are as follows: 600' of road built across the south one-third of ACE No. 48, 600' near the south end of ACE No. 47, 1100' in the west two-thirds of the north one-third of ACE No. 40 and 600' across the north one-third of ACE No. 46. A drill hole 260' deep was drilled approximately 600' S 30° W of the northeast corner of ACE No. 40. The four named claims along with ACE No. 38, ACE No. 39, ACE No. 56, ACE No. 57, ACE No. 58 and ACE No. 59 form a contiguous group on which discovery work on any one claim applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None extract on ACE No. 59)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 59, NW Cor, thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 59, NE Cor, thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 59, E SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 59, SE Cor, thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 59, SW Cor, thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 59, W SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

As location and discovery were necessary to complete this location had been performed by
November 11 1970

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 60 Lode Mining Claim was located by William D. Collins, whose post office address appears below, on the 3rd day of October, 19 70.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the NE 1/4 Sec. 15, T. 26N., R. 52E.

The locator claims feet in a northerly direction and feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 200' of road built near the east side center of ACE No. 1, 2700' angling northeast across ACE No. 2 in three places, 1700' on ACE No. 35 near the south edge and across the north one-third, 1200' on ACE No. 34 along the south edge and the north one-third 1000' on ACE No. 33 along the south edge and the northeast corner, 600' on ACE No. 53 along the south edge, 200' on ACE No. 54 in the southeast corner, 1300' on ACE No. 36 across the middle and the north one-third, and 1000' in the northwest corner of ACE No. 37. The named claims, along with ACE No. 60, form a contiguous block of ten claims for which discovery work applies.

The total cost of such work consisted of at least \$ 1000.00 (\$ None ~~RECEIVED~~ on ACE No. 60)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 60, NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 60, NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 60, E 60, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 60, SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 60, SW Cor., thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 60, W 60, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 19 70.
