

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 11 Lode Mining Claim was located by William D. Collins, whose post office address appears below, on the 12th day of September, 19 70.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, in the SW 1/4 Sec. 14, T. 26 N., R. 52 E.

The locator claimed 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 100 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 150' of road built near the south end center of ACE No. 3 as well as a drill site and a drill hole 293' deep located about 200' NE of the south end center of the claim, and 1600' of road built in the NW 1/4 of ACE No. 11. These two named claims along with ACE No. 4, ACE No. 5, ACE No. 6, ACE No. 7, ACE No. 8, ACE No. 12, ACE No. 13, and ACE No. 14 form a contiguous group of ten claims for which discovery work on any one applies for all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None ~~XXXXXXXX~~ on ACE No. 13)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 13, NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 13, NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 13, E. SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 13, SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 13, SW Cor., thence 750 feet in a northerly direction to the west side center, a monument marked ACE No. 13, W. SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 19 70.
