

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the ACE No. 38 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 24th day of September, 1970

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Esmeralda County, State of Nevada, in the SW 1/4 Sec. 10 and NW 1/4 Sec. 15, T. 26 N. R. 52 E.

The locator claims 50 feet in a northerly direction and 1450 feet in a southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: 600' of road built across the south one-third of ACE No. 48, 800' near the south end of ACE No. 47, 1100' in the west two-thirds of the north one-third of ACE No. 40 and 600' across the north one-third of ACE No. 46. A drill hole 160' deep was drilled approximately 600' S 30° W of the northeast corner of ACE No. 40. The four named claims along with ACE No. 38, ACE No. 39, ACE No. 56, ACE No. 57, ACE No. 58 and ACE No. 59 form a contiguous group on which discovery work on any one claim applies to all. (Section 517.040 (2) Nevada Revised Statutes, 1957)

The total cost of such work consisted of at least \$ 1000.00 (\$ None ~~shown~~ on ACE No. 38)

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked ACE No. 38, NW Cor., thence in an easterly direction 600 feet to the northeast corner, a monument marked ACE No. 38, NE Cor., thence 750 feet in a southerly direction to the east side center, a monument marked ACE No. 38, E. SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked ACE No. 38, SE Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked ACE No. 38, SW Cor., thence 750 feet in a northerly direction to the side center, a monument marked ACE No. 38, N. SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4x4 post 4'6" long planted 1' in the ground.

All location and discovery work necessary to complete this location had been performed by November 11, 1970
