

Certificate of Location of Lode Mining Claim

THIS IS TO CERTIFY that the Ace No. 68 Lode Mining Claim was located by William D. Collins whose post office address appears below, on the 30th day of April 1971.

The general course of said lode or vein is north and south.

The claim is situated in the Mineral Hill Mining District, Eureka County, State of Nevada, and lies partly in the SE 1/4 Sec. 14 and partly in the NE 1/4 Sec. 23, T. 26N., R. 52E.

The locator claims 50 feet in a southerly direction and 1450 feet in a northerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows: The location work for this claim was performed by making a map showing the claim's geographic location with respect to the township subdivision survey. Refer to map accompanying certificate for lode claim ACE No. 67.

The total cost of such work consisted of at least \$ _____.

The corners and side centers of the claim are located and marked as follows:

From the northwest corner, a monument marked NW (No. 1) Cor., thence in a n easterly direction 600 feet to the northeast corner, a monument marked NE (No. 2) Cor., thence 750 feet in a southerly direction to the east side center, a monument marked East (No. 3) SC, thence 750 feet in a southerly direction to the southeast corner, a monument marked SE (No. 4) Cor., thence 600 feet in a westerly direction to the southwest corner, a monument marked SW (No. 5) Cor., thence 750 feet in a northerly direction to the west side center, a monument marked West (No. 6) SC, thence 750 feet northerly to the point of beginning.

Each of the above-described monuments is a 4" x 4" post 4 1/2' long extending at least one foot into the ground.

All location and discovery work necessary to complete this location had been performed by May 20 1971.
