

Certificate of Location

THIS IS TO CERTIFY that the QSV 14 lode mining claim was located by PHYLLIS DONALDSON on the 5th day of December, 1971.

The general course of said lode or vein is north and south.

The claim is situated in the Diamond Mining District, Eureka County, State of Nevada, R. 54 E., T. 21 N., Sec. 33.
See filed map: Queva Silver Venture Group, Map No. QSV - 1

The locator... claim 25 feet in a(n) northerly direction and 1475 feet in a(n) southerly direction from the point of discovery, with a width of 300 feet on each side of the center of the vein or lode along the entire length of said claim.

The dimensions and locations of the discovery work done on the claim are as follows:

The corners and side centers of the claim are located and marked as follows: The northwest corner is marked by a post four feet high, inscribed NW Corner of QSV 14 Claim; the Southwest Corner is marked by a post four feet high inscribed SW Corner of QSV 14 Claim; the Southeast Corner is marked by a post four feet high inscribed SE Corner of QSV 14 Claim; the Northeast corner is marked by a post four feet high inscribed NE Corner of QSV 14 Claim. There is also a post at the center of each side line.

Each of the above-described monuments is four by four by four post.

All location and discovery work necessary to complete this location had been performed by December 28, 1971.

Dated this 28th day of December, 1971.
