together with all rights, interests, easements, hereditaments and appurtenances thereunto belonging, the rents, issues, and profits thereof and revenues and income therefrom, all improvements and personal property now or later attached thereto or reasonably necessary to the use thereof, including, but not limited to, ranges, refrigerators, clothes washers, clothes dryers, or carpeting purchased or financed in whole or in part with loan funds, all water, water rights, water stock, wells, pumps, pumping plants, and equipment pertaining thereto, and all payments at any time owing to Borrower by virtue of any sale, lease, transfer, conveyance, or condemnation of, or injury to, any part thereof or interest therein-all of which are herein called "the property"

TO HAVE AND TO HOLD the property unto Trustee, his successors, grantees and assigns forever;

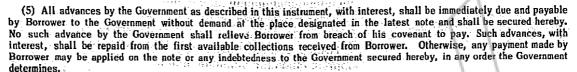

IN TRUST, NEVERTHELESS, (a) at all times when the note is held by the Government, or in the event the Government should assign this instrument without insurance of the payment of the note, to secure prompt payment of the note and any renewals and extensions thereof and any agreements contained therein, including any provision for the payment of an insurance or other charge, (b) at all times when the note is held by an insured lender, to secure performance of Borrower's agreement herein to indemnify and save harmless the Government against loss under its insurance endorsement by reason of any default by Borrower, and (c) in any event and at all times to secure the prompt payment of all advances and expenditures made by the Government, with interest, as hereinafter described, and the performance of every covenant and agreement of Borrower contained herein or in supplementary agreement, the provisions of which are hereby incorporated herein and made a part hereof.

BORROWER for himself, his heirs, executors, administrators, successors and assigns WARRANTS the property and the title thereto unto Trustee for the benefit of the Government against all lawful claims and demands whatsoever except any liens, encumbrances, easements, reservations, or conveyances specified hereinabove, and COVENANTS AND AGREES as follows:

- (1) To pay promptly when due any indebtedness to the Government hereby secured and to indemnify and save harmless the Government against any loss under its insurance of payment of the note by reason of any default by Borrower. At all times when the note is held by an insured lender, Borrower shall continue to make payments on the note to the Government, as collection agent for the holder.
- (2) To pay to the Government such fees and other charges as may now or hereafter be required by regulations of the Farmers Home Administration.
- (3) At all times when the note is held by an insured lender, any amount due and unpaid under the terms of the note, less the amount of any annual charge, may be paid by the Government to the holder of the note as provided in the insurance endorsement for the account of Borrower. Any amount due and unpaid under the terms of the note, whether it is held by the Government or by an insured lender, may be credited by the Government on the note and thereupon shall constitute an advance by the Government for the account of Borrower. Any advance by the Government as described in this paragraph shall bear interest at the note rate from the date on which the amount of the advance was due to the date of payment to the Government.
- (4) Whether or not the note is insured by the Government, the Government may at any time pay any other amounts required herein to be paid by Borrower and not paid by him when due, as well as any costs and expenses for the preservation, protection, or enforcement of this lien, as advances for the account of Borrower. All such advances shall bear interest at the rate borne by the note which has the highest interest rate.

- (6) To use the loan evidenced by the note solely for purposes authorized by the Government.
- (7) To pay when due all taxes, liens, judgments, encumbrances, and assessments lawfully attaching to or assessed against the property and promptly deliver to the Government without demand receipts evidencing such payments.
- (8) To keep the property insured as required by and under insurance policies approved by, delivered to, and retained by the Government.
- (9) To maintain improvements in good repair and make repairs required by the Government, operate the property in a good and husbandmanlike manner; comply with such farm conservation practices and farm and home management plans as the Government from time to time may prescribe; and not to abandon the property, or cause or permit waste, lessening or impairment of the security covered hereby, or, without the written consent of the Government, cut, remove, or lease any timber, gravel, oil, gas, coal, or other minerals except as may be necessary for ordinary domestic purposes.
 - (10) To comply with all laws, ordinances, and regulations affecting the property.
- (11) To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and priority hereof and to the enforcement of or the compliance with the provisions hereof and of the note and any supplementary agreement (whether before or after default), including but not limited to costs of evidence of title to and survey of the property, costs of recording this and other instruments, attorneys' fees, trustees' fees, court costs, and expenses of advertising, selling, and conveying the property.
