That the Certificate of Location of each and all of the above-named claims have been filed for record in the office of the County Recorder of Eureka County, in the Town of Eureka, and such certificates are hereby referred to, by such reference made a part hereof for all particulars therein shown. That such work was performed during the period between September 1, 1972 and September 1, 1973, for the owner, Julian E. Simpson, for the purpose of holding said claims. The claim map showing said claims is filed as Document No. 56141, 56144 and 56145, in accordance with NRS 517.030 in the Eureka County records. That said labor was performed and improvements made by Goldzone Discovery Company, of Reno, Nevada, and Julian E. Simpson, Engineer of Mines, and others. That such work was performed within the boundaries of the above named claims and performed for the benefit of each and all of the unpatedented lode mining claims all of which are contiguous. Such work or improvements, and character consisted of geochemical and geological surveys and road work conducted within the boundaries of said claims. Geological surveys determined the position of veins, thrust faults, dikes, and high angle faults. The geochemical surveys disclosed the pattern of element anomalies reflecting hydrothermal metalization. Maps were prepared reflecting data obtained by surveys.
