BOOK 53 PAGE 514

**For the Purpose of Securing:**

**One:** Payment of the indebtedness evidenced by one promissory note (and any renewals, extensions or modifications thereof) of even date herewith, payable to the order of the Beneficiary in the principal sum of **Five Hundred Thousand and No/100** - - - - -

Dollars (\$500,000.00) legal tender of the United States of America, made, executed and delivered by Trustor to Beneficiary for money loaned in the principal sum last above stated, with interest thereon as provided in said note.

**Two:** Payment of such additional sums, with interest thereon, as may be hereafter borrowed from Beneficiary by Trustor, or his successors and assigns, when evidenced by another promissory note or notes reciting that they are secured by this Deed of Trust. Such additional loans shall be secured hereby only if made to the owner of record of said property at a time when he is such owner of record.

**Three:** Payment of all other moneys herein agreed or provided to be paid by Trustor, including sums advanced or expended by Beneficiary and Trustee, and interest thereon, pursuant to the provisions hereof, and including, specifically, without limitation, sums advanced or expended by Beneficiary and Trustee for the improvement or protection of the said property or for the protection of the interest of Beneficiary in said property.

**Four:** Performance and discharge of each and every obligation, promise and agreement of Trustor herein contained or incorporated herein by reference, including without limitation each and every obligation, promise and agreement of Trustor contained in any and all security agreements, supplemental agreements, assignments of lessor's interest in leases, or other instruments of security executed by Trustor as of even date herewith or at any time subsequent to the date hereof for the purpose of further securing any indebtedness hereby secured, or any part thereof, or any further advancements or further or additional loans of any sums hereafter made by Beneficiary to Trustor during the continuance of these trusts and secured hereby, or for the purpose of supplementing or amending this Deed of Trust or any instrument secured hereby.

**To Have and to Hold** the same unto said Trustee, its successors and assigns, upon the trusts and agreements herein expressed, to-wit:

1. Trustor shall pay: (a) at least twenty (20) days before they become delinquent, all taxes and assessments of every type or nature affecting said real property, including assessments on appurtenant water stock; (b) all other charges and encumbrances which now are or shall hereafter be or appear to be a lien prior to the lien of this Deed of Trust upon said property or any part thereof. In default thereof, Beneficiary may, without demand or notice, pay and discharge said taxes, assessments, charges and encumbrances, and pay such sums of money as it may deem to be necessary therefor, and shall be the sole judge of the legality, validity or priority thereof and of the amount necessary to be paid in the satisfaction thereof.

2. Trustor shall keep all buildings and improvements which now are or shall hereafter be erected or placed upon the said premises unceasingly insured against loss or damage by fire and such other hazards as may be required by the Beneficiary, in form and amounts satisfactory to and in an insurance company or companies approved by Beneficiary; any fire insurance policy shall, at the option of Beneficiary, be for a period of three years with premium prepaid; and all policies of insurance shall be made payable, in case of loss, to Beneficiary (with mortgagee clauses approved by Beneficiary attached thereto) and shall be delivered to and held by Beneficiary as further security; and in default thereof Beneficiary may procure such insurance and may pay and expend for premiums therefor such sums of money as it may deem to be necessary. Beneficiary is authorized and empowered, at its option, to adjust or compromise any loss under any insurance policies on the property hereby conveyed, to collect and receive the proceeds from any such policy or policies and, after deducting from said insurance proceeds any expenses incurred by it in the collection or handling of said fund, to apply the net proceeds, at its election, either toward restoring the improvements or as a credit on any portion of the indebtedness selected by it, whether then matured or to mature in the future. Beneficiary shall not be held responsible for any failure to collect any insurance proceeds due under the terms of any policy, regardless of the cause of such failure, and nothing in this section shall in any way affect the liability of Trustor for payment of the entire balance of the debt secured hereby, and the application of such funds or proceeds shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. In the event of foreclosure hereof by Trustee's sale or otherwise, any and all policies of insurance and the unearned premiums thereon shall inure to the benefit of and pass to the purchaser of said premises at such Trustee's sale or foreclosure sale.

3. Trustor shall keep all buildings and improvements which now are or hereafter shall be erected upon said premises in good condition and repair; shall neither remove or demolish any building nor alter or impair the design or structural character of any building or improvement now existing or which may be erected hereafter upon said premises unless Beneficiary shall first consent thereto in writing; and Trustor shall cultivate, irrigate, fertilize, fumigate, prune and care for all crops, vines or trees now or hereafter planted or growing upon said premises, and shall do all other acts which from the character or use of said premises may be reasonably necessary, the specific enumerations herein not excluding the general; and Trustor shall not remove from said premises any fixtures, nor any trees or vines now or hereafter planted, nor the stakes, trellises or supports thereof unless Beneficiary shall first consent thereto in writing; nor shall Trustor permit or commit any waste on said premises; and should Trustor fail to perform any act required of Trustor hereunder, Beneficiary may at its option make advisable or necessary repairs or remedy any waste, or do any other acts which from the character or use of said premises may be reasonably necessary; and Beneficiary, acting through its employees, agents or attorneys, is hereby authorized to enter upon and take possession of said premises for such purpose.

4. Trustor shall pay when due all claims for labor performed and materials furnished on the premises, shall keep the property free of mechanics' and materialmen's liens, shall appear in and defend any action or proceeding purporting to affect said property or the title thereto or the security hereof or the trusts hereby created or the rights or powers of Beneficiary or Trustee; and shall pay all costs and expenses incurred by Beneficiary or Trustee, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may elect to appear, and in any suit brought by Beneficiary to foreclose this Deed of Trust. Beneficiary or Trustee, or both, shall have the right so to appear in any action or proceeding first above referred to and defend the same or settle or compromise any claim involved therein, and shall have the right to pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, may expend such sums of money as they, or either of them, may deem advisable or necessary therefor, including cost of evidence of title and reasonable fees of counsel employed.

5. If said property is now subject to a cotton history, Trustor shall maintain the full cotton history now or hereafter appertaining to said property, and will plant and harvest said property to cotton to the full extent required or permitted by law or Government regulations to maintain said cotton history and allotment including any increase in allotment which may, from time to time, be attributable to said property, and will not pledge, transfer, sell, lease or otherwise encumber, dispose or convey said cotton history or allotment or any part thereof, without prior written consent of Beneficiary first had and obtained; nor do any other act, or fail to perform any requirement of any Governmental rule or regulation required from time to time to maintain or improve said cotton allotment on said property.

6. If Trustor now holds acreage rice allotments which have been used for the growing of rice on said property, Trustor shall maintain the full acreage rice allotments of the United States Department of Agriculture, Agricultural Stabilization and Conservation Service, or any successor agency presently held or hereafter acquired by Trustor, and will plant and harvest said property to rice to the full extent required or permitted by law or Government regulations to maintain said acreage rice allotments, including any increase in allotments which may, from time to time, be attributable to previously held allotments, and will not pledge, transfer, sell, lease or otherwise encumber, dispose or convey Trustor's interest in any portion of said acreage rice allotments now held or hereafter acquired, or any part thereof, without prior written consent of Beneficiary first had and obtained; nor do any other act, or fail to perform any requirement of any Governmental rule or regulation required from time to time to maintain Trustor's acreage rice allotments.

7. Should Trustor fail to make any payment or to do any act as herein provided; then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof. In exercising any such powers, Beneficiary or Trustee may pay necessary expenses and employ counsel and pay his reasonable fees. Trustor shall pay to Trustee and to Beneficiary, respectively, immediately and without demand all costs, fees and expenses of this trust, including all amounts and sums of money which they shall respectively pay or expend pursuant to the provisions, or any of them, hereinafter contained, together with interest upon each of said amounts from date of expenditure until paid at the rate of ten percent per annum, and if not so repaid by Trustor, all sums advanced or expended by Trustee or Beneficiary pursuant to the provisions hereof, together with said interest, shall be added to the debt and secured hereby.

8. Trustor shall comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property, or requiring any alterations or improvements to be made thereon, and Trustor shall not suffer or permit any act to be done in or upon said property in violation thereof.

9. If default be made in the payment when due of the whole or any part of any of the several installments of principal or interest or both as provided in the promissory note or notes secured by this Deed of Trust, or in the payment when due of the whole or any part of any further advancements or further or additional loans of any sums hereafter made by Beneficiary to Trustor during the continuance of these trusts and secured hereby, or in payment of any other amounts and sums payable by Trustor under the provisions hereof, and Beneficiary shall employ an attorney for the collection of such payment in default, then, without notice or demand or presentment, all costs and expenses of collection and a reasonable attorney's fee shall immediately become due and payable to the Beneficiary at the place of payment aforesaid, anything contained herein or in said promissory note to the contrary notwithstanding, and the amount of such costs, expenses and attorney's fee shall bear interest at the rate of ten percent per annum until paid, and if not paid shall be added to and become a part of the total indebtedness and shall be secured hereby.

10. Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed of Trust and said note to Trustee for cancellation and retention and upon Trustor's payment of Trustee's fees, Trustee shall reconvey, without warranty, the estate in the property then held by Trustee. The grantee in such reconveyance may be designated and described as the "person or persons legally entitled thereto," or by other appropriate terms. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof.

11. If default be made in the payment when due of the whole or any part of any installments of principal or interest or both as provided in the promissory note or notes secured by this Deed of Trust or in any agreement renewing, extending or modifying said note or notes, or in the payment of any of the other amounts and sums herein agreed to be paid or of any interest thereon, or in the performance of any of Trustor's obligations, promises or agreements hereunder, or in the event that proceedings be instituted by or against the then owner of said property under any bankruptcy or insolvency law, or in the event foreclosure of any junior lien shall be commenced, either of which shall constitute a breach of agreement and an event of default hereunder, then, at its option, Beneficiary may declare the entire unpaid balance of the indebtedness secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice Trustee shall cause to be duly filed for record, or Beneficiary itself may cause such written notice of default to be duly recorded for the same purpose.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public or private auction to the highest bidder for cash in lawful money of the United States, payable at time of sale.

Trustee may postpone sale of all or any portion of said property by public or private announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public or private announcement at the time fixed by the preceding postponement; and without further notice it may make such sale at the time to which the same shall be postponed, provided, however, that the sale or any postponement thereof must be made at the place fixed by the original notice of sale. If said premises consist of several known lots or parcels, Beneficiary may at its sole discretion designate the order in which such parcels shall be sold or offered for sale. Any person, including Trustor, Trustee or Beneficiary, may purchase at such sale.

In the event the foreclosure sale is not concluded and Beneficiary has allowed Trustor to cure any and all defaults occasioned hereunder, then Trustor shall pay to Beneficiary all costs and expenses incurred by Beneficiary as a result of Trustor's default including reasonable attorneys fees for any counsel employed by Beneficiary.

In the event the foreclosure sale is concluded, the proceeds of any such sale shall be distributed in accordance with the provisions of Paragraph 12 hereafter.

12. Trustee, after making such sale and upon receipt of the purchase price, shall make, execute and deliver to the purchaser or purchasers its deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied, and shall apply the proceeds of sale thereof to payment. **Firstly**, of the expenses of such sale, together with the reasonable expenses of this Trust, including reasonable attorney's fees, Trustees' fees and costs of evidence of title in connection with said sale and documentary stamps on Trustee's Deed; **Secondly**, of all moneys paid, advanced or expended by Beneficiary under the terms hereof, including reasonable attorney's fees, not then repaid, together with the interest thereon as herein provided; **Thirdly**, of the amount of the principal and interest on said promissory note or notes then remaining unpaid; and **Lastly**, the balance or surplus, if any, of such proceeds of sale to the person or persons legally entitled thereto, upon satisfactory proof of such right.

13. In the event of a sale of said property, or any part thereof, and the execution of a deed or deeds therefor under these trusts, the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof and of the fact that said sale was regularly and validly made in accordance with all requirements of the laws of the State of California, and of this Deed or Trust; and any such deed or deeds, with such recitals therein, shall be effectual and conclusive against Trustor and all other persons; and the receipt for the purchase money recited or contained in any deed executed to the purchaser as aforesaid shall be a sufficient discharge to such purchaser from all obligations to see to the proper application of the purchase money according to the trusts aforesaid.

14. As additional security, Trustor hereby grants to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any part of the indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. In case default is made in payment of any part of the indebtedness secured hereby or in performance of any of Trustor's obligations, promises or agreements herein contained, then Beneficiary shall be entitled at any time during the continuance of any such default and without notice, in its sole discretion, either by its agents, attorneys, employees, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, to enter upon and take possession of the above property and every part thereof, exclude Trustor therefrom, to do and perform any acts of repair that Beneficiary may deem necessary or proper to conserve the value thereof, to use, operate, manage and control said property and rent or lease the same or any part thereof for such rental and upon such terms and conditions as its judgment

may dictate, and in its own name to sue for or otherwise collect and receive all rents, issues and profits thereof, including those past due and unpaid as well as those accruing thereafter. In order that the powers in this paragraph contained may be given full force and effect, Trustor further agrees that Beneficiary may also take possession of, and for these purposes use, any and all personal property contained in said premises and used by Trustor in the rental or leasing of said premises or any part thereof. Beneficiary may apply all such rents, issues and profits collected or received by it (less costs and expenses incurred in taking possession, of operation and collection, including reasonable attorney's fees, reasonable compensation paid to any agent appointed by Beneficiary and any receiver's fees) upon any portion of the indebtedness secured hereby, and in such order as Beneficiary may determine. Neither the entering upon and taking possession of said property, nor the collection of such rents, issues and profits and the application thereof as aforesaid, shall cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice; nor shall the exercise of this right and power by Beneficiary be construed to be an affirmation by it of any tenancy, lease or option theretofore existing or a subordination of the lien of this Deed of Trust thereto. The right to take such possession and collect such rents, issues and profits shall be cumulative to the right and remedy to declare a default and to cause notice of default to be recorded, and cumulative to any other right or remedy provided herein or at law or in equity, and may be exercised concurrently or independently.

15. In the event the hereinbefore described property or any portion thereof or any interest therein be sold or conveyed during the existence of this Deed of Trust; or in the event the Trustor shall pledge, transfer, sell, lease or otherwise encumber, dispose or convey any portion of any cotton history or allotment applicable to the said property or any portion of any acreage rice allotment presently held or hereafter acquired by Trustor, in either case without prior written approval of Beneficiary; then in any or all such events, the entire indebtedness owing on the Note secured by this Deed of Trust shall, at the option of the Beneficiary herein, become due and payable.

16. All judgments, awards of damages and settlements hereafter made as a result of or in lieu of any condemnation or other proceedings for public use of or for any damage to said premises or the improvements thereon or any part thereof are hereby assigned and shall be paid to Beneficiary. Trustor agrees to execute such further assignments of any such award, judgment or settlement as Beneficiary may require and to deliver to Beneficiary all proceeds of any such award, judgment or settlement which may be received by Trustor. Beneficiary may apply any and all such sums on any portion of the indebtedness selected by it, whether then matured or subsequently to mature; or, at its option, the entire amount so received by it or any part thereof may be released. Neither the application nor the release of any such sums shall cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice; nor shall Beneficiary be held responsible for any failure to collect any award; nor shall anything in this section affect the liability of Trustor for payment of the entire balance of the debt secured hereby.

17. Without affecting the personal liability of any person, including Trustor (other than any person released pursuant hereto), for the payment of the indebtedness secured hereby, and without affecting the lien of this Deed of Trust for the full amount of the indebtedness remaining unpaid upon any property not reconveyed pursuant hereto, Beneficiary and Trustee are respectively authorized and empowered as follows: Beneficiary may, at any time and from time to time, either before or after the maturity of said note, and without notice: (a) release any person liable for the payment of any of the indebtedness, (b) make any agreement extending the time or otherwise modifying the terms of payment of any of the indebtedness, (c) accept additional security therefor of any kind, (d) release any property, real or personal, securing the indebtedness. Trustee may, without liability therefor and without notice, at any time and from time to time so long as the lien or charge hereof shall subsist, but only upon the written request of Beneficiary and presentation of this Deed of Trust and said note for endorsement: (a) consent to the making of any map or plat of the property, (b) join in granting any easement thereon or in creating any covenants restricting use or occupancy thereof, (c) reconvey, without warranty, any part of said property, (d) join in any extension agreement or in any agreement subordinating the lien or charge hereof.

18. If the indebtedness secured hereby is now or hereafter further secured by personal property security agreements and financing statements or other instruments authorized by the California Commercial Code, deeds of trust, pledges, contracts of guaranty or other additional securities, Beneficiary may, at its option, exhaust any one or more of said securities as well as the security hereunder, either concurrently or independently and in such order as it may determine, and may apply the proceeds received upon the indebtedness secured hereby without affecting the status of, or waiving any right to exhaust all or any other security including the security hereunder and without waiving any breach or default or any right or power, whether exercised hereunder or contained herein or in any such other security.

19. Acceptance by Beneficiary of any sum in payment or part payment of any portion of the indebtedness secured hereby after the same is due shall not constitute a waiver of Beneficiary's right to require prompt payment when due of all other sums secured hereby, nor shall such acceptance cure or waive any remaining default or waive any subsequent default or prejudice any of the rights of Beneficiary under this Deed of Trust.

20. Upon the enactment after this date of any State or Federal law imposing upon Beneficiary the payment of the whole or any part of the taxes or assessments or charges or liens herein required to be paid by Trustor, or changing in any way the laws relating to the taxation of deeds of trust or debts secured by deeds of trust or the Beneficiary's interest in the property, or the manner of collection of taxes, so as to affect this Deed of Trust or the debt secured hereby or the Beneficiary, then, and in any such event, the entire unpaid balance of said note and indebtedness shall, at the option of Beneficiary, upon twelve (12) months' written notice to Trustor, be and become immediately due and payable, and after delivery to Trustor of written declaration of default and demand for sale, recordation of written notice of default, and notice of sale having been duly given, Trustee shall make sale of the property, all in accordance with sections No. 11 and No. 12 hereof.

21. Beneficiary may from time to time as provided by statute, or by instrument in writing, appoint another Trustee or Trustees in place and stead of the Trustee herein named, and thereupon, the Trustee herein named shall be discharged and the Trustee so appointed shall be substituted as Trustee hereunder with the same effect as if originally named Trustee herein, which instrument, executed and acknowledged by Beneficiary and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the date of execution of this Deed of Trust, the name of the original Trustor hereunder, the book and page where this Deed of Trust is recorded, and the name of the new Trustee.

22. Beneficiary, by any authorized agent or employee, may at any reasonable time enter upon and inspect the said property.

23. Trustee and Beneficiary shall be subrogated, notwithstanding their release of record, to the vendor's lien or liens, superior titles, and prior mortgages, deeds of trust, liens, encumbrances, rights, equities and charges of all kinds on the described property to the extent that the same are paid or discharged from the proceeds of the loan represented by the said promissory note and secured by this Deed of Trust.

24. From time to time whenever written demand may be made therefor by Beneficiary, Trustor within ten (10) days from such demand, shall execute and deliver to Beneficiary in form and content satisfactory to Beneficiary a security agreement and financing statement covering the chattels and personal property installed on or used in connection with the operation of the said property, and any delay, failure or refusal so to do, shall constitute a default under this Deed of Trust.

25. Trustee, upon presentation to it of an affidavit of Beneficiary signed by a duly authorized officer thereof setting forth facts showing a default by Trustor in the performance of any agreement of Trustor hereunder, is authorized to accept as true and conclusive all facts and statements therein contained and to act thereon hereunder.

26. Any remedy herein provided shall not be exclusive of any other remedy given by the terms hereof or now or hereafter existing at law or in equity, but shall be cumulative.

27. The failure by Beneficiary promptly to exercise any right, power or remedy provided herein or at law or in equity shall not constitute a waiver of the same, nor shall Beneficiary thereby be estopped from later exercising such right, power or remedy.

28. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any act or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

29. The pleading of the Statute of Limitations as a defense to any and all obligations secured by this Deed of Trust is hereby waived.

30. The trusts created hereby are irrevocable by Trustor.

31. For the furnishing by Beneficiary of any statement or accounting regarding the obligations secured hereby to Trustor or any other person authorized by law to make a written request or demand therefor, the Beneficiary may charge and shall be paid in advance the maximum charge or fee allowed by law at the time of such request or demand.

32. The invalidity of any one or more agreements, provisions, phrases, clauses, sentences or paragraphs of this Deed of Trust shall not affect the remaining portions of this Deed of Trust or any part thereof and this Deed of Trust shall be construed as if such invalid agreements, provisions, phrases, clauses, sentences or paragraphs, if any, had not been inserted herein.

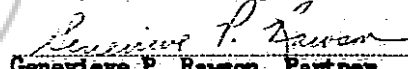

33. This Deed of Trust shall inure to and bind the heirs, legatees, devisees, administrators, executors, successors and assigns of the parties hereto, and shall be so construed that wherever applicable with reference to any of the parties hereto, the use of the singular number shall include the plural number, the use of the plural number shall include the singular number, and the use of any gender shall include all genders. All obligations of Trustor hereunder are joint and several. The term Beneficiary shall mean the owner and holder, including pledgees, of the note secured hereby, whether or not named as Beneficiary herein.

34. Trustor hereby requests that a copy of any notice of default and of any notice of sale hereunder be mailed to him at his address hereinbefore set forth.

35. Trustee accepts this trust when this Deed duly executed and acknowledged is made a public record as provided by law.
