- (8) To keep the property insured as required by and under insurance policies approved by, delivered to, and retained by the Government.
- (9) To maintain improvements in good repair and make repairs required by the Government, operate the property in a good and husbandlike manner; comply with such farm conservation practices and farm and home management plans as the Government from time to time may prescribe; and not to abandon the property, or cause or permit waste, lessening or impairment of the security covered hereby, or, without the written consent of the Government, cut, remove, or leave any timber, gravel, oil, gas, coal, or other minerals except as may be necessary for ordinary domestic purposes.
- (10) To comply with all laws, ordinances, and regulations affecting the property.
- (11) To pay or reimburse the Government or Trustee for expenses reasonably necessary or incidental to the protection of the lien and priority hereof and to the enforcement of or the compliance with the provisions hereof and of the note and any supplementary agreement (whether before or after default), including but not limited to costs of evidence of title to and survey of the property, costs of recording this and other instruments, attorneys' fees, trustees' fees, court costs, and expenses of advertising, selling, and conveying the property.
- (12) Neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred, or encumbered, voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as beneficiary hereunder, including but not limited to the power to grant consents and subordinations, and to request full and partial reconveyances, and no insured lender shall have any right, title or interest in or to the lien or any benefits hereof.
- (13) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplementary agreement are being performed.
- (14) The Government may extend and defer the maturity of and renew and reamortize the debt evidenced by the note or any indebtedness to the Government secured hereby, release from liability to the Government any party so liable thereon, request reconveyances of portions of the property from and subordinate the lien hereof, and waive any other rights hereunder without affecting the lien or priority hereof or the liability to the Government of Borrower or any other party for payment of the note or indebtedness secured hereby except as specified by the Government in writing.
- (15) If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.
- (16) Default hereunder shall constitute default under any other real estate, or under any personal property or other security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.
- (17) SHOULD DEFAULT occur in the performance or discharge of any obligation in this instrument, or secured by this instrument, or should any one of the parties named as Borrower die or be declared an incompetent, a bankrupt, or an insolvent, or make an assignment for the benefit of creditors, the Government, at its option, with or without notice, may: (a) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property, (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, (d) authorize and request Trustee to foreclose this instrument and sell the property as provided by law, and (e) bring an action to foreclose this instrument, obtain a deficiency judgment, or enforce any other remedy provided by law.
- (18) At the request of the Government, Trustee may foreclose this instrument by advertisement and sale of the property as provided by law, for cash or secured credit at the option of the Government, personal notice of which sale need not be served on Borrower; such sale may be adjourned from time to time without other notice than oral proclamation at the time and place appointed for such sale; and at such sale the Government and its agents may bid and purchase as a stranger. Trustee at his option may conduct such sale without being personally present, through his delegate authorized by him for such purpose orally or in writing, and Trustee's execution of a conveyance of the property or any part thereof to any purchaser at foreclosure sale shall be conclusive evidence that the sale was conducted by Trustee personally or through his delegate duly authorized in accordance herewith.
- (19) The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all indebtedness to the Government secured hereby, (d) inferior liens of record required by law or a competent court to be so paid, (e) at the Government's option, any other indebtedness of Borrower owing to or insured by the Government, and (f) any balance to Borrower. In case the Government is the successful bidder at foreclosure or other sale of all or any part of the property, the Government may pay its share of the purchase price by crediting such amount on any debts of Borrower owing to or insured by the Government, in the order prescribed above.
- (20) All powers and agencies granted in this instrument are coupled with an intent, and are irrevocable by death or otherwise; and the rights and remedies provided in this instrument are cumulative to remedies provided by law.

(21) Borrower agrees that the Government will not be bound by any present or future State laws, (a) providing for valuation, appraisal, homestead or exemption of the property, (b) prohibiting maintenance of an action for a deficiency judgment or limiting the amount thereof or the time within which such action must be brought, (c) prescribing any other statute of limitations, (d) allowing any right of redemption or possession following any foreclosure sale, or (e) limiting the conditions which the Government may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer of the property to a new Borrower. Borrower expressly waives the benefit of any such State laws. Borrower hereby relinquishes, waives, and conveys all rights, inchoate or consummate, of descent, dower, and curtesy.

(22) If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling (herein called "the dwelling") and if Borrower intends to sell or rent the dwelling and has obtained the Government's consent to do so (a) neither Borrower nor anyone authorized to act for him will, after receipt of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling or will otherwise make unavailable or deny the dwelling to anyone because of race, color, religion or national origin, and (b) Borrower recognizes as illegal and hereby disclaims, and will not comply with or attempt to enforce any restrictive covenants on the dwelling relating to race, color, religion, or national origin.

(23) This instrument shall be subject to the present regulations of the Farmers Home Administration, and to its future regulations not inconsistent with the express provisions hereof.

(24) Notices given hereunder shall be sent by certified mail, unless otherwise required by law, addressed, unless and until some other address is designated in a notice so given in the case of the Government or Trustee to Farmers Home Administration, United States Department of Agriculture, at Woodland, California 95695, and in the case of Borrower to him at his post office address stated above.

(25) Borrower will perform and complete all the action and fulfill all of the conditions necessary to perfect his rights to appropriate underground water to be produced from any well(s) now located or hereafter placed on the property and apply said water to beneficial use thereon; and in the event of Borrower's failure to do so, the Government shall have the right to complete such action in which event all expenses and costs incident thereto shall become an indebtedness of Borrower in favor of the Government and shall be secured by this deed of trust.

(26) Upon full and final payment of all indebtedness hereby secured and the performance and discharge of each and every condition, agreement and obligation, contingent or otherwise, contained herein or secured hereby, the Government shall request Trustee to execute and deliver to Borrower at his above post office address a full reconveyance of the property within 60 days after written demand by Borrower, and Borrower hereby waives the benefits of all laws requiring earlier execution or delivery of such reconveyance.

(27) If any provision of this instrument or application thereof to any person or circumstances is held invalid, such invalidity will not affect other provisions or applications of the instrument which can be given effect without the invalid provision or application, and to that end the provisions hereof are declared to be severable.

I (WE) HEREBY WAIVE THE RIGHT TO A HEARING PRIOR TO ANY FORECLOSURE SALE OF THE PROPERTY.
