The location of each corner of the claim is shown on the claim map that is filed herewith. On the ground each corner, side corner, or location monument is marked with its appropriate designation on an aluminum tag nailed securely to a 4 inch by 4 inch wooden post, 4-1/2 feet in length, substantially erected at each corner, side corner, location point, or witness corner.

The monumentation and marking of the above mentioned corners on the ground was completed on the 25th day of July, 1978 and the location work consisted of making a claim map as provided in NRS 517.040. Two copies of this claim are filed with the Eureka County Recorder, and the \$15.00 lode claim filing fee has been paid to the County Recorder.
