

AFFIDAVIT OF ANNUAL ASSESSMENT WORK
FOR UNPATENTED MINING CLAIMS

STATE OF COLORADO)
) SS.
COUNTY OF MESA)

TO WHOM IT MAY CONCERN:

Please take notice that W. L. WILSON, being first duly sworn, says that in excess of \$9,300.00, being more than \$100.00 per unpatented mining claim (identified below), was expended for labor and improvements on or with respect to such claims, consisting of initiating and pursuing a drilling program, the construction of drill sites, the building and improvement of roads to gain access to said claims and facilitate the drilling program, and mining was conducted on the claims. In addition, portions of the access road constructed leads across sections of unappropriated public lands from portions of the said claims to other of such claims.

All of the claims listed below are contiguous and adjacent and form a unified block of claims, all of which are owned by, or lease/opted to Idaho Mining Corporation, in whose behalf the above expenditures were made. The drill program and the road building improved and benefited the entire block of claims, and each of the individual claims forming such block.

The names of the unpatented claims in such block, for the benefit of which such labor and improvements were performed or made, together with the Book and Page of the recording of the Certificates of Location thereof in the Office of the Recorder of Eureka County, Nevada, and the record owners thereof are, respectively as follows:
