And the foregoing particular descriptions shall be deemed (without increase in the considerations stated in the within instrument) to include all interests of OWNER now owned or hereafter acquired in lands which are:

- A. Contiguous with or cornering the particularly described properties; or within mining claims or mill sites which conflict with or overlie the same in whole or in part, or within the area bounded by straight lines around the exterior limits of the above described properties.
- B. Within an area extending two (2) miles from the exterior lines of the properties particularly described or included under the provisions of the foregoing subparagraph A; provided, however, that the inclusion of after acquired interests under the terms of this subparagraph B shall apply only to acquisitions consummated within five (5) years after the date of the within instrument.
- C. OPTIONEE shall have the right at its discretion to amend the locations of any one or more Unpatented Claims for the purpose of eliminating interior gaps, and if the location of any Unpatented Claims is defective for any reason, OPTIONEE shall have the right at its discretion to relocate the defective Unpatented Claims for the purpose of curing the defects.

All such amendments and relocations shall be done by OPTIONEE in the name of the OWNER, and all Unpatented Claims as amended or relocated shall be a part of the Unpatented Claims as though described herein. OWNER shall execute all documents reasonably required by OPTIONEE for the above purposes.

OPTIONEE shall not be required to relocate or amend any of the Unpatented Claims, and the granting of this right shall not limit, decrease or affect OWNER'S representations, warranties and obligations under this Lease as to the title to the Unpatented Claims. OPTIONEE at its discretion may repair or replace any claim location monuments or markers which have been damaged or destroyed.

D. OWNER conveys only that right title and interest which it owns in Bowser Claims #1 Fraction and 39-42, but shall not be subject to any reduction in the end price under Paragraph 9 as to these claims.
